COLLEGE BUILDERS
BUILDERS OF PURPOSE
BUILDERS OF FAME
BUILDERS OF TRADITIONS
BUILDERS OF MEMORIES

F ● H E W ● H D

To the Class of 1932 we offer the Alumni edition of the Aurora. We have attempted to trace through the years the growth of Michigan State Normal College, of its Buildings and Spirit. If our book is a success, it will show you the real college. We only ask of you that you will read it with a kindly eye and try to find our purpose revealed in it.

HUMOR

BUILT 1852—

ADDITIONS 1859, 1860, 1878, 1879

Established through the efforts of the Honorable John Davies Pierce, First Superintendent of Public Instruction of Michigan, Organizer of the Educational System of Michigan—built for the purpose of providing a place for students and teachers to hold classes, chapel exercises, and to study in—built by human beings, the “old building” itself has become a builder of human lives in their traditions, ideals and hopes.

P ERCE FALL

BUILT 1894—ADDITION 1913

In the days when the ideas of architecture still centered around strongholds, the gymnasium of M. S. N. C. was built. Since then it has been the stronghold of our athletes, a laboratory for the purpose of devising ways of strengthening and beautifying the human body, and a place in which the body and mind may be coördinated. From the attic of the tower, reminiscent of old methods and old ideas, to the newest trophy won, it is possible to feel the ideal and purpose which has been behind it all—to make stronger and better men and women.

GYMNASIUM

BUILT 1895

Starkweather Hall, a gift to the Normal College, has furnished scope for the expression of the religious life of the students of M. S. N. C. Volunteers for religious work have received their inspiration here and students have carried into their work as teachers the ideals formed within these walls. Social leadership has here developed, along with broadness of thought and fellowship with one's associates.

STARKWEATHER

BUILT 1897—ADDITION 1901

The land for this building was presented to the state by the city of Ypsilanti. The building was at first called the "Model School", and its purpose was to provide grades for experimental work in practice teaching. Michigan was the third state in the Union to establish an institution for the training of teachers. This was in accordance with the ideas of John Pierce who said, "What we need is a perfect school system; not perfect in degree but in kind; a system adapted in all its parts to the wants of a great and flourishing republic."

WELCH HALL

BUILT 1904

Contact between the realm of physical force and that of beneficent nature are made in this—The Science Hall. Perhaps, as no other building, the need for this separate housing of the sciences showed the steady increase in popularity and enrollment, which has been true of M. S. N. C. for more than a quarter of a century. This building also affords the observatory, from which a look at most of the “campus stars” as well as the heavenly stars, can be gained.

SCIENCE BUILDING

BUILT 1916

Pease Auditorium replaces the old Conservatory of Music, upon whose site the Administration Building now stands—dedicated to the memory of Dr. Pease, the director of the old “Conservatory”, which was organized in 1881, and for thirty-seven years was held in the Model Training School (Welch Hall). Today the old Chapel of third-story-Pierce-Hall-fame has merged into the Assembly, held weekly in the Auditorium of the modern “Home of Music.”

PEASE AUDITORIUM

BUILT 1918

Planning, judging, starting, and stopping, keeping in smooth running order the machinery of every day life, the personnel of the administration building directs events in the lives of many people. Without this building and the work it does for us, our days would be chaotic and disturbed. As the axis around which our whole college life revolves, the administration building stands, dedicated to service.

ADMINISTRATION BUILDING

BUILT 1929-30

It's a far cry from the days of the old library, housed on the first floor of Pierce Hall, to that of the beautiful new building first used in the spring term of 1930. Modern in every detail, it invites the "learner" into the "Halls of Wisdom", and furnishes him with books, periodicals, and current newspapers, combined with efficient service and quiet hours. Pride in the new structure is common on the campus, but tender memories of the old will not be soon effaced.

LIBRARY

BUILT 1931

An addition of beauty and grace to our campus is Charles McKenny Hall, filling a great need in the lives of our students and faculty. Here our education is made complete, social education being added to our academic education. Here is the centre of our social life—dancing, games, receptions, teas, all that add to the joy and gayety of college life. Charles McKenny Hall is named for Prexy, friend and advisor to each of us.

CHARLES MCKENNY HALL

Come up this graceful stairway, up to
gayety, joy, youth, the dance; to hear our
orchestra charm with soft melodies and in-
spiring symphonies; up, up to the centre of
our social life.

STAIRWAY

Here, in an atmosphere of culture and refinement, our most formal affairs are held. Here we find our sorority initiations, receptions, and high teas taking place. In this room we seek and find friendliness in an aristocratic atmosphere; social ease in formal society; and beauty in the surroundings.

FORMAL LOUNGE

Soft harmony, comfort, ease, all of these welcome in this—the Alumni Lounge. Hospitality abounds and that strong feeling of good fellowship is ever present. One gaze invites one to an easy chair and to dreams of the past before an open fire.

SENIOR CLASS HISTORY

In the fall of 1928, seven hundred fresh but very sophisticated Freshmen enrolled in M. S. N. C. On their tuition they discovered an extra three dollars and seventy-five cents. An outrage! These keen people were not to be so swindled. They made careful investigation. Their discovery was a neatly printed notice to the effect that the three dollars and seventy-five cents was being collected for the Union building fund. This amount was to total ten dollars a year, which was to be applied to a life-membership in the Alumni Association. "Union building? What Union building?"

"Oh, one to be built in the future? When so much money has been collected? Uh, that looks like a graft!" And they scratched their heads and tried to look wise.

Ah, but here—"at the end of two weeks the money would be refunded to those who so wished it." As a great concession, the Freshmen decided to pay their tuition, but in a week—"Well, why pay for something you'll never use?" These Freshmen were thrifty.

That week those Freshmen were introduced to assemblies, and again this interesting "Union" dream. After Prexie's explanation, Herbie's history, and Eddie's fire, seven hundred Freshmen scratched their heads again and concentrated. At last, three hundred decided that this wasn't such a bad idea. Such a building would be great; other people would enjoy it. They'd contribute. These Frosh were generous.

That question settled, these young executives turned to the important matter of class officers. A lanky, pleasant, young fellow from Tennessee caught their fancy. Under his leadership they had a Freshman Frolic—the last of such functions. Really, that old west gym looked like a gay carnival with all those balloons. And the favors? Address books, with a M. S. N. C. stamp on their gold covers.

As sophomores they saved their money and gave two thousand dollars to that dream—the Union building. Since the dream was becoming more of a reality every day, they were determined to do their best. They of '32 backed the cause.

And then, these same people were Juniors, and Joe was again President. They knew a good thing when they saw it. And that dream? Almost a realization, with the site selected, the ground broken, and the corner stone laid! And there was the "J-Hop," the best and the last ever to be held at the Armory.

Now Seniors, and the dream complete. There it stood, "Our Charles McKenny Hall," but even more spacious, more beautiful than the wildest dream. Little did those Frosh of '28 realize that theirs would be the privilege to use this building for a whole year. Little will the Frosh-to-come realize what a privilege theirs is, but they who saw it as a far-off dream, saw the labor and the plans, the development and completion; they realize.

This spring over two hundred of those 1928 Frosh are to receive life-memberships in the Alumni Association; and this means that Charles McKenny Hall is their official campus home. This, because they saw a good thing and stood by it.

SENIOR FORMAL DINNER DANCE

During the winter term the Senior class decided to have a Formal Dinner Dance in the Spring term. This was to be the only strictly formal affair given by the Senior class and plans were made in the hopes of starting a new campus tradition. Competent committees were appointed; the date was set, and everything ran along as it should.

On April fifteenth, we Seniors held this very successful affair in Charles McKenny ballroom. Over four hundred people attended the banquet, and were served a delicious meal by a specially trained corps of boys to the tunes of "The Chubb House Band." After the meal, the speakers' table served several choice morsels of nothingness, humor and good sense. The toastmaster, the well-known Tip Whaling, introduced each speaker with an adequate bit of personal history—or so we were given to understand. Gregg Liechty gave us a standing example of his topic "Humble but Hopeful." Dr. Metcalf defined his topic, "Frills and Furnishings" and proceeded to apply it to the brain as all good psychologists should. However, President McKenny informed us that his topic "Bigger and Better" had been given him just so Tip might pull off his favorite story. After that, he entertained us by reading some of his own poetry, which added to our education as well as our enjoyment, for many of us were unaware of the fact that our president was interested in poetry. After Marion Gooding had entertained us with a piano solo, Charles Hill led us in a pleasing little ditty composed by the song committee. There are some who might say, this was done with Charles' usual "gusto."

Having digested all that had been offered, we quit the ballroom for the lounges. However, in a very short time the tables had been cleared away, and "The Chubb House Band" began in earnest. Everything was perfect for an evening of dancing, and by special permission we were allowed to enjoy it until 12:30. Two small juveniles were a novelty—and "darn game kids" at that.

In behalf of the Senior class and for the benefit of those to come, let us say that this is an event that should be made a tradition. Michigan State Normal College needs one strictly formal affair given by the Seniors, in order to maintain class prestige. We of '32 have made a successful start, and those who fail to continue this affair are breaking faith with us, as well as missing a good time.

Top Row—R. SPINK, R. DUNLOP, W. DWYER, S. WILKAS, P. STARK, L. TWORK, A. MORTON, R. BROWN, J. STINSON, J. BRADLEY, C. WHALING, R. HAMBY, G. PARHAM, L. APRILL, G. LIECHTY.
Bottom Row—T. JONES, A. MCTAVISH, K. EVANS, B. GATZKE, H. SOX, L. ENTEMANN, S. ANDERSON.

JUNIOR CLASS HISTORY

CARL WOOD	<i>President</i>
ELIZABETH KELLER	<i>Vice-President</i>
JUNE GESELL	<i>Secretary</i>
KENNETH SIMMONS	<i>Treasurer</i>

Three years of comradeship, study, and play have made us a group of ultra-sophisticated Juniors, students who are actively interested in the life on our campus. For our leaders in this our most socially prominent year on the campus, we chose two co-eds, prominent socially and scholastically, Elizabeth Keller and June Gezell, vice-president and secretary, respectively, and two men both well known through their athletic achievements, Carl Wood, president, and Kenneth Simmons, treasurer.

The outstanding social event of this year was of course the annual J-Hop on March 12, under the direction of Ben Wright. On May 4, the Juniors held a Spring Mixer. This was probably to be our last social gathering as a group.

The Junior class has been outstanding in giving to our campus good leaders as well as fine students. This year the Junior women made Euthalia a flourishing organization; while Junior men took active part in the work of Men's Union.

THE J - H O P O F 1 9 3 2

The Juniors held their annual promenade, the supreme social event of the year, on March 12 in the beautiful ballroom of Charles McKenny Hall. Amid colorful decorations the class of '33 celebrated its advent as Juniors. This was the first J-Hop to be held in Charles McKenny Hall, another attraction which made this an outstanding J-Hop.

The ballroom was especially attractive with the front of the stage banked with palms and ferns, while a red and gold insignia covered the back wall. Downstairs the cafeteria and the private dining room were transformed into a cabaret, with gay red-checked tableclothes, while proverbial bar attendants wended their way among crowded tables. The cabaret was dimly lit by candles pushed into beer bottles.

Entertainment was provided in the usual cabaret style, a Negro orchestra, a blue singer and a tap dancer so charmed the couples that it was necessary to raid the cabaret in order to clear it for the next delegation from the ballroom.

The Grand March was led by Carl Wood, president, and Laura Hunt, Ben Wright, general chairman, and Margaret Schultz. Richard Hodges as chairman of the floor committee directed the March. The leaders were followed by class officers, faculty, committee chairmen, and members of committees.

President and Mrs. McKenny, Dean Jones, Dean and Mrs. Brown, Mrs. Burton, Registrar and Mrs. Steimle, Dr. and Mrs. Sanders, Mr. and Mrs. Olds, and Mr. and Mrs. Stahl were faculty in attendance.

In the gay enticing music of Jack McGay's eleven piece Boat Club Band couples danced happily until one o'clock, and then another J-Hop was over.

SOPHOMORE CLASS

During the latter part of our Freshman year, we, the class of 1934 found the weather warm and dry. In fact so much so that all of the greenness had vanished from us and that by the time we entered into the Sophomore class we felt rather well seasoned to our environment.

As weather protectorates for our Sophomore class we elected Fred Keppen as chief protector, Ione Randels as assistant protector and Ralph Steffek as keeper of the storms.

At the beginning of our Sophomore year we were confronted by a light whirlwind in the annual Freshmen and Sophomore games. However, in the midst of the chaos, the Freshmen became so demolished that the sun shone down upon us for the first time since 1927.

On January 14, we gave a Sophomore mixer, or should we say "College Mixer", where to the accompaniment of clashing cymbals and jazzaphony, everyone danced happily, including many of our elders and a few of the Freshmen who managed to survive from the cyclone.

The greatest party of the year was the Sophomore Prom, which was given on the evening of May 20. This was the first time in history that the Sophomores have ever participated in any thing of this sort.

As we leave the Sophomore class, we feel quite competent in meeting any of the storms of life which we may encounter in the years to come.

SOPHOMORE SPRING SWIRL

The Sophomore Spring Swirl will live in the memory of every Sophomore who attended that gay party on the evening of May 20. No one could help but enjoy swaying to the rhapsodic syncopations of blue-noted harmonies by Benny Kyte and his orchestra.

The President, Fred Keppen, appointed many able members to assist him in making the party a success. Those on the ticket committee were Sam Skeen, Kenny Chalmers, Kenneth Gust, Edmund Shuart, Doris McDowell, Elizabeth Sparks and Jean Moffet. The Floor committee consisted of Bill McFall, Floyd Lockwood, Robert Wallace, Dorothy Dean, Beatrice Keusch and William Haines. The Publicity committee with Doris Mason, Claudine Steffek, Thomas Lorenz, Andrew Cherpes, Fritz Wood, and Bessie Schoonover decorated the halls for a few weeks with many clever posters and signs concerning the Swirl. The Music committee consisted of Jack Stevens, Magdalena Sloomweg, Ramsey Wardrop, Maxine Herrick, Max Williamson, and Allison Lilly who were very fortunate in being able to secure Benny Kyte's Band for the occasion. The attractive programs were obtained by Katherine Brady, Clarence Illi, Reginald Davis, Clayton Fraser and Mary House. The Decoration committee consisted of Sam Vasiu, Marjorie Skelly, Carolyn Stamler, Glen Haidt, Charles Sabadash and James Mathe-son.

Owing to the success of that party we hope that it will remain as a tradition among the Sophomores in the years to come.

IN MEMORY
OF
MISS GENEVIEVE M. WALTON

Head Librarian

MICHIGAN STATE NORMAL COLLEGE LIBRARY

1892-1932

“To the librarian the grace of humility is so constantly pressed home through the futile endeavors to meet demands for help in the great realm of knowledge, that I bring to you afresh this word of reading for fun, with Real books, and of living joyfully as well as humbly in this Kingdom of which we hold the key.”

(Excerpt, and closing paragraph from “Real Books—Reading for Fun,” written by Miss G. M. Walton, and published in the May-June 1925 number of the Michigan Library Bulletin.)

FRESHMAN CLASS HISTORY

Most upper-classmen look upon the Freshman class as being a combination of green pots, homesickness and girlish giggles. It may be a revelation to some of those who have forgotten their own Freshman days to know that the present youngest class on the campus is an organized body with executives. Early in the fall Rudolph McCullough was elected President; Cora May Dwelle, Vice-President; and Mary Claire Rice, Secretary-Treasurer. The Judiciary Board of the Women's League chose Mary Claire Rice as member from the Freshman class, and Roger Brown was chosen to represent the Freshman men on the Executive Board of the Men's Union.

The social year for Freshmen began with Freshman Week. Teas, receptions, dutch treats, and a theatre rush helped start the year off. The first All-College Mixer served to acquaint Freshmen with the upper-classmen. Of course, the Freshman class was well represented at the weekly All-College parties during the year, but its members decided, during the winter term, to stage a Frolic of their own some time in the spring. Plans are well under way, and if we can believe some of what we hear, it bids fair to climax the social year for the "Freshies".

An outstanding quality of the class of '35 is its pep. Because we feel so much college spirit ourselves, we wish to promote this feeling throughout the entire student body. Led by Bob Arnold, the class organized a cheering squad. Goldie Baker, Geraldine Goldsmith, and Mary Claire Rice were selected as song leaders and were outfitted with green and white costumes. Bob Arnold, Gerald Scheffler, Dick Mahard, and Orlie Ward were outfitted for yell leaders. Then the lung power of the rest of the class was thoroughly demonstrated. Although the pep

campaign is still in its infancy, we hope it will increase in volume as the class gains wisdom.

Not only has our class helped to add support to the efforts of Normal's varsity teams by cheering the games along, but it has also contributed fresh young men to the teams which have been able to constantly prove our school's claim of effective athletic education. Because of this belief that this Normal College can offer the best in instruction, both scholastic and athletic, some of the State's and the Nation's finest young men are here as Freshmen of our Alma Mater.

Throughout this, our first college year, we Freshmen have been responsible to the Sophomores for much of our education and a great deal of our discipline. Before even going to classes, we had done our share of the "wearing of the green". In some of the days that followed we began to think that we were getting the upper hand, but the greatly outnumbered Sophs were able to put us in our places once more when they triumphed in the class games of October 12. Since then, although we have suffered defeats at the hands of a group of Sophs who have learned their college spirit almost too well, the interclass games have shown the interesting point that the two lower classes have been winning out in athletics, at least, over the more studious Juniors and Seniors.

In our association with fraternities, (and some of us joined them), sororities, clubs, staffs, parties, sports, debating, assemblies, and the numerous other facilities, such as McKenny Hall, that have enabled us to make whatever friends we pleased, do what we would, and study when we cared to, we have come face to face with that spirit of being put "on our own" that is characteristic of every college. Those Freshmen who have been unable to carry on under this strain have gone their different ways by now. But we, the living, must look forward.

The day of cap coronation is gradually assuming the place of a pleasant memory, and we "Freshies" have a feeling that cap night, when we declare ourselves free from Sophomore rule, is all too near. Almost too soon we will be Sophomores ourselves. Then we will shoulder a new responsibility. Only as we have this year learned our proper humiliation can we conduct ourselves with modesty in that commanding position—Sophomores!

TO THE ALUMNI

O Alma Mater, what has made thee great?
Who added fame and prestige to thy name?
Shall we these walls and roofs commemorate?
This mortar or this plaster here acclaim?
The structures crumble and decay with time;
For they are but an empty shell. The force
That makes thee great is ever in its prime;
It carries on, still holding to its course.
Oh it is to you, alumni friends, who make
Our college great: who by each gift and deed
And project undertaken for her sake—
McKenny Hall and Hall of Fame—exceed
Her greatest wish. And so to you, we look
With praise, and here record it in our book.

THE FACES OF LONG AGO

As I sit by the fireside dreaming
Of friends I used to know,
Fancy forms in the glowing embers
The faces of long ago. .

One by one they are slowly fashioned,
And as they slowly fade away
As the afterglow of the sunset
Or the flush of the dawning day.

There are faces among the number
That are strong with a purpose true;
There are others sweet with beauty
Of the spirit shining through.

There are faces that tell of patience
Amid trial and longing and pain,—
A minor chord completing
The harmony of the strain.

There are others bright with hope
That is centered in things above,—
Faces of rarest beauty
Illumed with the light of love.

From the shadowy realms of mem'ry
They visit me once more,
And I feel the inspiration
They gave in the days of Yore.

In the glorious reunion
That soon will come, I know
I shall find among the angels
The faces of long ago.

In Memoriam

To them, from whom we have been wrested
They tread in the path we must follow,
Who, going, leave memories fragrant
That linger, still cherished, among us
The blessing of God be upon them
For their tribulations are finished.

HISTORY OF THE ALUMNI ASSOCIATION

The Alumni Association of the Michigan State Normal College was organized a number of years ago for the purpose of cementing the friendships formed in the college days, and for the purpose of maintaining a bond between the college and its former students.

At first the organization was informal in character. As years passed by, there was a growing feeling that a closer organization was desirable, in order to secure concerted action on the part of the Alumni and in matters affecting the Normal College. Consequently, in January, 1926, the Association was reorganized on a more substantial basis and was incorporated under the laws of Michigan.

Under the new plan, the direction of the affairs of the Association is vested in a Board of Directors, of nine members, chosen by members of the alumni at the annual meeting in June. Since the time of the reorganization, the alumni files have been brought and kept up to date. At present there are approximately 20,000 names and addresses of graduates of the Normal College on file in the Alumni office of McKenny Hall. In addition to this, a record of graduates of each class is kept.

As time goes on, it is hoped that all classes will effect an organization through which the class members may keep in touch with each other throughout the years after college life. The alumni office is glad to maintain the files and do the clerical work for these class organizations.

The alumni of the Normal College have an enviable record in the fields of education, science, professions, and public service. They are represented in over seventy-five of the university and college faculties throughout the country.

The alumni also play an important part in the supervision of public education. The Superintendent of Public Instruction in the State of Michigan is an alumnus. Women graduates have held the same position in the states of Idaho and Washington. Alumni direct the school systems of Milwaukee, Detroit, and Grand Rapids; and in several other major cities of Michigan, either the superintendent or the assistant superintendent graduated from the college.

Alumni of the college have maintained distinction in the field of science. The head of the Mt. Wilson Observatory, the outstanding astronomer of the country, is a Normal College graduate. Probably the most eminent geographer in the country, the director of the American Geographical Society, as well as five of the 110 members of the honorary body of the Association of American Geographers, are alumni.

Our alumni are represented in the Department of Agriculture of the United States, in the Bureau of Standards at Washington, D. C., and in the Rockefeller Institute. The National Biscuit Company, Swift and Company, the Chrysler, and Studebaker corporations, also, have positions filled by representatives of the college. Alumni of the college have been prominent in the professions: law, medicine, engineering, journalism, politics, and missionary work.

The organization of the Alumni Association has placed it in a position to render constant service to the Normal College, and to greater numbers of alumni. A message or a request concerning alumni, addressed to the Executive Secretary of the Alumni Association, Michigan State Normal College, will be given prompt attention.

Pi Kappa Delta, which originated at Ottawa University, Kansas, and Ripon College, Wisconsin, in 1913, now numbers one hundred forty chapters, located in all sections of the country. It is the largest honor forensic fraternity in the United States. Its purpose is to encourage public speaking in the colleges, by extending formal recognition to those students who obtain an unusual excellence.

The Michigan Epsilon Chapter was installed on the local campus in June, 1921. Only those students whose platform proficiency is such that they are chosen to participate in inter-college debates or oratory are eligible to membership.

Professor F. B. McKay was the representative for the chapter at the national convention held in Tulsa, Oklahoma on March 28 to April 1, and was given charge of the Women's Oratorical contest for the convention. Professor H. Dana Hopkins of Heidelberg University, Tiffin, Ohio is president of the national organization for the coming year.

PI CHAPTER

Michigan State Normal College

Installed 1922

Kappa Delta Pi is an international honorary and professional fraternity in education, organized at the University of Illinois in 1909, and incorporated in 1911. The fraternity is composed of eighty-six local chapters, and a Laureate chapter having a membership of twenty-two nationally known educators.

Pi chapter, established in 1922 at the Michigan State Normal College, is one of the two chapters in Michigan. The other is Beta Iota chapter, which was established at the Western State Teachers College at Kalamazoo in 1929.

According to the constitution, "The high purpose of Kappa Delta Pi shall be to encourage in its members a higher degree of consecration to social service in the field of education. To this end it shall maintain the highest educational ideals and foster fellowship, scholarship, and achievement in educational work".

The qualifications for membership in Kappa Delta Pi are full junior standing, general scholarship of a grade in the upper quartile in the institution, the indication that there will be continued interest in the field of education, and the manifestation of desirable social qualities.

The ninth biennial convocation of Kappa Delta Pi was held in Washington, D. C., February 22 and 23, 1932, with representatives from the eighty-six chapters from every part of the United States. Pi chapter sent two delegates, Earl Studt, and Carl Wood, the present and succeeding presidents. At the official convocation dinner which was held in the famous Hall of Nations dining room of the Washington Hotel, William Kilpatrick spoke on the subject, "A Social Program for American Education".

Sigma Delta Psi is a National Honorary Fraternity. It was founded at Indiana University in 1912. At present there are fifty chapters in twenty-four states.

According to the constitution of Sigma Delta Psi, "the object of the society shall be the encouragement of the moral, physical and mental development and training among college students".

The society is open to all male students in our colleges who maintain satisfactory scholarship and who command the respect of their associates as athletes and gentlemen. Heretofore and at present we have stressed physical capacity as the outstanding qualification for eligibility to membership.

The Varsity "Y" Club has been active on Michigan State Normal College Campus for eleven years. It was organized to keep the men who have taken part in Michigan State Normal College Athletics in touch with the athletic activities after they have left college. It is the custom of the "Y" Club to sponsor annual boxing and wrestling tournaments, which have been very successful.

EDITORIAL POLICY:

The Normal News endeavors to publish only such articles as are a credit to individuals and to the college, to give worthy organizations firm and proper support as far as possible, to encourage student thought and to maintain an intelligent, constructive editorial column.

All copy handed in will be judged for publishing by the editors according to its relative news value to the student body.

All copy must be in ink or typewritten, double spaced, written on one side of the paper. The author's name must be on all copy to insure authenticity only. The deadline is Wednesday noon. The editors endeavor to be non-partisan and they will not be responsible for news which they consider late, valueless, or improper.

READ AND PROFIT

Be kind to all dumb animals
And give small birds a crumb.
Be kind to human beings too—
They're sometimes pretty dumb.

To keep up a quarrel
Is simply absurd.
For nobody ever
Has said the last word.

I wish I had a ticket for Siam,
I'm getting pretty bored with where I am—
But when I'm in Siam why all I'll do
Is wish I had a ticket for Peru.

A fish seems very sad to me—
No matter what its trouble
It opens up its mouth to moan
And just emits a bubble.

Though life is most uncertain
I'm sure of this one thing—
Then when I'm in the bathtub
The telephone will ring.

I can't conceal my crimes
I'm really quite distressed
My life's an open book
That ought to be suppressed.

The faults of my friends
Which I freely condone
Are always the ones
Which resemble my own.

The pessimists spread gloom about
They always hold such dreary views—
They should be quarantined I think
So other folks won't catch their views.

During the fiscal year 1931-32 the Men's Union has enjoyed what has been generally regarded as "another great year".

The year has seen the Union sponsor and put across several huge projects, and it is only with a feeling of self-satisfaction that the men look back on the year as the AURORA goes to press. Not only were the hopes of last year's Union carried out but two or three large undertakings were added to the ever growing list of activities. To begin, Michigan Normal's greatest band in many years was under the wing and pushed to the limit by the Union. Never before did the music department receive such enthusiastic response as it did this fall, and never before has such a creditable unit been in evidence at the football games, at the assemblies, etc. Further, a Men's Union Jug was introduced into the annual fall term class games, and as a result the students of the Sophomore and Freshman classes went through a more spirited group of games than they have in

some time—to begin the project the upper class won the token, and it will remain in their possession until the next fall games.

To start off the year with a bang, Scottie Dunlop and several upper-classmen greeted the incoming freshmen as only a typical Men's Union could, and the result was a sweet impression of Michigan Normal and her immediate surroundings. Never before were there more adequate accommodations for this purpose than the gorgeous Union Building afforded; and with the strikingly decorated Men's Union Offices as the headquarters, the first year students were royally welcomed.

As has been the case as long as they have been forced to wear pots, the freshmen openly refused to don their traditional green top notches. However, this situation was easily dealt with by the executive board under the chairmanship of Ralph Spink, who was ably assisted by the board proper. Several unruly frosh were treated for their ailment, and again the result was gratifying.

Two parties have again found their way into the ever expanding social program, and the pair again crowned the school's independent functions. Late in the fall, the Yule Log Drag was again sponsored, and with the theme of last year much in evidence the party was a decided success. Winter came bringing her fraternity and sorority parties, and the Union sat tight to await a breathing spell in the school dance program. This spell did not last forever, and with spring's first coming plans were laid for the Second Annual Spring Breeze. Again the party was a decided success, and as this scribe is forced to close the Union is laying immense plans for its annual cap night and barbeque. Present plans indicate that again blankets and gavels will be awarded the graduating athletes and debaters.

During the year the Union has been under the guidance of Robert Dunlop and he has presented the masculine faction on the campus some bi-monthly entertainment of high caliber. Scottie has been greatly aided by Dean of Men James M. Brown and his officers.

SPEECH ACTIVITIES

The faculty directors for interpretative reading and dramatic activities are Professor Lathers, Associate Professor Stowe, and Associate Professor Edson; those for public speaking activities are Professor McKay and Assistant Professor Wood. Student responsibilities for public speaking contests are carried by the honor forensic society, Pi Kappa Delta, through its Forensic Board: Judson B. Robb, President; Maynard Traviss, Men's Vice-President; Myrtle Kring, Women's Vice-President; Helen Sox, Fraternity Secretary-Treasurer; Benigna Gatzke, Forensic Secretary.

On April 16, 17, 1931, four members of the women's group participated in the Pi Kappa Delta Provincial Tournament at Bowling Green State College—Misses Cutcher, Kring, Osborn and Cookson. They won five and lost four debates.

The official question for the year was: "The United States should offer to participate in the complete cancellation of inter-governmental World War debts, including reparations." Four members of the group also prepared upon the question of immediate independence for India. This year marks our record as to the number of speakers actually participating in intercollege contests. Four old members, Misses Kring, Sox, Gatzke, and Jillson were again in the ranks while no less than eight new members spoke in three or more major point discussions. In order to make this possible, all debates this year were unjudged and were ordinarily followed by a period of forum questioning.

MICHIGAN ORATORICAL LEAGUE CONTESTS

The forty-third annual college oratorical contest was held on December 3, 1931. Anne Merriman, senior, and Charles Hill, senior, were chosen to represent the college in the contests of the Michigan Oratorical League. The Division "A" contest was entertained in Charles McKenny Hall, March 3. Mr. Hill tied for third place, but he was eliminated on percentages; and Miss Merriman was selected to enter the state contest, where she was awarded fourth place. Miss Merriman's subject was "Protest Plus", and was a plea for aggressive participation by college students in world affairs. Mr. Hill's speech, entitled "The Second Decade", was a defense of the present prohibition regime and a plea for the support of enforcement measures.

MICHIGAN INTERCOLLEGIATE PEACE CONTEST

In the state contest of the Michigan Intercollegiate Peace Association, held at Olivet College, January 15, Howard P. Benson with his oration, "America and World Peace", was awarded fourth place among ten contestants. For the first time, the college participated in a state extemporaneous speaking contest, held at Michigan State College, December 3, with Thelma Zantop and Clifton Whaling as our speakers. This proved an excellent experience for our speakers in a rather new field. Though neither was awarded an honor place, Mr. Whaling was chosen to speak in the finals.

INTERPRETATIVE READING CONTEST

In interpretative reading the program has been somewhat changed this year. For the first time the Normal College participated in the National Poetry Reading Festival at Evanston under the auspices of Northwestern University. In order to select delegates to this festival, try-outs were held during the winter term; and the Shakespeare Reading Contest which has ordinarily been given during the winter term was put over into the spring term. The delegates chosen for the national meeting were Elsie Stolzenberg and Paul Keener.

Since the publication of the last AURORA three all-college plays have been given. In June, 1931, Shakespeare's "Midsummer Night's Dream" was under the direction of Professor J. Stuart Lathers and Miss Floy Edson. The first play of the present year was Clare Kummer's farce comedy "Rollo's Wild Oat", directed by Professor Lathers. In the winter term, as a part of the Bicentennial Washington celebration, Percy McKaye's ballad drama "Washington" was presented. The presentation took place February 22, under Miss Edson's direction. The play for the spring term will be under the direction of Miss Marion Stowe.

CHRONOLOGY OF THE HISTORY CLUB

1913—The History Club, first of the departmental clubs, was organized by Professor Carl E. Pray, Sr., for the students majoring in history. The purpose of the club was to arouse interest and develop enthusiasm in the work and to bring members, students, and faculty of the History Department into closer relationship with each other.

1914-1918—The club flourished through the years of the War.

1919—In the fall the club for the first time admitted students who were minor- ing in history. During the year the club studied and discussed many important subjects among which were the "World War" and "Reconstruction Problems".

The History Club had a page in the Aurora for the first time.

1920—The club studied and discussed current events. Experience talks were given by the members who served in the War.

1921—The club devoted its time and attention to the study of "Immigration".

1922—The club studied Colonial Life.

1923—The club studied and discussed Michigan History.

1924—The club sponsored a movie "Man Without A Country" at the Wuerth and earned enough money to purchase several new books and pictures for the History Department.

1925—The History Club attempted to bring before the public historically accurate motion pictures, based on the American Nation Series, put out by the Yale University Press. The club instituted the book exchange idea by estab- lishing a book exchange for history books.

1926—The History club took a boat trip to Port Huron as its annual excursion.

1927—The club studied Medieval History.

1928—The upper-classmen met for Dutch Treats and talks on alternate Thursdays.

1929—Meetings were held twice a month, with a banquet held each term.

1930—Meetings of the club were held bi-monthly with one banquet a year. Members of the club went to see "Journey's End" in Detroit. The club pre- sented an act in the Kollege Kermis.

1931—The club inaugurated the policy of holding mixers.

1932—The club now holds its meetings at Charles McKenny Hall and Roose- velt Gymnasium. The members voted to change the date of meetings from the first and third Thursdays to the first and third Wednesdays of every month. Social meetings alternate with the program meetings.

The purpose of the Trailblazers is to develop group spirit, social ease, ability to speak in public meetings, and such other powers as will prove helpful to teachers in rural service.

All those enrolled in the rural education department may become members, as well as anyone interested in rural affairs.

The organization was formed on the campus in 1920. Recently it became a member of the Country Life Association, an organization of college rural education clubs.

Bi-weekly meetings are held which will aid the members to more efficiently perform their work when they enter rural communities.

The Public School Music Club was organized in 1914 and today takes a worthy place among the other organizations on the campus. Its membership includes the graduate class of each year in public school music education, and the sophomores who are initiated during the fall term of the second year. It is also customary to meet the freshmen socially, thus creating a spirit of good fellowship among all classes of specializing students in the department.

The expansion and changing tendencies in school music, functioning as a vital force in education, gives much of interest for the professional programs which are interspersed with social evenings given bi-monthly by the students.

It is the purpose of the club, through a common interest, to broaden the students' knowledge in the various phases of school music education, to stimulate a professional spirit, and to further social friendship among its members.

The Art Club has been an active organization on the campus for the past twenty-five years or more. During this time it has grown from a very small group to its present membership of fifty-one. The club has carried out many successful projects on the campus during this time. The past year marked the completion of one of the largest and most entertaining exhibits ever held in the gallery. The professors and famous campus figures all had the opportunity of seeing how they looked to the campus caricaturists. The committee in charge of this exhibition under the leadership of Miss Dorothy Schreck, president of the club, is to be complimented on the financial as well as the entertaining success of the project which lasted over a period of a week. The club is planning other projects of this type to raise a scholarship fund for art students of the department.

The meetings of the club are held once a month at the home of one of the professors of the department.

Vitality plus! So runs the password of the Physical Education Club. The Physical Education Club is composed of the teachers and students in the Physical Education Department. It is one of the largest clubs on the campus. Every student and teacher in the department is automatically a member of the club. The object of this organization is to provide educational and social opportunities throughout the college year.

The official publication of the department is the "Javelin." It is published for the purpose of giving the alumni news of the department. Three issues of the "Javelin" are published during the school year.

The bi-annual circus put on by the club since 1921 was this year a financial and organizational success. The Russian dance was a very colorful attraction to the Normal Circus. Other acts that added to the overwhelming success of the circus were the swinging ladder, bicycle, skating, and clogging acts. The proceeds of the circus were used to send delegates to the National Physical Education Convention at Columbus and to the Mid-West Conference at Philadelphia. It is one of the main objects of the club to provide a means of sending delegates to these conventions.

During the winter term one meeting was turned over to an evening of winter sports on the skating rink and toboggan slide. Afterwards refreshments were served in the gymnasium.

Spring term was started off with a hay rack party. A very large group of "Physical Ed's" rode around through the "Hills of Washtenaw," finally ending up at dear old River Brink for a wiener roast and group singing.

The club sponsors the W. P. Bowen Memorial Fund. It is a loan fund for Junior and Senior Physical Education Students. The fund was begun by friends of the former department head.

BAPTIST STUDENT ASSOCIATION

The Council of the Baptist Student Association, composed of twelve members with the Student Secretary, Lillian Nordquist, meeting weekly, plans and promotes an ambitious program. Education and devotion are provided for in the Sunday School and Evensong programs, recreation in both Friendly Hour Sunday evening at Starkweather and in special seasonal parties. Our Deputation committee has already given eight programs out of town. Our Social Service committee is conducting a nursery during the morning church hour. Plays have been presented by those interested in dramatics. This program of varied activities has been guided by our Purpose, which includes friendship for all and service for others.

CONGREGATIONAL STUDENT GROUP

The Congregational Student Fellowship Group, which is now in its seventh year of organization, has for its aim the consideration of the ideals and problems which are worthy of the attention of college men and women. Friendship is the dominant purpose in this aim, for "The problem of life is the problem of friendship."

LUTHERAN STUDENTS' CLUB

The Lutheran Students' Club, which was organized on this campus five years ago, is just completing another successful year. Professor C. M. Loesell and Rev. Hugo Fenker are primarily responsible for this success. The club was organized for the purpose of furthering fellowship among the Lutheran students on this campus; for this purpose a social meeting is held every month. An Open Forum, for the discussion of religious problems common to all students, is an innovation this year. The co-operative spirit prevalent among the members of the organization predicts a successful future.

WESLEYAN GUILD

This year marks the tenth anniversary of the establishing of the Wesleyan Guild, Methodist Student Organization, on this campus. During this period, its aim has been to increase the possibilities for a constructive religious development among students.

The present director, Miss Lucy Kingsley, has been in charge of Guild work here for the past two years.

Sunday evening worship and fellowship services, Friday night "open-house," and occasional larger social functions comprise the routine activity of the Guild. In addition, during the winter term particularly, deputation groups are sent to various neighboring churches to aid in religious programs. This provides an opportunity for the student to benefit through self-expression, and for the church to realize the active interest of college students in religion.

Officers for 1931-32 are:

The purpose of the Y. W. C. A. is to realize a full and creative life through a growing knowledge of God and to have a part in making this life possible for all people.

Greater enthusiasm than ever before has permeated Starkweather's homelike atmosphere. Group meetings, banquets, and feeds are held constantly. Outstanding events and successes of the year include the Membership Dinner, the International Banquet or Festival of Nations, Christmas and Easter plays, May Morning Breakfast, Alumni News Letter, and innumerable others.

ASSOCIATION OF CHILDHOOD EDUCATION CLUB

OFFICERS

MARIE GARRISON	<i>President</i>
KATHERINE HINDELANG	<i>Vice-President</i>
MAXINE HERRICK	<i>Secretary</i>
MARY SCOTT	<i>Treasurer</i>
MISS ELIZABETH MILLER	<i>Faculty Sponsor</i>

This club was organized January 30, 1923, and was known as the Kindergarten-Primary Club, until this year when it became a national organization and its name was changed to the Association of Childhood Education Club. Since the time of its organization it has been active, holding both social and business meetings at least once a month. Plans are being made for a formal banquet to be held in the spring.

The purpose of the club is twofold: first, to provide social activities so that those taking the Early and Later Elementary courses may become better acquainted with each other and with their faculty members; second, to provide musical entertainments and talks by prominent members of our faculty and by prominent people in the elementary field.

Altogether the club is satisfied with the results of the past year, and the members are confident of still greater success next year.

THE NEWMAN CLUB

The Newman Club is a national organization for Catholic students attending non-sectarian colleges in the United States. Its purpose is to foster the spiritual, educational, and social welfare of the Catholic students while they are in college.

The Newman Club has been very successful in all its activities during the year of 1931-1932.

Lambda Tau Sigma is an educational society composed of students specializing in Special Education. Its aim is to promote and encourage a social acquaintance among the students from each department in Special Education; to provide a means for becoming acquainted with the work of the departments other than our own; and to enable the faculty to become better acquainted with the students.

It was organized in 1924 and in 1927 a Beta Chapter was organized in Athens, Ohio. In addition it has three alumni chapters located in Detroit and Pontiac, Michigan, and Columbus, Ohio.

T O M c K E N N Y H A L L

Thou art more than brick and stone of patterned
masonry,
Unlike those others built and tossed against a
modern sky.
O thou art more than that to any beauty-loving
eye!

A million songs, a million dreams, a million hearts
in thee
Will lift thy head above the murk that lies beneath
thy feet,
And strive to make thy youthful song far-reaching
and complete.

Thou art more than brick and stone of patterned
masonry;
So think I, and in the years when others pass
this door,
Oh, may they pause to dream awhile, as I have dreamed
before!

A FRESHMAN.

The local Pan-Hellenic organization has been active on this campus since 1926. Its members are representatives from both local and national sororities. The offices are filled by a system of rotation.

At its meetings, sorority ethics are discussed by student and faculty members. Rules for rushing are laid down for the year, as well as rules for the formal parties.

Each term an intersorority dinner is given at which a loving cup is presented to the sorority whose scholarship rated the highest for the preceding term. The cup was presented to Theta Lambda Sigma Sorority in the fall term and to Sigma Nu Phi in the winter term. The dinners were successful in bringing a closer relationship between sororities.

Every man's work, whether it be literature or music or pictures or architecture or anything else is always a portrait of himself, and the more he tries to conceal himself, the more clearly will his character appear in spite of him.

SAMUEL BUTLER
in "The Way of All Flesh"

The lives of men who have always been growing are strewn along their whole length with things they have learned to do without.

In addition to the regular three parties—pledge, open and closed—Kappa Phi Alpha staged several banquets, stage nights, and smokers to conclude another great year. To add to all this D. L. Quirk entertained the fraternity in an evening at his home during the winter.

In the fall, Kappa Phi Alpha moved into a remodeled chapter house which enabled them to build both structurally and materially during the year.

Iota chapter of Sigma Mu Sigma is the only National Fraternity on the M. S. N. C. Campus, having been established here February 22, 1929. Founded as it is upon Masonic standards, it has already taken its place among the older organizations in helping to uphold the high social and scholastic standards of the men of the college.

The Alpha Chapter of Zeta Chi Sigma was organized on the M. S. N. C. Campus in the fall of 1928. This organization is entirely social, and was organized for the purpose of inspiring achievement, providing closer fellowship, and upholding the standards of this college. The Zeta Chi Sigma is now firmly established and is looking forward to greater success.

The Women's Athletic Association sponsors all athletics for girls attending the Michigan State Normal College. Each term major and minor sports are offered to all groups of organizations—class, club, and sorority. Aside from the contests opened to competition among these groups, points are awarded to the girls for any individual activities in which they participate. Swimming, riding, tennis, skiing, hiking, tobogganing, skating, and golf are only a few of the sports which the girls may enjoy during their leisure hours.

This association for girls was started by Doris Chamberlain in 1925, for the purpose of furthering physical development, providing recreation, and promoting carry over activities. The values of such a program are many in number and the organization with the aid and co-operation of capable faculty advisors, has done much to accomplish these aims.

S P E E D B A L L

The women's athletic program for 1931-1932 was well under way during the opening weeks of the fall term. Each of the four classes organized teams to play off the Intramural hockey tournament. Hockey balls were seen flying amid the stones and mud of the new hockey field as each of the four teams strove for victory. The final results of the contest showed the Seniors taking first place with the Juniors, Sophomores, and Freshmen placing second, third, and fourth respectively. No sooner was the hockey tournament completed than the schedule offered a series of exciting speed ball games. Many enjoyable afternoons were spent out on the speed ball field, and the honors were divided as in hockey.

During the time the classes battled for championships out-of-doors, the gymnasiums were filled with anxious sorority volleyball teams. Nearly every sorority on the campus was represented, and the Kappa Gamma Phi sorority won first place. As a result of the consolation series, the Delta Sigma Epsilon placed second and the Sigma Nu Phi sorority came in third. The club volleyball tournament, also conducted during the fall term, was won by the Independent II, Independent III, and the Y. C. C. respectively.

BASKETBALL

The Kappa Gamma Phi's ran far ahead in the sorority championship for 1931-1932. At the W. A. A. banquet they will receive the sorority cup as a permanent possession for holding the athletic championship for the last three years.

During the winter term both major and minor sports were popular with all organizations. First they busied themselves with basketball, and later both individuals and groups played deck tennis, hand ball, and shuffle board as scheduled on the minor sports program.

Spring sports which have always been popular had more participants than ever this year. All organizations put forth their best efforts as the championship tournaments closed for the year. Both sorority and class teams turned their attention to the new baseball diamond. Tennis, archery, badminton, quoits, golf, and swimming interested girls both singly and in pairs, and many exciting matches were played off in and around the gymnasium. Water polo and inter-class and inter-sorority swimming meets delighted all the Ypsi aquatic fans, and the water pageant, "Old King Cole," was a source of much amusement around the campus.

The Women's Athletic Association banquet to be held June 9, 1932, is expected to be one of the largest and best in the organization's history. At this time a large number of awards are to be presented to individual girls and to organizations. A special invitation has been extended to the W. A. A. alumnae and special features have been planned in their honor.

W . A . A . J A C K E T W I N N E R S

W. A. A. have discarded the old white sweaters and are now awarding green woolen jackets to girls who have earned the necessary number of W. A. A. points. Other jacket girls not in the picture are Lillian LeVine, Ruth Waggoner, Edna Burke, and Lynn Vendien. Many girls have won even a higher number of points and receive chevrons for their jackets, while Frances Seipp, Luanna LeClair, and Cynthia Heth have earned the highest W. A. A. honor and will receive the coveted green and white blankets. Many new members of W. A. A. have already earned enough points to receive their numerals or letters.

Nike, the honor athletic association for girls has been re-established this year. Only junior and senior girls on the campus are eligible for a membership and the following requirements must be attained: pass required tests in folk, natural, and tap dancing, tumbling and apparatus, and life saving examiners; have an academic average of "B" for a year and an "A" in academic teaching; play two out of three major teams; and earn a minimum of one hundred points in minor sports a year.

MEN'S INTRAMURALS

Intramural activities this year were conducted under five divisions: all-campus, inter-class, inter-fraternity, independent, and faculty. In addition, the Intramural Department sponsored a novel inter-school activity called a Field—or Group Competition Day, involving several activities participated in by relatively large numbers of contestants. Detroit City College furnished stimulating opposition for two such events, one in the fall term and one in the winter term.

Fraternity competition was strengthened by the entrance of Mu Sigma Chi teams early in the season, making a well-balanced eight-team league.

A mild winter curbed the winter outdoor sports program and resulted in cancellation of the annual ice-carnival. Altogether, about two weeks of tobogganing were enjoyed on the department's slide.

GENERAL SUMMARY

The Intramural Department now conducts twenty-five different activities for men students and six types of activities for faculty men. Over fifteen hundred participations have been recorded for this year in scheduled activities. The new facilities of McKenny Hall have provided for the following new activities: ping-pong, shuffle-board, and miniature golf. The introduction of a Field-Day has furthered the idea of athletics for all and has provided opportunity for intramural participants to meet students from neighboring schools in beneficial social situations. This year marked the beginning of non-fraternity or independent participation in intramurals, a division of the program which is likely to be greatly encouraged next year. This year there also has been a marked increase in the number of men who are using intramural equipment during un-scheduled hours.

Eight songs were entered in a song contest sponsored by the Men's Union. Fifty dollars was awarded to Laurence Livingston whose song was accepted by the judges.

HURONS FIGHT SONG

Hu-rons, Hu-rons, hats off to thee!
Fight! Fight! Fight! for M. S. N. C.
Shout to the sky the Hurons' war cry,
The bravest we'll defy.
Hold that line for old green and white.
Loyal sons come show your might!
To fight! fight! for M. S. N. C.
And victory.

If a body helps a body
Is it a teacher's biz?

Lois E.—"I wonder if they meant anything by it."
Catherine H.—"By what?"
Lois—"Why, I bought a ticket to a lecture on 'Fools' and it said to admit one."

Bunny W.—"Why did you stop singing in the choir?"
Fritz W.—"Because one day I didn't sing and somebody asked if the organ had been fixed."

Reporter Steffek—"I've got a perfect news story."
Editor McLaughlin—"The man hit the dog?"
Reporter Steffek—"Naw, a bull threw a Congressman."

"Now," said the college man to his dad at the football game. "you'll see more excitement for this two dollars than you ever saw before."
"I don't know," replied the old gent, "that's what my marriage license cost me."

Professor Hover—"... furthermore people's 'biological urge' grows less after they become twenty years old."
Bob Arnold—"My God! I've only got one year in which to make bad!"

Sue Anderson—"Do you keep all of your love letters?"
Letha Peck—"Sure thing! Some day I expect them to keep me!"

Fond Mother—"Don't cry, dear. Does my little darling want a drink?"
1931 Baby—"Don't mind if I do. What have you got?"

Student—"These professors don't know a darn thing! Not one of them could teach and get away with it anywhere else. They're just dumb—why, they oughta get a whole new teaching staff!"
Other—"Yeah, I flunked too."

Sally S.—"What are you going to do with your bathing suit this winter?"
Charlotte W.—"Use it for a book mark."

A college man likes a girl beautiful and dumb—beautiful enough to please him and dumb enough to like him.

She (in a poetical mood)—“What are the waves saying?”
He—“Sounds like ‘Splash’.”

“What is a good cure for love at first sight?”
“Take another look.”

June G. (at Hop)—“Wait for me here, Jerry, while I powder my nose.”
June (three hops later)—“Been waiting long?”
Jerry—“No, but I’ve been looking all over for you to give you your compact.”

“Is he a loud dresser?”
“Is he? You should hear him hunting for his collar button!”

“Industry is itself a treasure.
Self help is the best help.”

Miss Goddard—“Why are the days longer in the summer?”
Gregg L.—“Because the heat expands them.”

Thorpe—“What keeps the moon from falling?”
Williams—“It must be the beams.”

Marie B. (getting domesticated)—“It says, ‘Beat the whites of eggs until stiff.’ I think they must be done now.”
Joe B.—“Why, are they stiff?”
Marie B.—“No, but I am.”

Student—“What is matter?”
Prof.—“Never mind.”
Student—“What is mind?”
Prof.—“No matter.”

What is the favorite fruit in history?
Dates!

What is the oldest coupler in use?
The wedding ring.

Orlie Ward (boasting to his girl)—“I was out with a nurse last night!”
Unknown—“Cheer up! Maybe next time your mother will let you go without one.”

“If you were to stand with one foot on a dime, tell me what chain of stores you would represent.”
“I give up.”
“Kresge— Nothing over ten cents.”

“Dear heart, will you love me when my hair turns grey?”
“Why not? I’ve loved you from black through henna to platinum already.”

Teacher—"Give me a sentence with a direct object."

Scotty D.—"You are pretty."

Teacher—"What's the object?"

Scotty—"A good mark."

Rex Tuttle (arrested for speeding)—"But, your Honor, I am a college boy."

Judge—"Ignorance doesn't excuse anybody."

Father—"So your son is pursuing his studies at college, is he?"

Another—"I guess so, he's always behind."

Senior—"Do you like Kipling?"

Freshman—"I dunno. How do you kipple?"

"Your school is not a seminary; it's a match factory," said a smart young college man to a girl student.

"You're right," said the girl. "We furnish the heads and get the sticks from the men's colleges."

She—"Won't you join me in a cup of tea?"

Dumb-bell—"Well, you get in, and I'll see if there's any room left."

Mr. Thomas—"I never heard of such nerve. A man in your position asking for my daughter's hand."

Walter Kidle—"Oh, my position isn't so bad. I have a window on one side, and a door on the other."

Max W.—"Have you never met a man whose touch seemed to thrill every fiber of your being?"

Jewel—"Oh, yes, once—a dentist."

FEBRUARY

- 10—Pi Kappa Delta Dinner—intellect meets intellect.
- 12—J-Hop at Charles McKenny Hall—cabaret, Blues singers, tap dancers—night life lures many to the synchronizing melody of Jack McKay's band.

MARCH

- 5—Co-ed Prom. The Continental Congress of 1932 judged Prom most successful in years.
- 14-15—College Circus—"Bing" Brown announces world wonders.
- 25—Spring vacation begins. Exit felt hats.

SPRING

APRIL

- 5—Two hour Kresge lures multitudes. New spring costumes compete for dances.
- 15-16—"YW" Convention.
- 15—Senior Formal Dinner-Dance. Metcalf forgets Attic.
- 27-28—Stuffed ballot box outstanding feature of Kollege Komedy. Who got the "First Cup"?

MAY

- 4—Junior Mixer. Stan Wilkas is becoming quite efficient as "floor committee".
- 12—Olympic Blanket Day. People, imagine yourselves in California.
- 18—Emily Post absent from annual Barbecue and Cap night.
- 20—Sophomore Swirl. Aren't these Sophomores being old for their age? Dancing! When they should be putting the Freshies in their places.
- May—or August—All-College Play. "Alison's House", with an all-star cast.

JUNE

- 3—Aurora-News Picnic. These publications know how to enjoy themselves!
- 11—Senior Breakfast. Free! Big crowd attends.
- 15—Senior Class Day—Setting up exercises.
- 17—Senior Lantern Walk—legitimate reason for strolling through the darkness of the unpopulated back campus.
- 19—Baccalaureate Address.
- 20—Commencement—"A feeling of detachment . . . a touch of loneliness . . . well-earned pride. This then is Commencement . . . A milestone in life, the focus in memories."
