DEDICATION

TO

FREDERICK ALEXANDER,

*a great artist and a kindly man,
whose happiness lies in helping
others, and whose triumphant career
has brought honor and acclaim to the
Normal College—*

*To him the Senior Class, gratefully,
dedicates the 1931 Aurora.*

FOREWORD

To the class of 1931, we present the Aurora as a greeting for the future and a farewell to the past.

We have given willingly our time and thought and simply ask appreciation for what we have accomplished and a certain degree of leniency toward the imperfections that may appear. We hope that this book may help to keep alive the fondest of all memories, our Alma Mater.

Who of you, seeing the group of Freshmen coming to Ypsilanti in the fall of 1927, would have imagined that they were going to grow into the present dignified Seniors? If they had not been full of enthusiasm they could never have weathered the storms of the first term. Where was room 312? Where could you get a good meal for forty cents? What students out of this large group would prove worth while friends? Gradually those questions were answered and we of the Freshman class felt we really belonged to the college.

THE AURORA

What fun it was to come back in the second year and know enough to help in directing the Freshman! Our ideals were high and we felt we could accomplish as much and perhaps more than the other classes. We studied with more purpose than we had in the preceding year when we were bothered with problems of adjustment, and we began to take our part in student activities. Friendships were made that would last for many a year. Homecoming the greatest event in the fall term took on a new meaning; Kresge Balls and All College Parties became social events of greater and greater enjoyment. Many of us took part in the Co-ed Prom and Kollege Komedy. June found some of us ready to leave college and begin our college careers while the others were planning on returning in the fall.

Donald Flynn was elected class president in 1929 and proceeded to lead us through an unusually successful year. Who can forget Homecoming, Junior Hop or the Circus with its troupe of trained animals? When in the spring of our Junior year we paused to consider our achievements since entering college we felt that we had travelled a long way toward our goal. Soon we would all be going forth to pass on our information and experience to others. Just one more year to listen and learn from our classmates and from our professors.

To make the most of that year was the aim of every Senior in the fall of 1930. Oh, how glorious it was to come back to the campus and welcome the incoming Freshmen who seemed so eager and so verdant. During our four years in school we had assumed dignity, a quietness, and a poise essential to the standards we hope to maintain. It was during this eventful year that our one dream came true. For years we looked forward to having a Union Building on our campus and now it is about to be completed. Our one regret is that we shall not have the opportunity to share in the pleasures and benefits offered by this building while we are on the campus. A building of this type is a great asset to any campus and we hope that it will be an incentive and inspiration to call others to the same opportunities and pleasures with which Michigan State Normal College has enriched the class of 1931.

JUNIOR CLASS HISTORY

At last we are Juniors! Of course we feel superior, but why shouldn't we? Haven't we plodded along for two whole years before reaching this enviable station? After re-assuming our customary studious air we proceeded to take time out for election of officers for this all-important year. Those chosen were Joseph Bradley of Detroit, president; Jane Bachman of Ashtabula, Ohio, vice-president; Margaret Lewis of Detroit, Secretary; Arthur Burholt of Fremont, treasurer.

Our first social event of the year was the Junior Mixer. There was a big turnout, and we went home feeling much better acquainted with our fellow classmates.

Of course, the outstanding event of the social season was our J-Hop, which was held on February 13 at the armory. Gregg Leichty was general chairman of the event, and was assisted by eight committees.

A novel decoration scheme transformed the armory into an Arabian castle, in which black and silver formed the dominant color tones. Original silhouettes in spatter work were designed by Rha Arnold, Ruth Poole, and Dorothy Wiard. Reflected lighting with color effects, a draped ceiling, and a canopied entrance completed the unique and original decoration program.

The McFarland Twins with their ten piece orchestra provided excellent music, and their feature numbers including an accordion soloist, saxophone trio, tenor soloist, and numbers by the twins themselves added gaiety to the affair.

The Grand March was led by our class president, Joseph Bradley, and Miss Marie Buytendorp. They were followed by the general chairman, the class officers, and the committee members.

Now, as our Junior year draws to a close, we find ourselves looking forward to the activities of our Senior year, and to graduation, the ultimate goal of our college career.

OUR UNION BUILDING

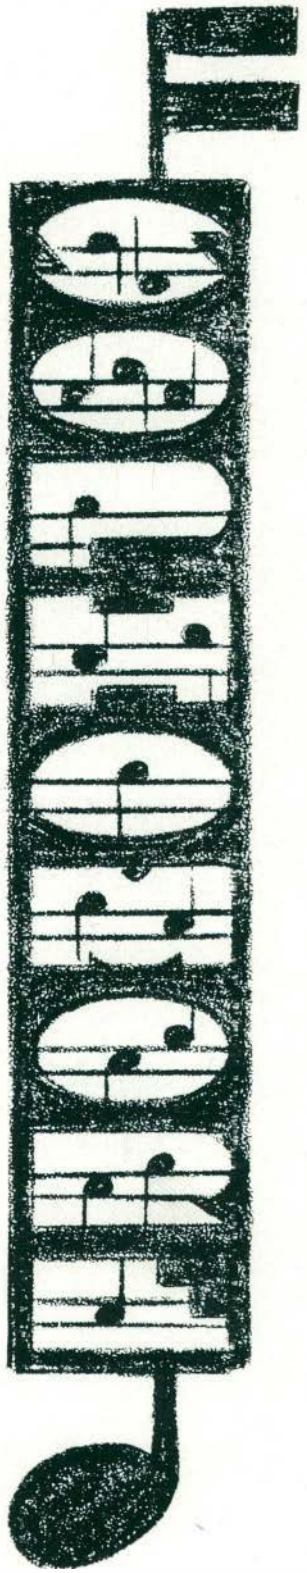

With the 1931 Aurora comes the heralding of the new Union Building, Charles McKenny Hall, a meeting place for students, a building in which to greet the alumni, and an edifice to add materially to the beauty of the campus.

The urgent need of a social center for student activities has long been felt. College parties of necessity have left the campus for the Temple and the Armory. Sorority teas, fraternity banquets and class reunions have been held in off-campus dining rooms and restaurants. Now, with the opening of Charles McKenny Hall, campus functions are conveniently localized in a building which does credit and honor to the institution.

The alumni of Michigan State Normal College, and the numerous contributing citizens are to be lauded for their earnest cooperation and generosity in making such a building possible. Untiring energy and ceaseless tenacity have marked their efforts since the instigation of the project in 1925. And now after but six years, this stupendous task has been completed and the Union Building is erected.

We, the Class of 1931, wish to express our sincere appreciation to the men and women who have made this dream a reality, and although we shall never participate in its activities as students, we welcome the privilege of entering its portals as alumni.

SOPHOMORE CLASS HISTORY

We are the sophomores of the year of 1931. We are the best class that ever attended the Michigan State Normal College, so we think. We haven't a superior complex but we do have some members who have the school spirit.

Last fall we rode into Ypsilanti, Michigan as the sophomore class of the Michigan State Normal College. This spring we anticipate riding out of Demetrius' city with many laurels hanging around our necks. Although these laurels may not mean championships they do mean that we have entered into the affairs of the school.

It did not take long for the members of the class to show that they had lost none of the spirit nor capability they had shown as Freshmen. They resumed their duties with so much zeal and efficiency that they soon became outstanding in scholarship, athletics, debate, dramatics, and even at the Kresge balls. The only event that the Sophomore did not enter was the swimming pool.

The Gold Feather Club, an organization for all Sophomore girls, was organized in the year 1930 with the help of the Women's League. This year it set out to accomplish many things, and is now well prepared to enlighten their younger sisters on all matters and manners.

Our class election was much earlier this year than it was the freshman year. The class thought much of our freshman president so he was re-elected. Carl Wood was elected vice-president, and Junietta Gesell, secretary.

IVY DAY

One of the outstanding events of Commencement week is the Ivy day program. It was founded some eleven years ago upon the recommendation of the Registrar that some program be carried out in memory of the days that are spent in this school as well as the buildings that seem to be the pals of every student.

The march from building to building is better known as the Ivy Day parade. In front of each building farewell speeches are given. (These farewell speeches are from the days when the students received life certificates at the end of two years.)

The girls wear caps and gowns in place of the white gown of other years. The strings of green and white bunting are carried across the shoulders as the ivy rope used to be carried.

The final speech is the Ivy Day oration that is given in front of the Administration building. The ivy is planted by the Sophomore vice-president after the oration has been given, and then the silver trowel is passed on to the vice-president of the Freshman class. The program is concluded by singing the Ivy Day song:

The Ivy twines on castle walls,
And on the towers of fame,
Oh, Alma Mater may it cling
To the Gray walls for Aye.
Its leaves will tell thee of our love
When we are far away,
M. S. N. C. we bring to thee
This loving proof today.

FRESHMAN CLASS

Three cheers for the Freshman Class of 1930-31. We arrived on the campus September 20th, six hundred and five strong, eager for conquest in the field of knowledge. To make a long story short—we came, we saw, we conquered! We have made History.

From all directions we came—north, south, east, west. We were of many types and nationalities. Some of us felt strange and lonely at first. In order to make us feel at home and help us to become adjusted to our new surroundings, the faculty, upperclassmen and Big Sisters united in giving us a cordial welcome. The entire week preceding the regular session was devoted to us. By means of receptions, teas, and special meetings, we were made to feel we were a vital part of the college life, and that the future glory of Michigan State Normal College rested upon our shoulders.

In due course of time, we held a business meeting, and officers for the year were elected as follows: President, Fritz Wood; Vice-President, Ralph Steffek; Secretary-Treasurer, Marie Garrison. An all freshman party in form of a “mixer” was held in the gymnasium, and this was followed by other social events which promoted a spirit of enthusiasm and good fellowship.

As a class, we have done nothing sensational in order to be in the limelight, and modesty forbids us to enumerate our virtues. Inspired by the high trust placed upon us, we have applied ourselves diligently to our tasks and have tried to conduct ourselves with dignity and credit.

And now, at the close of the year we leave, rich in experience, with hearts full of loyalty and a desire to return next year to our new estate, Sophomores.

Pi Kappa Delta, which originated at Ottawa University, Kansas, and Ripon College, Wisconsin, in 1913, now numbers one hundred twenty-one chapters, located in all sections of the country. It is the largest honor forensic fraternity in the United States. Its purpose is to encourage public speaking in the colleges, by extending formal recognition to those students who obtain an unusual excellence.

The Michigan Epsilon Chapter was installed on the local campus in June, 1921. Only those students whose platform proficiency is such that they are chosen to participate in inter-college debates or oratory are eligible to membership.

As this goes to the Aurora, a most successful year is completed. Our representatives have just returned home from the Pi Kappa Delta Provincial Convention held at Bowling Green College, April 16th and 17th. Our orators won two first places, while one men's debate team and one women's debate team were each awarded third honors.

KAPPA DELTA PI
PI CHAPTER

Michigan State Normal College

Installed 1922

Kappa Delta Pi is an international honorary and professional fraternity in education, organized at the University of Illinois in 1909, and incorporated in 1911. The fraternity is composed of seventy-two local chapters, and a Laureate Chapter having a membership of twenty-one nationally known educators.

Pi Chapter, established in 1922 at Michigan State Normal College, is one of the two chapters in Michigan. The other is Beta Iota Chapter which was established at Western State Normal College at Kalamazoo in 1929.

The qualifications for membership in Kappa Delta Pi are, full junior standing, general scholarship of a grade in the upper quartile of the institution, the indication that there will be continued interest in the field of education, and the manifestation of desirable social qualities.

The constitution says that "The high purpose of Kappa Delta Pi shall be to encourage in its members a higher degree of consecration to social service in the field of education. To this end it shall maintain the highest educational ideals and foster fellowship, scholarship and achievement in educational work".

The annual dinner of Kappa Delta Pi was held at the Book Cadillac in Detroit February twenty-fourth with representatives from every part of the United States. Pi chapter had the honor of acting as host at this dinner at which there were more than two hundred guests. William Lyon Phelps spoke on "The Excitement of Teaching" giving to all who heard him the inspiration that comes from a great teacher.

The Sigma Delta Psi National Honorary Fraternity held its Winter meeting at the Men's Gymnasium. Marvin Simms was elected President, and Norman Meyers was elected Secretary-Treasurer.

The Fraternity has twelve active members this year.

Stanley Wilkas had charge of the tryouts for prospective members. Attention is called to the fact that certain changes have been made in the requirements; these changes can be found in the Intramural Handbook. Tests are given to men on the campus during the year. The individual making the best record in these tests will be awarded a gold statuette of Discopolus, denoting all-around ability.

At present time there are over forty active chapters in the United States.

VARSITY "Y" CLUB

The Varsity "Y" Club has been active on Michigan State Normal College Campus for ten years. The Varsity "Y" Club was organized primarily to keep the men who had taken part in Michigan State Normal College Athletics in touch with the athletic activities after they had left college. The organizers also hoped to make former athletes of the College feel more at home when returning for an athletic event. To more completely foster this feeling graduating members of the varsity club, and post-graduates of the club, are given identification cards which will admit them to any athletic event on our campus. This year over fifty graduates registered at the Varsity Club headquarters.

It is the custom of the "Y" Club to sponsor annual boxing and wrestling tournaments. The tournaments thus far have been very successful, and are marked as the most popular events of the year.

This present year has been one of unusual activity. This success for the Varsity "Y" Club has been due in large measure to the efforts of Roger Arnett, whose term was cut short by a serious accident while enroute to Notre Dame, as a loyal supporter of his team. Each member in the Club feels the loss of our president who, it is thought will be a cripple for life.

ROGER ARNETT

Roger Arnett of Owosso, premier track star and student, was seriously injured on March 6th, enroute to Notre Dame, Indiana, where he was planning to see his team mates in action in the Central Intercollegiate Relay Carnival. Roger was taken to the University of Michigan hospital for operations and treatment. He will never again don spike shoes for Michigan Normal.

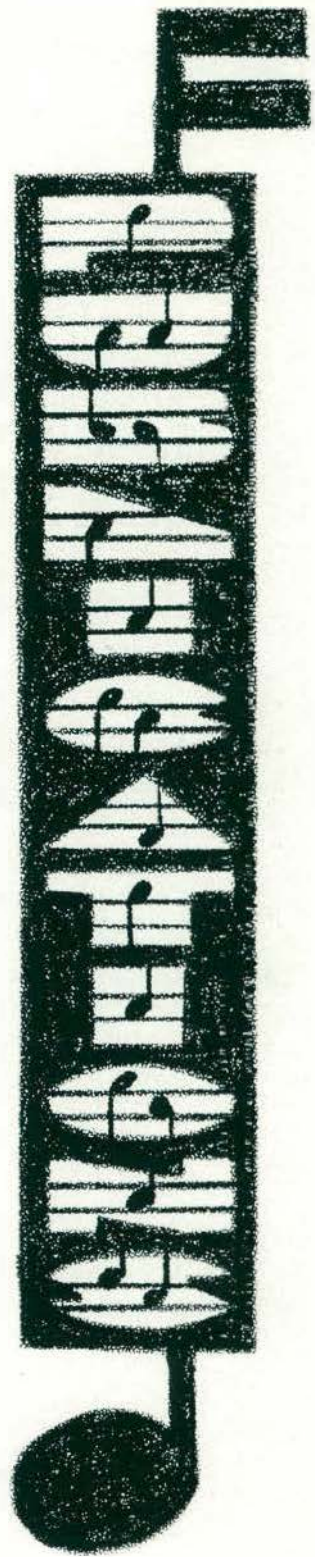

Arnett was captain of the cross country team last fall, and set new records in winning individual honors in the state and conference runs. He also holds the two mile track record in the Michigan Collegiate Conference circuit. College records from the mile up to five miles have been repeatedly smashed by the great distance star.

Arnett was discovered in a track credit class in his first year at Normal, and under careful tutelage rose to supreme heights in state, midwest, and national competition. Before entering Normal, Roger had never taken part in athletics. He made an enviable high school record in academic achievement and music, and was continuing his splendid scholastic record in college. At the time of the unfortunate accident, he had twenty-three A's, eighteen B's, and three C's.

Arnett was working his way through college, and was a junior by credits. He would have had two more years of competition in track and there is no telling how far he might have gone in that time. To say the least, he would have been a candidate for the 1932 United States Olympic team.

All members of Michigan State Normal College showed their highest respect and admiration for the sterling athlete and scholar by putting over a gigantic sports night program for his benefit.

For fifty-one years the NORMAL COLLEGE NEWS has served Michigan State Normal College as a common medium of student and faculty expression. Over this period the sheet has evolved from a book-size monthly to a larger, more comprehensive news weekly. Published every Thursday of the college year, it is a medium through which campus activities may receive advance publicity and profit and in so doing, the paper becomes an invaluable recorder of college events. Its circulation, in addition to reaching every student on the campus and many alumni, is sent to every high school in the state and is exchanged with many college papers of the country at large.

On entering its second half-century, the NORMAL COLLEGE NEWS has been supported by a large and cooperative staff. Its purpose—to give all worthy organizations firm and proportional support in its columns—has been upheld as far as physically possible. Experience has shown that there is much opportunity for improvement in the amount and quality of creative work. Such amelioration awaits the time when the student body, in general, takes upon itself the responsibility of working out carefully sound opinions, poems, essays, and the like, and submits the fruits of its efforts to the Normal News Office.

The Women's League of the Michigan State Normal College is the largest organization on the campus with a membership of 1400 women students. The purpose of the League is to give an opportunity to the women of the campus for development socially and intellectually. Several fine lecturers were presented on League programs. The League sponsors four clubs, Vivientes, Gold Feather, Euthalia, Book-a-Month Club, which provide avenues for student expression and student growth along intellectual lines. The annual House President dinner, Freshman Frolic, and Freshman Teas were some of the events on the League's Social Calendar. The colorful Co-ed Prom was the high light of all the social activities.

The League is perfecting a plan for realizing its greatest aim that every woman student not only have the opportunity for significant activity in an extra-curricular life, but shall actually participate in the social program.

The year 1930-31, now drawing to a close, has been probably the most successful period the Men's Union has ever enjoyed; made possible largely by the wonderful cooperation and excellent leadership which has been offered the organization by the student body as a whole. In Alden Tomion, Merlin Wolfe, Dean James M. Brown and one or two others the masculine faction of Normal College had a group of leaders who carried the organization to a height which has never been reached by the organization for many years.

The Union started the year off with a bang by greeting the incoming yearlings with a warm hand. Big Brothers had been selected to meet the freshmen, and they were very active in their tasks, and as a result few new students found difficulty in finding a pillow on which to place their weary head after a tiresome journey from the home town. No sooner had they arrived upon the campus than they were feted with a gigantic freshman mixer, which was a fine get together for the yearlings and which event permitted them to make a much closer contact with their classmates. President Tomion presided over this gathering, and with his

excellent diplomacy put a wonderful spirit into the yearling ranks. During Freshmen Week the group hung most attractive Union pins on each of the eager lads, and entertained them highly with lectures, mixers, etc.

At the first meeting of the Union the freshmen were given to understand that there would be no hazing this year and that in return they would be expected to wear their pots to their greatest extent. As a result of this bit of psychology the little green caps were worn better than they have ever been worn. Almost every frosh's head was adorned with a togue. The freshman games proved a great success and were run off under excellent supervision.

As the Michigan game drew near it became apparent that the Hurons were going to produce one of the greatest football teams that has ever represented Michigan Normal. In view of this fact the Union set about the task of putting on a great homecoming. Western State was the opposition for the occasion, and a day crammed with activity ensued. A delegation representing the Union met the rooters from the Celery City and escorted them to Roosevelt High School where elaborate plans had been made by Tomion and his followers for the affair. Another similar event in which the Union figured greatly was the Building Blow-out which was a high success and following which event the corner stone for Charles McKenny Hall was laid.

Perhaps one of the finest redeeming features of the 1930-31 Union was the fine spirit and interest, as well as excellent programs, shown at the bi-monthly meeting held in the auditorium of Welch Hall during the year. Such speakers as Harry Kipke, Bill Otto and several others were secured for the occasions and the men did not seem to mind the allotted hours elapsing. Numerous pep meetings were held and debaters as well as athletes were lauded.

For the first time in the history of the school the group sponsored a fall party which was without question one of the finest affairs ever to be put on by an organization of that type. For the party Jack McGay's fine music was secured and the event was a great success all around. The tickets were placed on sale three weeks before the ball, but with a harmonizing committee and fine spirit they were all in the hands of purchasers before the first week had elapsed. The party was known as the "Yule Log Drag", and it was under the general chairmanship of President Tomion.

The Union responded to a good cause wonderfully when Roger Arnett was injured in an accident on his way to a track meet. A Benefit Sports Night was put on by the acting president of the Union, Merlin Wolfe, and his assistants. The program for the affair consisted of basketball games, clogging numbers, a gymnastic exhibition, and a pair of boxing matches. More than a thousand persons packed the Central High School gymnasium for the occasion and in addition to the tickets sold many individuals and independent organizations contributed to the worthy cause. Well over the set goal of \$500 was reached, and Roger Arnett and his family greatly benefited from the Sports Night.

As the Aurora goes to press the Union is contemplating a bigger and better Cap Night, a tentative spring party, and many other social events.

In Dean of Men James M. Brown, Alden Tomion and one or two others the group had some of the finest leaders that organization has had for some time, and the masculine faction of Normal College will surely miss men of that type when they have been graduated.

THE SPANISH DANCER

Castanets are purring,
And my blood is faster stirring
While you dance, while you dance,
And the music, beating, throbbing,
Grips my heart with hopeless sobbing,
While you dance.

Pearly teeth are smiling
And your eyes are sly, beguiling,
While you dance, while you dance,
And your little heels are flying
Why my heart with love is crying,
When you dance.

Ever through the ages
I will treasure mem'ries' pages
While you dance, while you dance,
And I'll gaze on you with rapture
While my heart is yours to capture,
When you dance.

TO A TOAD

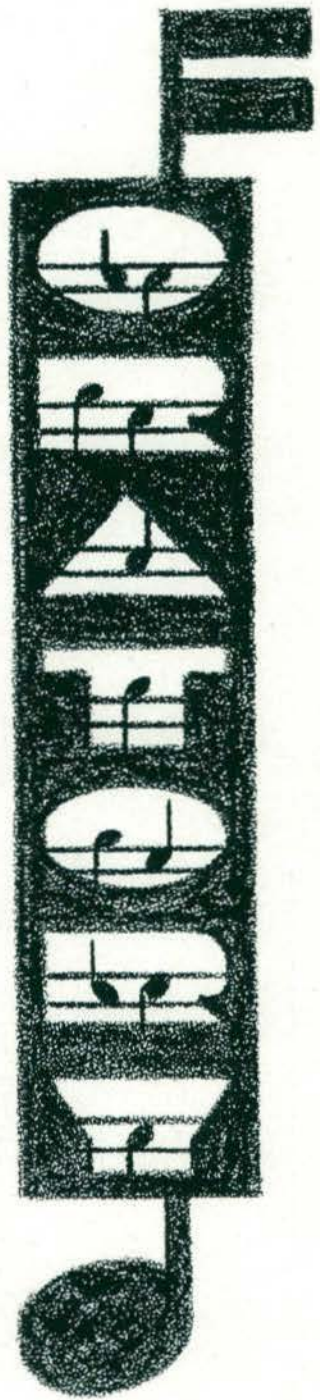

Lumpy, warty, old Toad.
(Those fools said you would poison me.
But I watched you
Snapping up flies.)

Two bulging eyes,
Gentle, brown,
Shining with toad love and wisdom.
Oh, Toad, you're smarter than any student,
You have more patience than I.

Puff out your throat,
Stare me down with your big eyes;
Stick out your sticky, whip-lash tongue—
I'm not frightened.
Why, I envy you,
Bumpy, friendly, old Toad!

Last spring two of the year's outstanding debaters, Alleen Gates and Myrtle Kring, were members of the college delegation of eight to the national Pi Kappa Delta Tournament and Convention held at Wichita, Kansas, March 31-April 4.

The question for the present year's debates was: "State medicine should be established." Four of last year's speakers were again carrying on this year—Alleen Gates, Myrtle Kring, Marjorie L. Cookson and Anne Merriman, while five new members participated in not less than three debates each—LaVon Cutcher, Helen Osborn, Helen C. Sox, Benigna Gatzke and Estelle Jillson. Again the women equalled last year's record of no defeats, with victories in all six judged debates.

MICHIGAN ORATORICAL LEAGUE CONTESTS

Last spring's oratorical events in this league came too late to appear in the Aurora. After winning the gold medal in the state contest, Frederic L. Fuller entered the contest of the Eastern Division of the Interstate Oratorical Association, held at the Normal College, April 11. The speakers represented West Virginia, Kentucky, Pennsylvania, Ohio and Michigan. In this competition John T. Galloway of Muskingum College and Mr. Fuller survived. He then entered the national contest of the Interstate Association, held at Northwestern University, April 25. Here he matched his oratorical powers against orators from the University of Notre Dame, Penn, Carleton, Muskingum and Park Colleges, and emerged as the champion national orator, and was awarded the gold medal of the association.

Both Ernestine Anderson, last year's woman orator, who tied for first place in the state contest, and Mr. Fuller participated in the national Pi Kappa Delta Tournament; Mr. Fuller being awarded honorable mention in the final contest.

This year's events opened with the 42nd annual college contest held December 4, in which Ardith E. Stoltz, senior and J. Harry Adams, senior, were chosen college orators. Miss Stoltz chose as the subject of her oration, "A Woman's Choice", and developed a strong protest against the use of the cigarette among women. Mr. Adams' oration was a discussion of the problem of law and order among nations and the necessity for the United States adopting certain far-reaching reforms looking toward world peace. In the divisional contest held at Hillsdale, March 6, in competition with orators from five other colleges of the division, both survived and entered the state contest at Mount Pleasant, March 13. Both gave a good account of themselves. Miss Stoltz was awarded the silver medal and second place, and Mr. Adams, handicapped by a persistent case of flu, tied for fifth place.

At the Pi Kappa Delta Provincial Oratorical Contest at Bowling Green, Ohio, April 17, 1931, in which twelve colleges participated, both Miss Stoltz and Mr. Adams were awarded first places and the gold medal of the fraternity.

STATE CONTEST ON THE CONSTITUTION

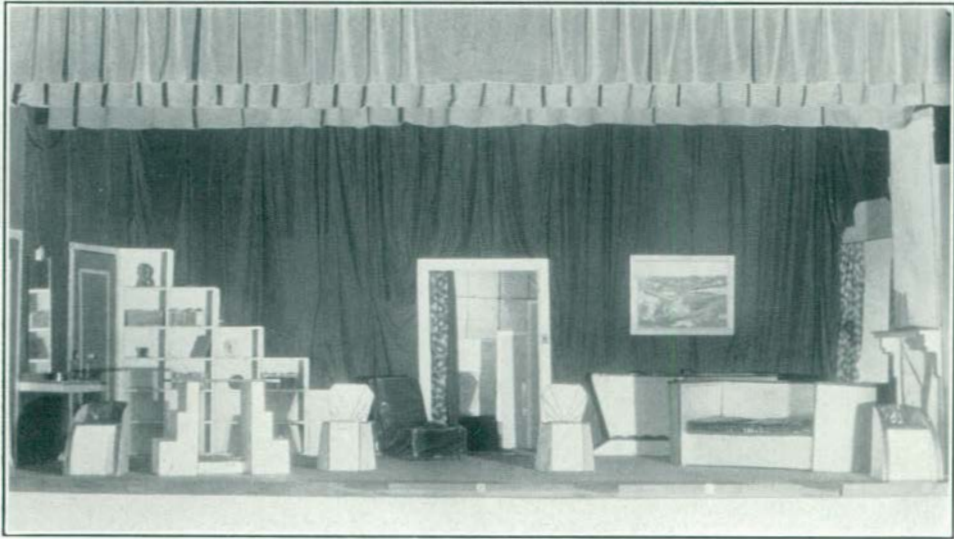

State oratorical honors came again to the Normal College, April 29, 1930, when James E. Latture was awarded first place in the State Contest on the Constitution, held at Detroit. Five colleges participated. On May 28, Mr. Latture represented Michigan in the Northern Zone contest held under the auspices of Northwestern University. In this contest he ranked fourth. The title of his oration was, "American Youth and the Constitution".

STATE CONTEST ON WORLD PEACE

On May 10, 1930, James E. Anderson represented the college in the state contest, held at Lansing. Eight colleges competed. His oration was entitled, "Humanity's Problem".

THIS AND THAT

An open mind is good so long as it is not open at both ends.
W. C. BAGLEY

You cannot solve a problem by erasing it, even though you use the love of God and man as an eraser.

SOLOR BUCK

"There is nothing," says Plato, "so delightful as the hearing or the speaking of truth." For this reason there is no conversation so agreeable as that of the man of integrity, who hears without any intention to betray, and speaks without any intention to deceive.

JOSEPH ADDISON

To know how to ask a question is to go half way to knowledge.
HENRY TAFT

Among men there are some who have their vices concealed by wealth, and others who have their virtues concealed by poverty.

THEOGNIS

Give me Space and Movement and I will give you a World.
DESCARTES

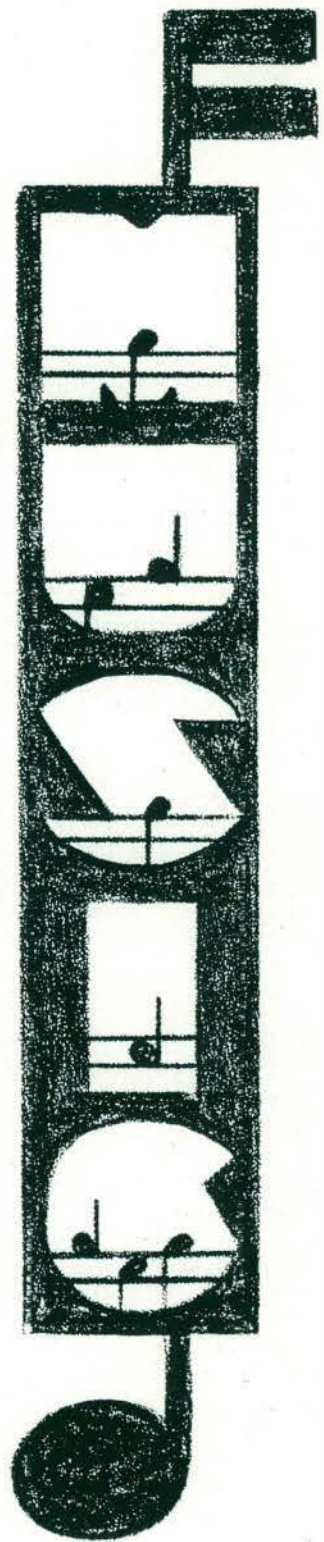

We need a Socrates in every schoolroom; a teacher who can stimulate and guide his pupils to think honestly, persistently, and effectively about important problems of life.

JULIUS BORAAS

Algebra was the wife of Euclid.
A polygon with seven sides is called a hooligan.
Figurative language is when you mean a rooster and say chandelier.
Socrates died from an overdose of wedlock.

THE COLLEGE ORCHESTRA

LUTHER MOFFITT, *Director*

For the last four years the Orchestra has furnished the music for all Commencements and Convocations beside giving the incidental music for numerous plays and pageants. It has also played in Assembles and at Baccalaureate Addresses, Alumni Banquets, etc.

Careful selection of music adapted to the capacity of amateurs while worthy of the attention of artists as to its content has been the policy. This makes it possible for players to develop in technique and in understanding and at the same time to present to an audience something interesting and worth while. This policy of course involves the necessity of careful work in rehearsal.

The personnel includes half again as many as last year and the development in capability is almost proportionate to the growth in numbers. The Orchestra this year initiated the practice of giving programs elsewhere than in Ypsilanti, the first such occasion being a concert in Howell, at which several solos by members of the Orchestra with orchestral accompaniment were given. It also gave a full program in Pease Auditorium at the graduation exercises of the Orchestra and Band students, May 27, at which the solo performances of graduates were accompanied by the orchestra.

MICHIGAN STATE NORMAL BAND

D. C. RYAN, *Director*

The Band is composed of two classes of students: those who are taking the Band and Orchestra course as a future vocation, and those who possess musical talent which they employ merely for pleasure or as an avocation. Its personnel has numbered during the past two years about thirty, but an intensive drive is under way to double this number. A cordial welcome awaits performers on all instruments.

Band duties consist of three hours of rehearsal and drill each week. During the winter and spring terms rehearsals are conducted in the auditorium on Monday and Wednesday from 6:30 to 8:00 P.M. In the football term the rehearsals are held in the gymnasium from 6:30 to 7:30 on Monday and Wednesday, with formation drill on Thursday from 9:00 to 10:00 A.M. Public duties include playing for Varsity football games, and participation in whatever parades, concerts and other special events may require band music. Students fulfilling these conditions and showing the required record in attendance and punctuality are granted credits from the Athletic Department. Special Band sweaters and medals are also awarded for long service.

During the past year the Band appeared at every home Varsity football game, as well as the University of Michigan game at Ann Arbor. They also played at the dedication of the new Charles McKenny Hall, and at the laying of the corner stone. Two of its best accomplishments were the Homecoming Day Parade and the opening of the Kollege Komedy. Several engagements remain to be played this term.

These men are showing excellent morale and enthusiasm, and expect that their faithful, hard practice will make them one of the ranking college bands.

The Band is under the supervision of Professor Luther Moffitt and is directed and taught by D. Chester Ryan. The street parades and field maneuvers are headed by the efficient baton of Drum Major Richard Hodges.

The Public School Music Club was officially organized in 1917, and today takes a worthy place among the other organizations on the campus. With the passing of each successive year the club, true to its tradition, has maintained its high standard of excellence and loyalty to the best interests of the college. Its membership includes the graduate class of each year in public school music education who initiate the sophomores during the spring term. It is also customary to meet the freshmen socially, thus creating a spirit of good fellowship among all classes of students specializing in this department.

The expansion and changing tendencies in school music, functioning as a vital force in education, gives much of interest for the professional programs which are interspersed with social evenings given bi-monthly by the students.

It is the purpose of the club, through a common interest, to broaden the students' knowledge in the various phases of school music education, to stimulate a professional spirit, and to further social friendship among its members.

The English Club invites and welcomes all students majoring in English. It seeks to unite these students for these common purposes: a better technical and sympathetic understanding of English literature, and through social gatherings, the fostering of a spirit of true friendship and cooperation between and among faculty and students. Tentative projects for this season include bringing the Sir Philip Ben Greet players in "Twelfth Night", and it is probable that the poet, Mr. Robert Frost, will visit our campus during the spring.

In 1901 the Portia Literary Society was organized as a women's debating club. Since 1911, however, the work has been changed to that of studying some literary project. The subjects for the past year's study were modern poetry and modern authors, also a part of each period was devoted to the discussion of some modern current topic. Through interesting programs given by both faculty and students we have learned a great many things concerning these subjects.

The motto of the Portia Society is taken from Shakespeare,
"How far this little candle throws its beams—
So shines a good deed in a naughty world."

The Physical Education Club activities got under way soon after school opened for the fall term. An early election resulted as follows: Joe Bradley, president; Margaret Lewis, vice-president, and Catherine Harris, secretary. Miss Ruth Boughner is again our very capable treasurer.

The social season for the Physical Education Club was opened with a mixer characterized by the usual amount of jolly fun that is common in Physical Education Club mixers. Many new acquaintances were made and all were truly mixed together.

The second part of the year proved to be a great success. For some time preceding the party, posters appeared in conspicuous places about the campus advertising a Harvest Hop. The Harvest Hop proved to be truly worthy of the posters announcing it. Old time dancing was entered into with enthusiasm by the unusually large crowd that turned out. There were no wall flowers. Special entertainment by unusual talent was the novelty of the evening. Wholehearted participation by everyone made the party a huge success.

The Physical Education Club at present has a large number of active members. We hope to increase this number even more so that more may enjoy our good times together. Our very active faculty members are very instrumental in making our club activities successful. Physical Education Club activities never drag, and many more good times are being planned for the remainder of the year.

Lambda Tau Sigma is an educational fraternity composed of students specializing in Special Education. Our aim is to promote and encourage a social acquaintance among the students from each department in Special Education; to provide a means for becoming acquainted with the work of the departments other than our own; and to enable the faculty to become better acquainted with the students.

We were organized in 1924 and in 1927 a Beta Chapter was organized in Athens, Ohio. In addition we have two alumni chapters located in Detroit, Michigan and Columbus, Ohio.

The purpose of the Chemistry Club is to stimulate its members to acquaint themselves with the recent discoveries in the field of Chemistry and it helps them to do this by giving them an opportunity to hear lectures given by speakers of note from other institutions. The members feel, too, that it is their club as they are given a chance to put on the entire program at different meetings. The climax of the year is the annual trip to some commercial chemical plant of importance.

To stimulate interest in art and to create friendship among both students and faculty members. These are the aims of the Normal Art Club, an organization that has been active on the campus for nearly twenty years. The meetings of the Art Club are often in the form of a luncheon or studio spread at which a famous painter or sculptor is discussed. This year the Club has emphasized art and artists of today.

The Sodalitas Latina was organized in 1900 to promote a further interest in the study of classical culture and civilization, as an aid to the future teachers of ancient languages. The club has become one of the largest and most active departmental clubs on the campus.

Many of the meetings this year have been of a social nature. Our annual Saturnalia celebration, and Valentine party and Virgil's birthday party, both held at the home of Dr. D'Ooge, were greatly enjoyed. We have been privileged in hearing two outstanding lectures, one by Professor Magoffin, President of the Classical Association of America and internationally known in the classical world, on "Virgil from Then to Now", and another, "Roman Africa", by Professor D'Ooge. The History and Art Clubs were our guests at these meetings. In the spring term the club held its annual banquet and spring picnic.

The Laonian Dramatic Society was founded in 1913 in Miss Pearce's drama classes. The club devoted most of the time to the study of the technique of the drama.

Several of the members are in the winter term all-college play, "Holiday".

WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association sponsors all the girl's Athletics on the campus. Each group of organizations, class, club, and sorority have a schedule of fall, winter, and spring sports. This gives plenty of opportunity for each girl to have practice and good competition in her particular specialty. The delightful spring weather this year made the outdoor spring sports particularly popular and the tournaments in quirts and archery proved to be very exciting.

One special feature of the Intramural program this year was a miniature sports party given for all the girls on the campus. A game of basketball was played with tiny basketballs being shot into a waste basket, a shot putting contest was held with paper sacks blown up and tied, and many other similar activities.

The Association would like to acknowledge its appreciation of the many gifts it received in the way of furnishings for the W. A. A. room from the many organizations on the campus interested in women's athletics. Presents, in the form of lamps, book-ends, furniture, and other attractive decorations for a room were given by the four classes, the Girl Scouts, and by many sororities.

THE WESLEYAN GUILD

The Wesleyan Guild is an organization made up of Methodist students at the Normal College. The group has a student cabinet of thirteen members who with the Director of Student Activities, plan the program for the year. The Vesper Services with the weekly Fellowship Supper, a group of study classes on Sunday morning, Friday night Open-Houses, and special parties make up the program of the year. The deputation and the drama committee have been active in furthering student activities in the church. The students have produced several dramas as features of the Vesper Services. The Student work is maintained by the Wesley Foundation to promote religious training and the development of leadership and fellowship among students.

BAPTIST STUDENT ASSOCIATION

The year of 1930 and 1931 has been a most successful one for the Baptist Student Association. The group has enjoyed a fine spirit of cooperation which has made it possible to accomplish much that has been worth while both in social and religious activity. There have been parties of many kinds throughout the year. These with the regular "Friendly Hour" at Starkweather every Sunday evening have aided greatly in upholding our ideal of "Friendship". In "Evensong" and in the Sunday School classes we have endeavored to aid in the solution of problems which confront all students and also to give each a broader knowledge of the world and its people. In all of these activities the whole hearted and sympathetic guidance of Miss Lillian Nordquist has been our greatest asset.

THE CONGREGATIONAL STUDENT GROUP

The Congregational Student Group has been organized for six years. Its aim is to bring to the attention of its members, those problems which are worthy of the time, thought, and consideration of college men and women. Constant effort is made to consider the individual student and to this end the church people welcome students not only to the services but also to their homes.

THE LUTHERAN STUDENTS' CLUB

The Lutheran Students' Club has just completed one of its most successful years on the campus. Much of its success is due to Professor Clarence M. Loessel, our faculty adviser, and Reverend Hugo Wenker, our pastor. The students meet once a month for dinner and a social evening. In proportion to the number of students enrolled as Lutherans, the attendance at these meetings surpass any other organization on the campus. The Lutheran Students' Club meetings are a source of friendship and good fellowship among its members. The membership is steadily increasing and another successful year is a surety.

The purpose of the Y. W. C. A. is to realize a full and creative life through a growing knowledge of God and to have a part in making this life possible for all people.

The redecorating of Starkweather Hall has provided an inspiring setting for this year's activities, including an Autumn Frolic, a Recognition Dinner for new members, an International Banquet, a series of World Fellowship Teas, a Christmas play, and a May Morning Breakfast. Thanksgiving and Christmas baskets were distributed. The Book Exchange was made a permanent department.

Every second Thursday the Young Men's Christian Association meets in the Y. room of the Administration building for a discussion of the conditions prevalent on the campus. The discussions are conducted by some faculty member on any subject he desires or thinks will interest the Y. members. Professor Milton Hover, Harry T. Wood, and Dr. Juchhoff were among the faculty.

Prominent in the activities of the Young Men's Christian Association this year was the discussion on the subject of public health carried on with Dr. Juchhoff as chairman. Considerable material was collected by the group on that subject from many sources. The Michigan Department of Health was a good friend in the search for material.

The Y. M. C. A. co-operated with the Interchurch Council in sponsoring the Annual Fellowship Conference. Paul Harris of Kentucky, the southern leader of the Move for the Prevention of War; Karl Borders, secretary of the Chicago Board of the League for Industrial Democracy, and J. B. Matthews of the Fellowship of Reconciliation of New York City were the speakers.

The Letro Society was founded in 1927-1928. It is a fraternal organization for the students enrolled in the Rural Supervisory Curriculum. The purpose of the organization is to provide a variety of social activities and create friendship among the members on the Campus, to establish and maintain a high standard of scholarship, and to provide for the development of enthusiasm and leadership through conscientious training and opportunity. The society has a membership of one hundred and thirty-one Alumni. Active relationship is maintained through the Letro Light, a news letter which reaches them each term and through an annual banquet each spring. Regular meetings of the active members occur each month throughout the college year.

BESSIE LEACH PRIDDY HOUSE

The Bessie Leach Priddy House, college cooperative house was opened in the fall of 1924. The house accommodates twenty girls and a house director. This year has been a particularly happy and fruitful one for the girls of the house. The girls have tried to support and take active participation in all college functions. The house gives its members a true college home. There is opportunity for training along social and economic lines.

In the fall the girls were awarded second prize in the house decorating contest at home coming time. In March the Bessie Leach Priddy group won first prize at the Co-ed Prom for the cleverest group. But the girls do not only excel in the artistic, but they have also made their place in the scholastic field, being placed second in the race for the independent house scholarship cup.

Throughout the year the girls have entertained the faculty at tea and dinner. A Christmas party was given for some of the needy children of the city. Plans are being made for more extensive and enthusiastic support of all college functions during the next year.

THE NEWMAN CLUB

The Newman Club is a national organization for Catholic students attending non-sectarian colleges in the United States. Its purpose is to foster the spiritual, educational, and social welfare of the Catholic students while they are in college.

The Newman Club of 1930-31 has been very successful in its various endeavors, and credit may be given to a large extent to the very energetic officers elected at the beginning of the school year. We wish to extend our appreciation to the various faculty members and the people of St. John's parish.

The local Pan-Hellenic organization has been active on this campus since 1926. Its members are representatives from both local and national sororities. The offices are filled by a system of rotation.

Each term an intersorority dinner is given at which a loving cup is presented to the sorority whose scholarship rated the highest for the preceding term. The cup was presented to Theta Lambda Sigma Sorority in the fall term and to Sigma Nu Phi Sorority in the winter term. The dinners were successful in bringing a closer relationship between sororities.

The winter banquet just passed marks the twenty-ninth successful year for Kappa Phi Alpha. The pledge party and winter party both proved to be outstanding social events of the year. The fraternities first annual "Stay Night and Smoker" was also an interesting function of the winter term. Five men are pledged to the fraternity at the present time. Dr. C. L. Aspach, of the education department was recently taken into the fraternity as a Faculty Member.

COACHES

As the real of business and finance must have their respective leaders, so must athletic teams have at the helm, men to guide and direct. The coach is a vital factor in the schools and colleges today. He must select the members of his team from a large body of candidates, and he must groom these picked players for strenuous inter-school or inter-college competition. The coach must instill in his men the indomitable fighting spirit, the sportsmanship, and the honesty which not only make winning teams but which also build up real manhood. Win or lose, the coach has always accomplished things in the heart, mind, and body of his men which will last forever. "Fight hard, but fight clean", that is perhaps the keynote of what a coach tries to achieve from his pupils. The long hours of study and preparation each mentor necessarily puts forth with his team, is sometimes overlooked. The coaches job is a big job.

Michigan Normal has very well qualified men directing her athletic teams. These men are to be congratulated. Undying honor and respect is due them for the clean, aggressive, championship teams they have turned out, during the past year and during all previous years.

Left to Right—ERNIE DILTS, MEL CAINES, MERLE STEVENSON, LESTER TWORK, NORMAN KRECKE.

CLASS MANAGERS

The classes of the college select each year a man to manage and direct the athletic activities of their respective groups in the interclass championship of the intramural department. These managers must be well qualified, with a good knowledge of all athletics and men, in order to give their class the best possible representation. Players from the student body at large, excluding varsity men, are selected to participate in the interclass program. The intramural department is doing a great deal to provide "athletics for all".

REVIEW OF CHAMPIONSHIP SEASON

Coach Rynearson's gridiron machine, with sixteen veterans and a host of crack sophomores on the roster, opened the 1930 season by giving the University of Michigan a spectacular battle at Ann Arbor in the second game of the Wolverine's double header. With Andy Vanyo and all the Huron forwards tearing the Michigan line to shreds, the Kipkemen opened up a powerful aerial attack which gave them the only score of the game late in the third period.

Normal buried the Tartars from Detroit City College 33 to 6 in the second game of the season. The Huron mentor used his entire varsity squad in this tilt which was featured by the work of the sophomore backfield.

Western State fell before the Green and White eleven on Alumni Field before a huge homecoming throng. The powerful Normal forward wall kept the visitors well in check while Carl Simmons and Ken Hawk led the dazzling Huron offensive attack which netted three big touchdowns.

Smarting under a 54 to 0 defeat at the hands of Western, Central States' Bearcat eleven showed a complete reversal of form and fight, before a big Mt. Pleasant homecoming gathering, and held Rynie's champions to a 13 to 0 score. Dave Smith, Arnold, Wood, and Vanyo were Normal's shining lights in the final M. C. C. encounter.

A fast, light Georgetown College aggregation met a faster, heavier, and smarter machine in the Hurons, and received a 45 to 0 defeat here on November 1st.

Knute Rockne sent a strong and victorious B squad to Ypsilanti November 14, hoping to wipe out the 1929 defeat handed the Irish by Michigan. But the 1930 edition of Normal's football outfit proved once more too tough for the reserves and the shock troops from Notre Dame and won handily 16 to 0. Big smiling Andy Vanyo enjoyed one of the best days of his spectacular career. Arnold, sophomore field general turned in a fine performance as did Simmons at fullback. Lukats, who starred with the Irish against Southern California was held in check.

Ten Michigan Normal football seniors closed their respective careers against Iowa State Teachers' College at Cedar Falls November 15th. These players: Captain Shoemaker, Muellich, Wood, Vanyo, Stover, McMurray, Schurgin, Chanter, Young, and Rice played stellar roles in the 19-0 victory over the Iowans.

 State Intercollegiate—Normal won 7th straight state crown with low score of 22 points; Kalamazoo College second with 64.
 Central Intercollegiate at E. Lansing—Won by Normal with low score of 31 points; State and Butler tied for second with 48.
 National Senior A. A. U. at New York—Normal finished 7th.

THE AURORA

Michigan Normal enjoyed a very successful season copping the state inter-collegiate crown, the Michigan Collegiate Conference title, and the Central inter-collegiate championship, besides winning every dual encounter on the schedule. University of Michigan fell for the second time in as many years before the galloping Huron thinclads. Captain Arnett, one of the leading harriers in the middle west, was ably supported in the field by seven crack teammates: Morcombe, Boyd, Bauer, Criger, O'Connor, Wolfe, and Quinn.

THE AURORA

THE BASKETBALL SEASON

Starting the season with but five lettermen, Coach Rynearson developed another winning quintet. The loss of Giles, Brown, Whitney, Van Fleet, Arnold, Rice and DeLong put a real problem before the Huron mentor. The addition of

THE AURORA

several stars from the ranks of the 1930 frosh aggregation and the performance of the vets gave the varsity a formidable front. The old men back: Captain Ed Gabel, Howard Leach, George Muellich, Marvin Mittlestat, and Howard Chanter gave Rynie the nucleus for his squad.

Walter Kazlusky, LeRoy Ostlund, and Waldo Ashley, all sophomores, won regular berths on the varsity after the season got under way. These three boys developed fast and by the end of the season were performing like seasoned veterans. Much is being expected of them next year. Bailey, Cieslewski, Seitz, and Thorpe rounded out the Huron squad, which after an unimpressive start romped through the latter portion of their schedule to finish the season with eight victories to five losses.

Normal lost the opening game of the year on the home court to Central State in a thrilling battle which was decided only after two overtime periods. The Green and White then upset the General Motors Technicians at Flint in a fast hard tilt but lost to the Munies from Detroit City College a few nights later by a 31 to 27 score.

Western State proved too tough for the Hurons on the Kalamazoo court, but the following week a rejuvenated Rynearson five conquered the Bearcats at Mt. Pleasant in a spectacular court dual, 35 to 28. Howdie Leach starred in the tilt against the fast and heretofore undefeated University of Michigan B quintet, who fell by a 22 to 18 count before the Hurons.

General Motors Tech lost their second game to the Normal crew 33 to 22 on the Ypsilanti court, but the Wolverine varsity led by Captain-elect Norm Daniels swamped the Green and White 46 to 8. Adrian College nosed out the Hurons in a furious last minute rally two nights later.

The feature of the entire season was the brilliant home stretch spurt which won for the varsity the runnerup position in the Michigan Collegiate Conference and carried them to four consecutive victories over Detroit City, Northern State, Western State and Adrian. Brilliant floorwork, and a dazzling offensive attack proved the undoing of each of the defeated quintets. It was Western's only defeat in the conference chase. Captain Gabel, Leach, Ostlund, Ashley, Kazlusky and Muellich were the men who figure prominently in the Huron winning streak.

Three members of the varsity squad will be lost by graduation: Muellich, Chanter, and Mittlestat.

A host of veterans for the varsity track aggregation give Coach Olds another ranking state and conference team. Besides a long list of letter men the Huron mentor has several crack sophomores who have been showing up well. The loss of Arnett is a serious blow to the Hurons.

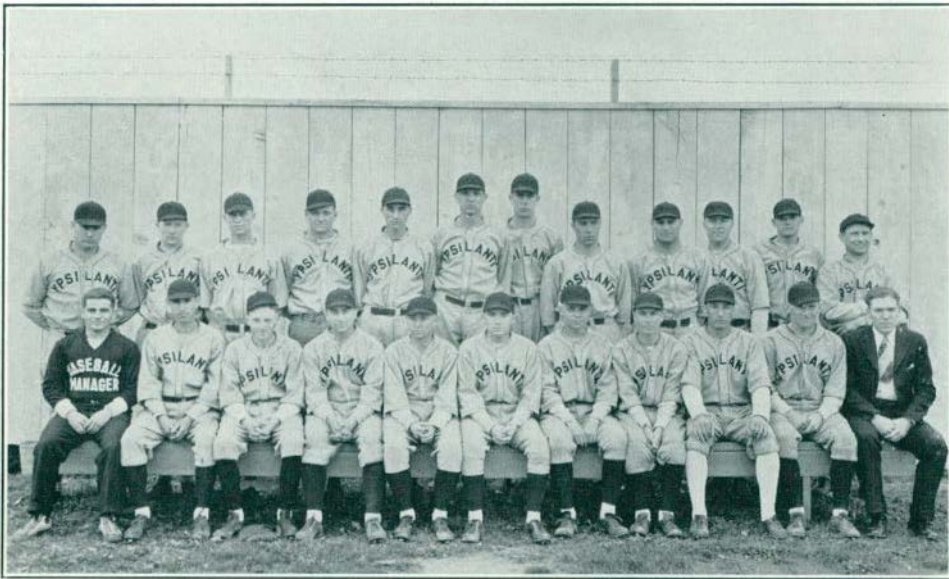

Captain Criger, Morcombe, O'Connor, Bellman, Bauer, Wolfe and Boyd give Normal a strong representation in the distance runs. Arnold, A. Burholt, R. Burholt, Beatty, K. Simmons, Swan, Fenner, Simmons, and Brown capably handle the burden in the shorter runs and the dashes. Four men wear the Green and White in the hurdles: Westcott, Hyatt, K. Simmons, and Beatty.

Rader, Roth, Twork, and Webb are handling the weight heaving duties while McKinley, Snyder, Hawk, and Miller take care of the pole vault situation. Thorpe and Hyatt are the leading high jumpers on the squad. Beatty, Rader, and Swan do the majority of the broad jumping.

Bouck, McKinley, Krecke, and Gregory are the leading javelin heavers and have been doing some fine work this spring.

Normal's mile relay quartet composed of Brown, K. Simmons, Beatty, and Arnold is one of the best in the country, winning high honors at the Penn Relay carnival where Beatty copped the 400 meter hurdles, to stamp himself as a likely candidate for the 1932 United States Olympic team. The medley and two mile relay teams also rank high in the middle west.

By virtue of an overwhelming victory over Western indoors, and by easily walking off with the honors in two quadrangular affairs on the cinders, in which University of Detroit, Detroit City College, Hillsdale, Adrian, and Detroit Institute of Technology competed, Michigan Normal looks like almost certain champions.

THE AURORA

VARSITY BASEBALL

THE AURORA

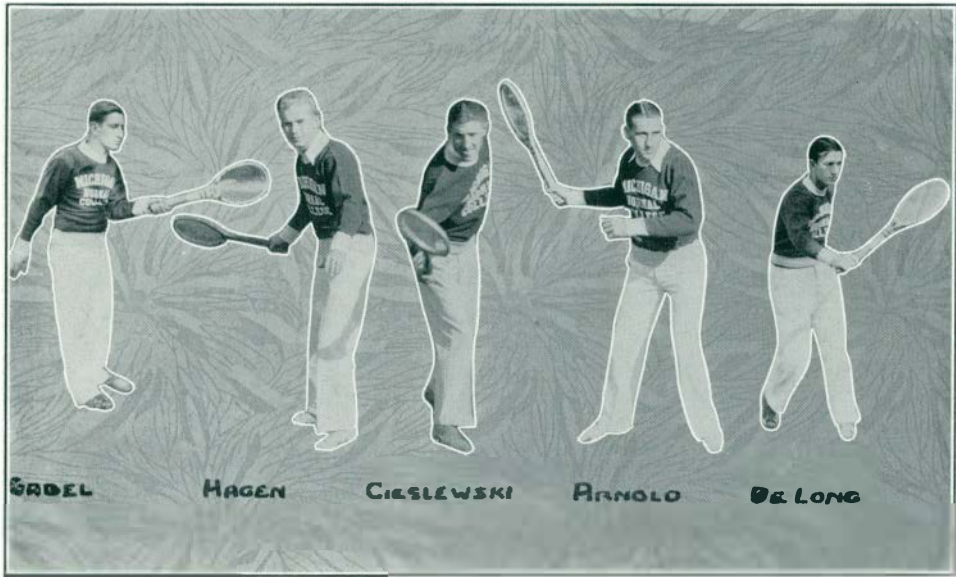

A squad composed of a long list of veterans and some high class sophomore talent is battling through one of the toughest schedules ever to confront a Huron baseball nine. Leading the lettermen back are three aces playing their third year of varsity competition: Captain Floyl King of Marysville, versatile all around performer on Normal diamond teams for the past three years, is one of the reasons for the success of the Green and White. He is a powerful hitter and one of the classiest infielders in the state. King is playing shortstop this season and has for a teammate on the other side of second base another of the greatest ball players ever to attend Michigan Normal. Alden Tomion, diminutive infielder, is a powerful cog in the Huron baseball machine. He is a highly dependable hitter, and the class of the conference as far as second basemen go. Dependable and reliable always, with the punch and fight that wins ball games, characterizes the play of Captain King and Tommy Tomion, who are playing their last season for the Green and White. Bill Christy, is the third member of the squad, playing his third season. Bill is one of the best stickers on the squad and is a speedy and highly polished outfielder. Other veterans include Bailey, Middlestat, Miller, Michaelis, Bradley and Kubitz.

A goodly array of new talent gives Coach Harry Ockerman plenty of reserve material. Among those showing up well in the games to date are: Herring, Seitz, Lewis, Ken King, Witkop, Mott and Bartlett.

With the season well underway the co-champions of 1930 look like certain repeaters in the M. C. C. and prospects for a victorious season are very bright.

In the opening game the Hurons lost to Michigan State College in the hard fought battle by a 3-2 score. The second tilt resulted in a 2-2 tie with Assumption after 11 innings of play. The Green and White bombarded out a 14-12 verdict over St. Mary's in the third tilt, knocking out fifteen safe clouts.

At the opening game of the Michigan Collegiate Conference at Mt. Pleasant, Coach Ockerman's Hurons walloped Central 16 to 1.

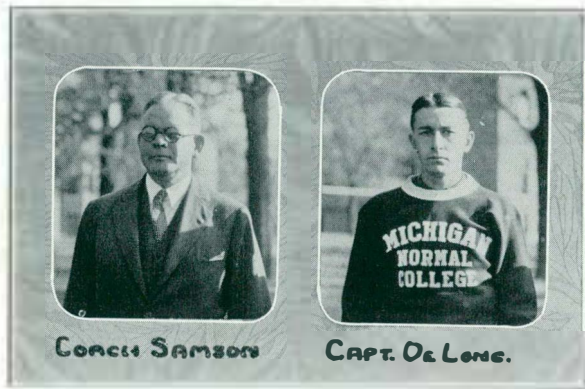

V A R S I T Y T E N N I S S Q U A D

Coach Samson's varsity racquet wielders enjoyed one of the best seasons in the history of the institution. The powerful Huron squad came through for a winning season despite the fact the schedule was tougher than usual. Michigan State College, Detroit City, Central, Oberlin and Hillsdale were among the foes met on the courts.

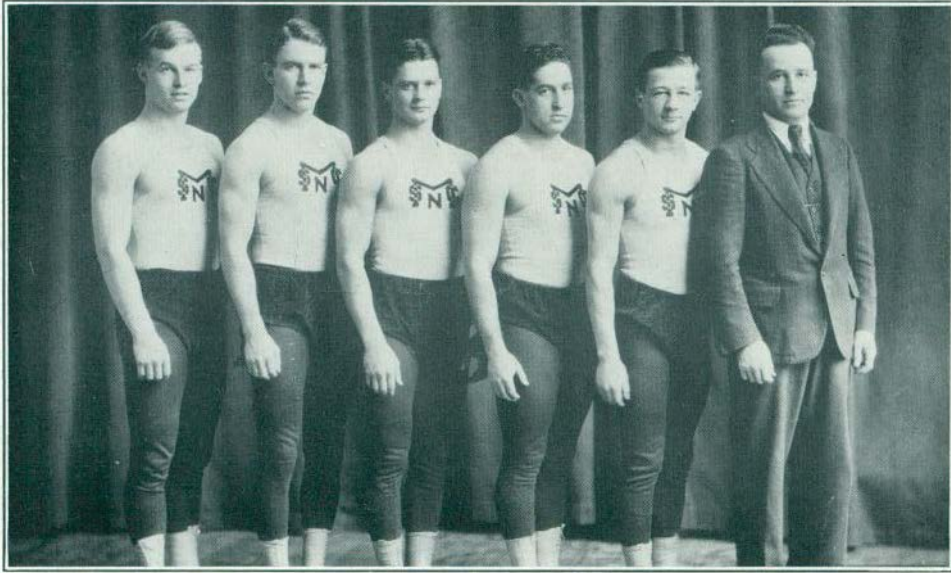

A perfectly balanced squad composed of four veterans and three new men made Normal a ranking state team. Norman Hagen, Frank Arnold, Kenneth DeLong, and Edward Gabel were the lettermen back, while Lewis Carson, Henry Cieslewski, and Howard Weston proved most valuable new additions.

DeLong, Hagen, and Cieslewski, will be lost by graduation while Arnold, Carson, Gabel, Weston, and Richardson return next year.

COACH SAMSON

CAPT. De LONG.

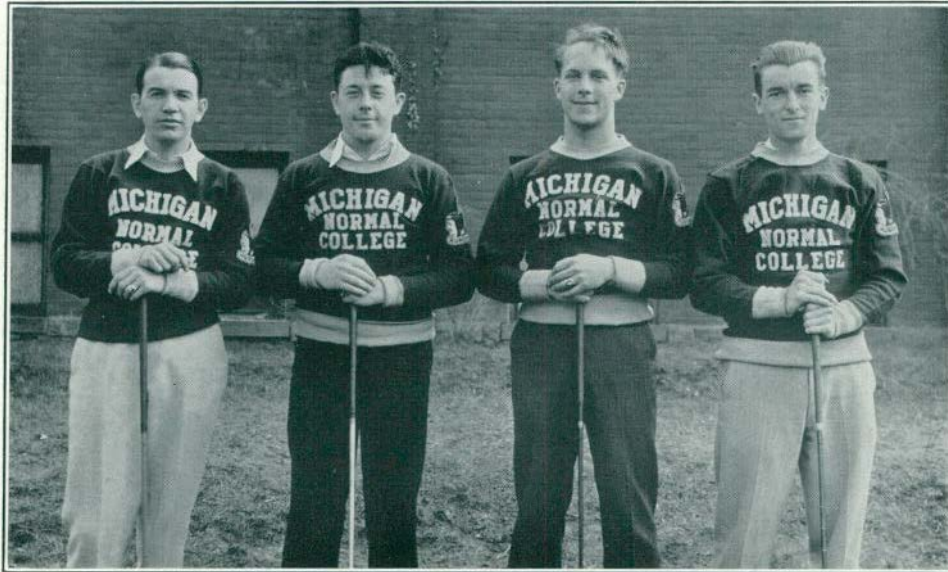

Left to Right— SANDERS, HAWK, SNYDER, GREENLICK, MEYERS, COACH ADRIAN.

VARSITY GYMNASTIC TEAM

The Green and White gymnastic team had another successful season visiting about twenty different cities where the Hurons put on well received exhibitions. During the past ten years the Normal tumblers have traveled and performed in eleven states.

Coach Walter Adrian had back for a nucleus four veterans around which he built his 1931 squad. The lettermen were: James Snyder of Monroe, Norman Meyers of Toledo, Olie Sanders of Lansing, and Gerald Greenlick of Flint. Ralph Spink and Lyle Higgs, both of Bay City, and Ken Hawk of Toledo were the newcomers on the team.

The gymnasts represent Michigan State Normal College in more cities and states than any other athletic team. Among the places visited this season were: Detroit, Jackson, Clinton, Coldwater, Hillsdale, Onsted, Three Rivers, Fostoria, Ohio; Rochester, Birmingham, Saline. During spring vacation the Hurons made a trip through Ohio, Pennsylvania, and New York visiting a large number of cities and towns.

June 6	Detroit City College at Detroit

Michigan Normal's first varsity golf team opened the season by defeating Detroit City College $9\frac{1}{2}$ to $8\frac{1}{2}$. A tough schedule confronts the mashie wielders, and the Michigan Collegiate Conference championship is their goal.

The team is built around three men: Howard Leach, Charles Gregory, and Robert Dunlop. These players carry the brunt of the Huron's attack. The other position is more or less of a fight between several men, with Krecke, Carson and Budd leading the aspirants.

There is a fine array of talented freshmen who will make strong bids for positions another year on the varsity.

SURVEY OF ATHLETICS

The 1930 varsity football eleven was one of the finest in the history of the school, losing only to the University of Michigan in a hard battle. The Hurons romped through for another conference championship, completely outclassing Western State here on homecoming day. They finished the season by tripping Notre Dame B and Iowa State Teachers' College.

Normal's cross country squad copped their seventh straight state intercollegiate crown and fourth straight conference title. The Hurons added the Central intercollegiate championship to their long string of victories.

After starting the season in an unimpressive manner, the Green and White basketeers staged a rally to cop the runnerup berth in the conference and conquer Western's champions 32 to 28 on the home court.

Michigan Normal's track team added many honors during the indoor season, the feature being an overwhelming victory over Western State 69 2-3 to 25 1-3. On the cinders the Hurons continued their winning ways.

The co-champions of the M. C. C. are facing one of the biggest baseball cards ever to confront a Normal nine. The high calibre of the material available and the fight being shown by the members of the team indicates the season will be a big success.

A strong, well-balanced tennis team gives the Hurons one of the ranking state college teams. The season is the most successful in many years.

The first varsity golf team is a highly formidable machine and is enjoying a good season.

The tumbling team visited a great many towns and cities during the winter term and were very well received in all. Their work was of a high calibre.

FRESHMAN ATHLETICS

FRESHMAN FOOTBALL SQUAD

The Michigan Normal's freshman football squad of 1930 was one of the strongest in the history of the institution. An exceptionally large number of yearling gridiron hopefuls answered Coach Ken Morrow's call early in the fall, and from this group, the former varsity star selected a crack squad of twenty-five men. The frosh eleven was a fast, scrappy aggregation winning two out of three games played. Their best performance of the season was against the Michigan State College yearlings on homecoming day. The Hurons romped off with a 25 to 7 victory.

Outstanding among the Green and White pigskin chasers who should make strong bids for varsity berths in the fall are: Rockwell, Janner, Bugajewski, Batterson, Herman, Gruber, Reilly, Parker, and Galeski.

FRESHMAN CROSS COUNTRY SQUAD

The yearling harrier squad of 1930 was a fast stepping aggregation. The first year men went through the season undefeated in dual competition and took second place in the Michigan A. A. U. five mile run. Coach George Marshall's Green and White thinclads were forced to the limit in several encounters but always came out in front. The team was a very well-balanced outfit, with Karl Kahler, Erwin Foster, and Walter Gibbs being the outstanding performers.

Marshall has made an envious record as yearling cross country mentor. In three years the frosh harriers have kept stride with the varsity thinclads, going through each season undefeated in dual competition. The high calibre of the frosh squad each season gives L. W. Olds, varsity mentor, a goodly supply of timber for his championship teams.

Normal's freshman basketball quintet enjoyed a good year, despite the loss of several of the most promising members of the squad early in the season because of injuries. Coach Raymond Stites put a fast, smooth working machine on to the court for every encounter and the Hurons copped four out of the eight games on their card.

Coach George Marshall has another winning frosh thinclad outfit which enjoyed an unusually fine record indoors and who are certain to continue their string of victories on the cinder paths.

Leading performers include Merrill Hershey, Karl Kahler, Munroe Walton, Fred Dennis, Floyd Pennick, Ray Lowry, Fred Glickert, Walter Gibbs, Erwin Foster, Max Crane, Fred Schotte, and Dean Rockwell.

One of the most promising first year baseball squads in history reported to Coach Stites early in April. Over fifty men answered the frosh mentors call, and from this promising array of material a fine team is being groomed.

Among the outstanding performers are: Quinlan Batterson, Cohan, Packard, Hanes, and Galeske. These men along with many others will be valuable additions to the varsity another year.

FRESHMAN TENNIS

Several promising yearlings reported to Ken DeLong, frosh tennis coach, early in April to bid for places on the first year net aggregation. Some of the aspirants may develop into varsity timber by next spring, when three members of this year's varsity will be missing.

The prospects for a winning season are bright with Soule, Hawn, and Wolfe forming the nucleus of the team. Other men of promise are also reporting for practice.

Meets with the freshman teams of Detroit City College and Michigan State College are on the schedule.

FRESHMAN ATHLETIC SUMMARY

Michigan Normal freshman athletic teams for 1930-1931 are the best the school has ever boasted. A number of yearlings are enrolled in the college who are sure to prove most valuable varsity timber in every sport.

The frosh football team was a strong unit and a number of men are in line for positions on Rynie's varsity football eleven. The cross country and basketball teams were just as outstanding.

Baseball, track, and tennis teams this spring reveal more valuable material for coming Huron aggregations.

The best thing to take when one is run down is the license number.

Joe Bradley—"Are you going to wear a fur coat to the Hop tonite?"
George Muellich—"I didn't know we pledged one!"

Many an alley cat can look at a fur coat and say, "There goes Papa."

They sat whispering in the library.
Who? Why, he and she.
They pretend to be studying in the library.
What? Why, he zoology, and he psychology.
But are they studying in the library?
Sure they are: he, she; and she, he.

Anne Merriman—"We are getting up a raffle for a poor old man, won't you buy a ticket?"
Carolyn Carlson—"Merely no! What would I do with him if I won him?"

Prof—"I'll give you a Bluebook tomorrow. Don't be surprised if I ask for dates."
Jane Bachman—"Don't think you'll get one from me!"

Professor Pray—"What was the former ruler of Russia called?"
Class (in unison)—"Czar."
Professor Pray—"Correct, and what was his wife called?"
Class—"Czarina."
Professor Pray—"And what were the Czar's children called?"
Carol Copeland—"Czardines."

Waiter in Greystone—"Yes, we are very up-to-date. Everything is cooked by electricity."
Norman Hagen—"I wonder if you would mind giving this steak another shock?"

Merlin Wolfe (visiting a farm)—"What's that funny stuff on that sheep?"
Farmer—"Wool."
Wolfe—"Huh! I'll bet it is half cotton."

THE AURORA

Did you know what happened when Margaret Lewis wrote home that she had three cuts? She received a First Aid kit by return mail.

Professor Reninger—"I have went." That is wrong, isn't it?"
Jimmie Anderson—"Yes, sir."
Professor Reninger—"Why is it wrong?"
Jimmie—"Because you ain't went yet."

Found on Dick Robb's registration card: "Name of parents—Papa and Mamma."

Salesman in Fletcher's—"These shirts simply laugh at the laundry, sir."
Earl Studt—"I know it! I had some come back with their sides split."

We all have our crowded hours, but we ought to be thankful that we can die without standing in line.

Evelyn Gillson—"Don't embarrass me again as you did at the Yule Log Drag. Your handkerchief hung out from under your coat all evening."
Ward Parr—"You don't need to be embarrassed, that was only my shirt."

"Oh, you just kill me," lisped the condemned prisoner to the executioner.

Harold Layman—"This meat is salty."
Waiter—"S'tough."
Harold—"Tough and salty."

And then there is Scotch asparagus—without tips.

Ruth Poole—"Joe is one of these mawkish lover."
Jennie Pietrezak—"Why is that?"
Ruth Poole—"He always says, 'Just one mawkish and then we'll part'."

The mother who used to put a candle in the window to guide her wandering son now turns on the floodlights at the landing field.

Speaker in assembly—"Allow me before I close to repeat the words of the immortal Webster—"
Kathryn Merry—"Let's get out of here girls, he's going to start on the dictionary."

THE AURORA

We owe a great deal to chemistry, for instance, we owe a great many of our blondes.

Jimmie McLaughlin—"The radio will never take the place of newspaper."
Burdette Peeble—"Why?"
Jimmie—"You can't start a fire with a radio set."

Cecil Beglinger—"That bus driver glared at me as if I hadn't paid my fare."
Harriet Adams—"And what did you do?"
Cecil—"I glared right back as if I had."

Ruth rode in my new Chevrolet
In the rumble seat behind me—
I hit a bump at fifty-five,
And rode on Ruthlessly.

"Ah! What a piteous spectacle!" cried the Englishman as his monocle crashed to the sidewalk.

Bob Waters—"It took eight sittings."
Kathleen Bell—"What? Had your picture taken?"
Bob—"No, learned to skate."

Helen Dietz—"Want to go on a sleighing party?"
Evelyn Erickson—"Who are we going to slay?"

Bertine Clark—"We bought a Rembrandt when we were in Europe last year."
Frances LeForge—"Really? How charming! What horse power?"

When Charlotte Brown was doing her teaching she wrote on the board, "PLEASE WASH", and the janitor took his bath before Saturday.

“Are what?”
“Generally speaking.”

“I am sorry,” said the dentist, “but you cannot have an appointment this afternoon. I have eighteen cavities to fill.” And he picked up his golf-bag and went out.

Gladys Atwell—“Why the rope around your finger?”
Pauline Stevenson—“My roommate put it there so I’d remember to mail her letter.”
Gladys Atwell—“Did you mail it?”
Pauline—“No. She forgot to give it to me.”

Maybelle Stroupe—“How did you like Venice?”
Nancy Ford—“I stayed only a few day. The place was flooded.”

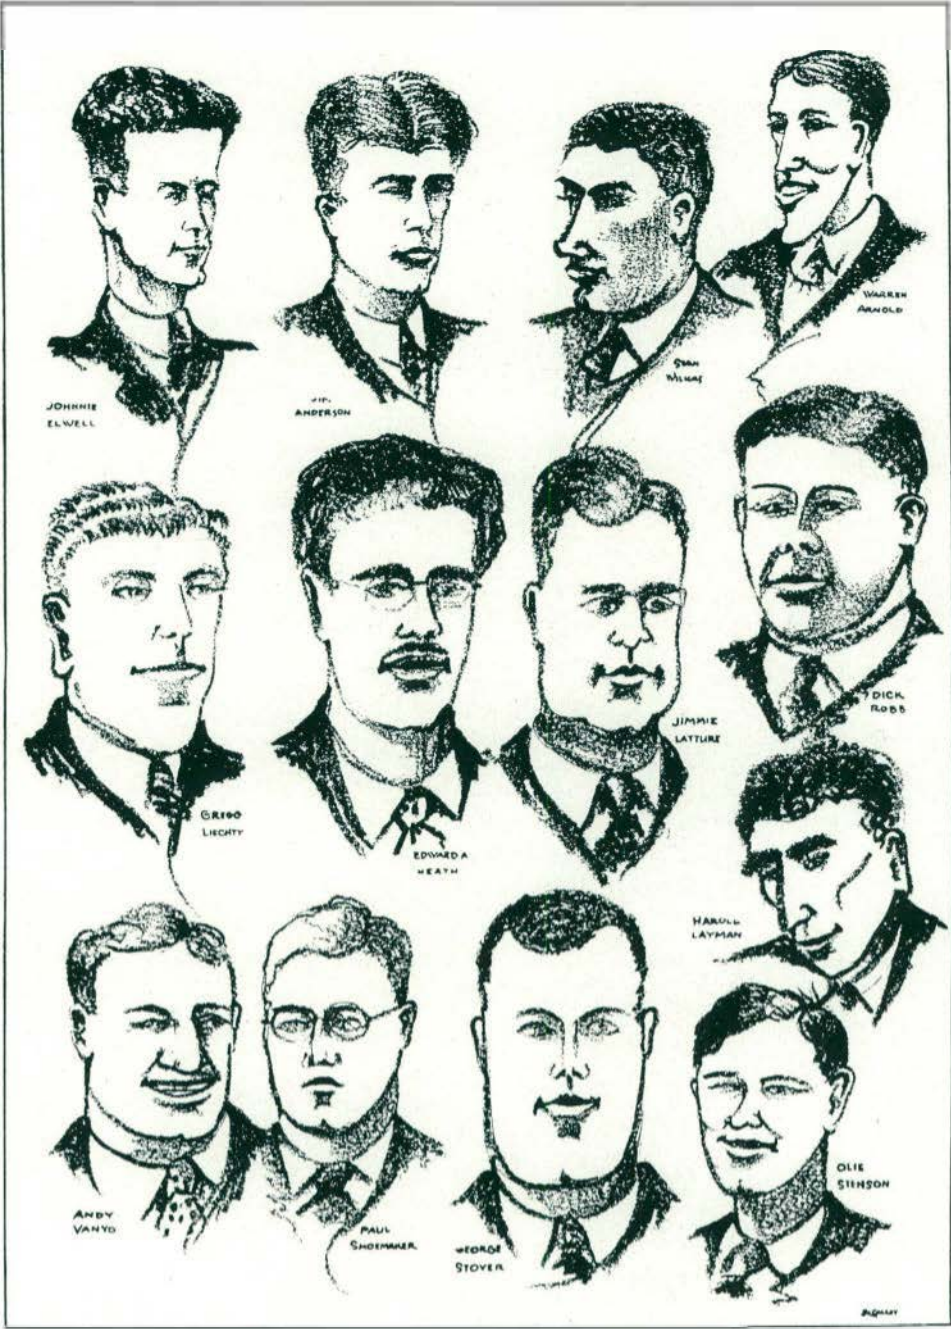

“Do you wish the court to understand that you refuse to renew your dog license?”
“Yes, your worship, but—”
“We want no ‘buts’. You will be fined. You know the license has expired.”
“Yes, and so has the dog.”

Kappa Mu—“But why did you buy a dachshund for the sorority?”
Alpha Mu—“So we can all pet him at once.”

Miss Sill—“Name five animals of the frigid zone.”
Martha Dana—“Four polar bears and one seal.”

A goat ate all our other jokes
And then began to run;
And said, “I fear I cannot stop,
For I’m too full of fun.”

SEPTEMBER

The verdant Frosh stronger than ever crop out on the campus again.

We survive the classification stampede after such a battle feel equal to anything until the next one.

We see a great game at Ann Arbor. 'Yes, Patricia, Listerine will help that hoarse throat of yours.'

OCTOBER

Co-eds have a genuine reason for rejoicing. Dates any night—and hall books show a decrease of library sign-outs.

The Big Week End—Home-Coming! That theatre rush almost surpassed classification squeeze. The parade sharpened our appetites for Western State and the Stoic hot-dogs, and we do away splendidly with both.

Normal News office acquired a homey atmosphere with gaily tinted lampshades a la Kresge. Really, Joe, you should go in for interior decorating.

NOVEMBER

Our dreams begin to come true—the grounds for New Union Building is broken.

Amazing that Campus Statistician—now he's telling us how spick and span we are since we use approximately 32,000 ounces of liquid soap a year.

And lest we forget—that Thanksgiving Turkey and mother's punkin' pie.
