THE NINETEEN THIRTY-NINE

Published by the students of Michigan
State Normal College, Ypsilanti, Mich.

DR. ORLAND O. NORRIS

"Student, scholar, and teacher of the classics. Both his study of the classics and of psychology were to him tools to aid him in his chief aim, the freeing of man from the limitations imposed by narrow vision and subjective thinking. In the language of Tacitus writing of Agricola, we would remind ourselves that only in contemplation and imitation of his virtues, his attitudes toward scholarship and toward his fellowman, can we offer to the memory of this man and scholar any worthy tribute."

DEDICATION

Forty-seven years ago the first *Aurora* was published. Each year, the personalities and activities it records remind us of teachers and students who labored together to lift the level of human welfare through their belief in education. What more fitting than to dedicate this book to their memory and to the firm faith that the present generation will carry on!

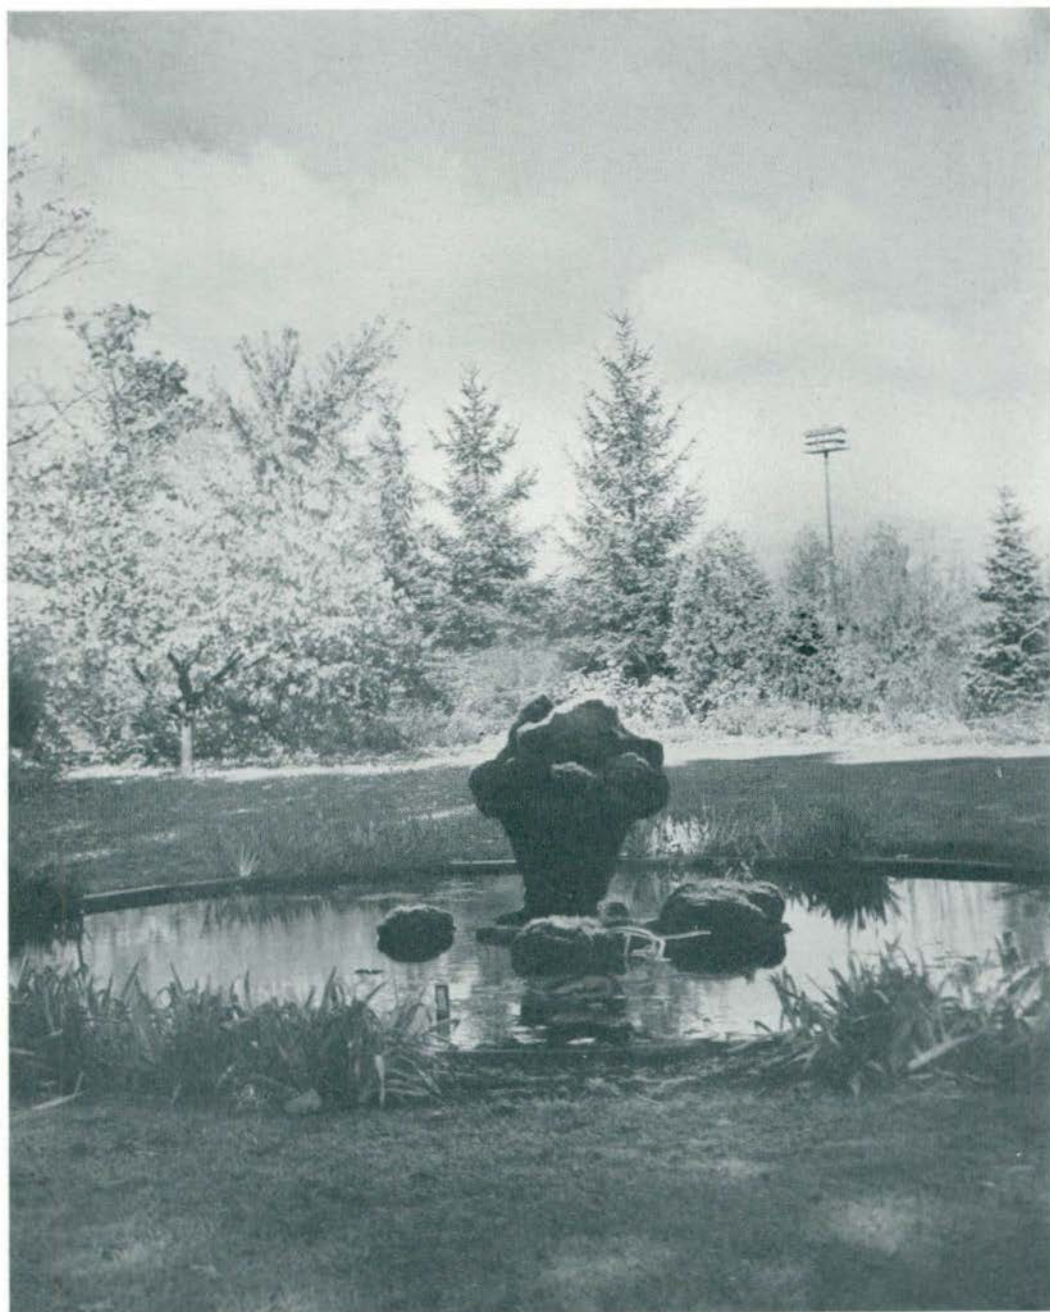

FOREWORD

Again the *Aurora* throws on the screen the college life of the year, the things which interest us today and will interest us more tomorrow. The faces shown and the stories set down will quicken recollections of youthful friendships and achievements, and deepen attachments to our Alma Mater in the years yet to be.

. . . THE ADMINISTRATION

JOHN M. MUNSON
President

The functions of a President of a college are indeed intricate. To solve these problems as they approach, Michigan State Normal College has John M. Munson, former student who returned to head his Alma Mater. This year he successfully administrated the college through a tremendous building campaign which saw as many as five buildings under construction at one time, and marked the fastest progress in the history of the institution. Before coming home to Michigan State Normal College, Mr. Munson acted as Superintendent of Schools, Harbor Springs; served in the State Department of Public Instruction; directed the training school at Central State Teacher's College; and was president of Northern State Teacher's College. He has been President here since 1933.

J. MILTON HOVER Dean of Administration

Head of the Natural Science Department and Dean of Administration are executive offices held by J. Milton Hover. A product of Michigan State Normal College, Mr. Hover is another who returned to serve his Alma Mater. During his nineteen years of service here he has also been a Professor of Agriculture and a Professor of Natural Science.

LYDIA I. JONES Dean of Women

Dean Lydia I Jones, who was cited for her distinguished service at the Dean's Convention, Cleveland, Ohio, completes her fifteenth year here as Dean of Women. Miss Jones, a product of the schools of the East, received her Ph.B. from Cornell and her A. B. from Columbia, and has since studied abroad at Oxford University. She has served in this field for twenty-five years.

JAMES M. BROWN Dean of Men

Echoes of the famed "men of Ypsilanti" again reverberated through the campus when Bing, James M. Brown, was heralded for his fine service at the Bingo Brown Bust, held by his beloved "men" and co-workers. Bing, who earned his B. S. degree at Colgate and has done graduate work at Harvard and at the University of Michigan, has served Michigan State Normal College since 1923.

FANNIE E. BEAL Assistant Dean of Women

Assistant Dean of Women, Fannie E. Beal, is another product of Michigan that has served Michigan State Normal College for a long time. Miss Beal is now completing her sixteenth year as Assistant Dean of Women and her nineteenth year with the college. Earning her B. S. degree at Michigan State, and her M. A. from Teachers College, Columbia University, Miss Beal has since taken graduate work at the University of Chicago.

CLEMENS P. STEIMLE Registrar

Thirty years is a long time. During that time "C. P." Steimle has weekly, daily, and even hourly signed his name time and time again with the familiar flourish that admitted and graduated each student of M. S. N. C. Coming from the copper country of the upper peninsula, Mr. Steimle entered here as a student and has remained as part of the institution for all but three years of his career since that time.

MEN'S UNION

BRYSON
President

DREWYOUR
Vice-President

Again the Men's Union had its collective finger in every pie on the campus; promoting, administrating, leading, lending moral support, and giving financial aid.

Under the capable leadership of Men's Union President, Bill Bryson, Normal's clogger and boxer, men's activities reached a high point in the annals of the college. Beginning with the first day of Freshman Week with the MUGS' service for green, and we mean green, freshmen, and continuing on until the culmination of a beautiful spring term with the Union-promoted Spring Breeze, gala spring dance hit, the Men's Union skillfully lured every man on in to the social life of the college.

Among the events that colored college life this year and were promoted by the Union, which is affiliated neither with the C. I. O. nor the A. F. L., were the Men's Union Guide Service for unsophisticated freshmen, Homecoming activities, Yule Log Drag, fall dance, All College Christmas Sing, Coffee Hours, college men's elections, All College Spring Sing, and finally the Spring Breeze. It called on such popular campus leaders to promote its activities as Drewyour, Champe, Todt, Yeager, Lecznar, Wait, Keeping, Sheppard, George, Novello, and others. Of course, Bryson, like Abou Ben Ahem, led all the rest

Yeager, Young, Anderson, Dover.

A new high in efficiency was reached by the MUGS service in its third year of existence. It successfully organized all Freshmen on campus into small groups under the leadership of a big brother upper classman. Adequately led by the large number of assisting upperclassmen, the freshmen were manoeuvred through a memorable Freshman Week meant to acquaint them with their new surroundings. Mixers, teas, chats, pep meetings, and tours of the campus made it a week not soon to be forgotten by the freshman men.

It soon became necessary for the Union Executive Board to chastise certain unruly freshman boys for failing to place the little green pot on their heads as they went out of doors. Among those that wielded a big stick at these meetings were Ferris Young and Ellsworth Anderson, senior representatives; Richard Yeager and Edward Dover, junior representatives; and George Newlands and Lynn Wheeler, sophomore representatives.

Next, the Union cooperated with the Women's League in staging a stupendous Homecoming held under clear blue skies of perfect weather. George Bryson acted with Marion Hand, Women's League President, as co-chairmen. With the intriguing slogan of "Bounce Back to Normal for Homecoming." which won a contest sponsored by the League and the Union, the spirit of the student body and returning alumni

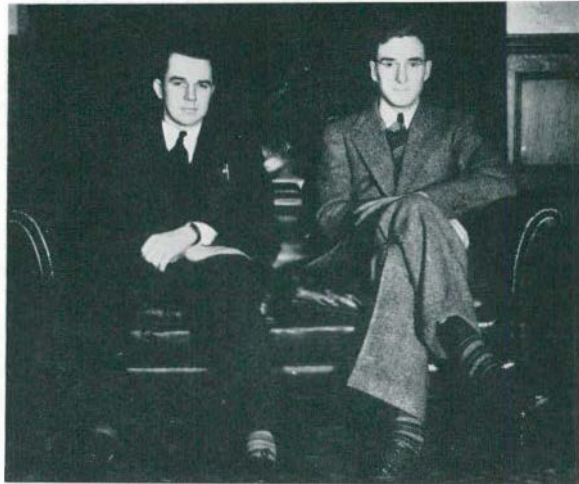

Gildenstein, Newlands, Wheeler

marked a new high for the year. The Union sponsored the annual class games to bring to a close the hostilities between the Sophomores and Freshmen. As the Freshmen lost, it meant more paddle wielding for the Executive Board in the spring.

Dick Yeager, popular junior representative on the Executive Board, was chosen to lead sixteen men in planning the Yule Log Drag. Two hundred and fifty couples danced to the sweet music of Bobby Grayson, with surroundings and programs arranged to touch the feeling of the Christmas Season.

Fall term activities were ended with the Union sponsoring the All College Christmas Sing in cooperation with the League and the Senior Class.

Cold winter afternoons were spent by many of the men in the cozy atmosphere of the Men's Lounge of the Union Building where they were entertained and lunched at the Union-sponsored Coffee Hours. Ronald Keeping and Howard Wait, senior leaders, acted as co-chairmen for the hours. Among the guest speakers at the affairs were Myron Sturgeon, who spoke of geological developments in the world; Professor H. Willard Reninger, who explained his idea of an educated man; Professor Zoessel, who showed colored shots of his six-weeks trip through

Keeping, Wait

western United States; and Mr. Golczynski, teacher at Roosevelt, who chatted with the men on sex hygiene.

Then during spring term, The Men's Union and Class elections administrated by Union appointees, lured unprecedented numbers to vote at the polls. Capable and popular leaders were chosen from the various classes to take over where present B. M. O. C's leave off in June.

The Union scored its last success of the year in its traditional spring party, the Spring Breeze. It again found a capacity crowd eager to experience another Men's Union success.

McGowan, LaBounty, Sayre, Lyman, Langthorne, Southworth, Leavenworth.

It happened this way. The Social Committee took a tip from the method employed by little Jack Horner and got their collective heads together in the proverbial corner. Then sticking their collective thumbs in the pie they pulled out a plum in the person of Bill Sawyer and his swing band. Much of the fine success of the social season can be attributed to this swing dispenser of distinction.

In signing a term by term contract with the University's popular band, the Committee succeeded in securing one of Michigan's smoothest orchestras at a very reasonable price. With this attractive drawing card, hoards of Michigan Normal dancers attended the regular parties promoted by the Social Committee.

Social Committee activities centered around three types of dances. Held regularly were the traditional Tuesday night Kresge dances. These parties, held between 6:30 and 7:30 o'clock, offered relaxation from monotonous studies to many Michigan Normal students. Beissel's and Stadtmiller's five piece campus orchestras furnished music for the ten-cent parties.

Winter term found a revival of the popular Woolworth dance which had functioned so well in its primary trial the previous winter. Sandwiched in between fraternity and sorority parties which were scheduled quite regularly throughout the winter term, the Woolworth has one of the fine attributes of the Kresge. It is based on the theory that Michigan Normal students need their meager funds, will better attend a ten-cent dance. Therefore, at these parties students danced to the best bands in the land reproduced on a recording machine. Everybody came stag; everybody mixed.

Among the hit Friday evening parties promoted by the Social Committee were the Fall and Spring Cabaret Parties, the Grid Swing, and the Christmas novelty dance.

Reacting to the demand of many students on the campus, the Social Committee promoted dancing classes every Thursday after Customer's dances. Many fine dancers were the product of these classes.

Members of this year's Social Committee were: Mr. Florence Lyman, Social Director; Ray LaBounty; Ruth Southworth; Delos Leavenworth; Helene Langthorne; Gerald McGowan; and Jean Sayre.

MEN AT THE HELM

Long neglected when credit was expressed for efficiency in administrat- ing, in promoting, and in the shaping of student opinion and interest on the campus are the class advisors and the manager of Charles McKenny Hall.

Much of the fine work done by the classes can be attributed to the careful guidance and weighted advice of these class sponsors.

McKenny Hall does much in building the character of the Michigan Normal graduates. It is there that they do much of their playing, and it is the duty of the manager to use this time in molding good citizens.

These heretofore unheralded ad- ministrators are Leslie A. Butler, senior sponsor; George Willoughby, junior sponsor, Simon Fagerstrom, sophomore sponsor; Dean J. Milton Hover, fresh- man sponsor, and William Brownrigg, manager of Charles McKenny Hall.

SENIOR FEATURE

Senior activities began with Home-Coming. Francis Scripter, chairman of the float committee, with the aid of a group of seniors constructed a novel float, representing the steps from college entrance to exit. Seniors wearing caps and gowns marched in the parade under the direction of Jean Leopold.

The fall term senior mixer was staged in Charles McKenny Hall under the co-chairmanship of Edythe Butler and Haward Wait. Games, dancing, and refreshments were the order of the day.

Near the end of fall term, some brilliant student contrived the idea of a Christmas Sing to be sponsored by the senior class. With Dorothy Deleo and Milt Werbin pulling the strings, the Sing was held in Pease Auditorium. The program consisted of group singing and songs by sorority, fraternity, and independent groups. The final activity of the term was the Christmas banquet held at McKenny Hall under the leadership of Esther Lapointe and Bob Beauchamp.

The "Senior Sponge" party held in the gymnasium was the crowning event of winter term. The evening's entertainment consisted of various types of modern and old-time dancing, games, and refreshments. Leone Cartwright and Jim Balten were responsible for the success of this party.

Spring term—Graduation and all its trimmings! Those last classes, the last balmy evenings in the science gardens bidding adieu to the old familiar places, the last dances to attend, the banquets, the class day assembly, the final senior dance—interviews with superintendents, more interviews, contracts signed! And amid all the flurry of social and academic work—graduation and a new world to conquer lying ahead.

SENIOR EXECUTIVE COMMITTEE

From the Class of "39" six members were chosen to assist the senior officers in carrying out the desires of the class. This group, known as the Executive Committee, suggested, contrived, executed plans to make the senior activities a huge success. The committee is composed of the following seniors:

JUNIOR CLASS FEATURE

To lead the class to further laurels, the Juniors chose Jess Davis, president; Ralph Hubbard, vice-president; Eleanor Griggs, secretary; and Betty Arnet, treasurer.

A few of the monopolies held by the Juniors this year are the football stars, Walt Siera and MacValleau, whose signals clicked to carry the pigskin over for many a point. Our school paper is edited by Bill Sosinski, another distinguished junior. Proving that the junior class does not forget scholarship, Jean Morden presides

over the Stoics. The field of music proclaims Elton Powell, another junior, leader of the Campus Choristers.

Because jitter-bugs seem to be the rage this season, we thought we would have a super-colossal band for our J-Hop; therefore, it was the unanimous choice to have Dean Hudson and his Florida Club Men. The dance was a stupendous success.

With our third year successfully drawing to a close, we have the grand finale to look forward to, when we shall all be the Seniors of M. S. N. C.

J - H O P

Following their earlier established precedent of uniqueness, the Junior Class presented Dean Hudson and his "Florida Clubmen" at the event of the year.

The stage was ornately decorated in ultra-modernistic style with delicate shadings of pink and violet projecting triangularly toward the pillars of simulated marble, which were most effectively lighted indirectly.

Upon entering the ballroom, the ladies were presented with dainty gold pendants with the official seal of the college embossed upon them.

While the orchestra proved themselves versatile, the rendition of their theme, "Annie Laurie," will long be remembered by the fortunate guests.

So amid the gayety heightened by the decorations and music, another J-Hop made history.

Time marches on, and the Class of '41 with it—winning a reputation as one of the most promising classes ever!

After re-electing Prexy Bob Klein, this Sophomore Class set out to better their excellent record, started last year. First they outwitted the green-potted newcomers in the class games; and then pocketed top honors for a colossal float in the parade—to accomplish the rare feat of capturing all the Homecoming honors for two years in succession.

To keep away from “All work and no play . . .” the class planned a mixer for each term—and what mixers they were! Different? The latest things! Fun? Heaps of it! And how the Sophomores did mix! Community singing, class talent, cider and doughnuts, “stiff-leg” dancing, and tobogganning (without snow) all

Seated—Harding, Verkler, Poly, Briskey, Corning, and Holleran.
Standing—Swafford, Burdge, Rice, Bodary, Fralick, Andrews, George, and Montear.

mixed together to make the most entertaining social season a class could ever expect to have.

But the highlight of every Sophomore's year gave this class the opportunity to combine its successes in work and play—the Sophomore Swirl. Co-chairmen Margaret Briskey and Ed Poly, who were both very much responsible for the success of the mixers, doubled their efforts and produced a Soph Swirl more than worthy of the name. Of course Gene Owen's Orchestra and the early spring weather shared in making the dance a success.

The Class of '41 has been able to progress because of the fine cooperation shown by everyone, and the result is that the Sophomore class is proud of each of its members and each member is proud to be a part of the Class of '41.

 of '42

Making a significant entrance to college life with the commendable number of 625, the Freshmen selected as co-leaders, Ken Cleary and Patty Baker. The upper classmen were quick to recognize the outstanding spirit and enthusiasm as well as the capability of cooperation which was in evidence in the Homecoming Class-games even though the honors did go to the Sophs. During the hazing period the men showed their independence by the use of the call "Yea '42". It was in the Fall Term that the ingenious Frosh showed their real ingenuity by instigating the Social Committee, a body designed to plan entertainment for the Winter Term as a method of keeping homesick students on the campus over the week-ends.

Pat Baker, Ken Cleary

The "Frosh Flings" held in the basement of Charles McKenny Hall, offering games; table-tennis, and dancing, caused much favorable comment among student circles and the faculty.

Early in January the Freshmen elected new officers. As President, John Shoemaker, a lively participant in previous class activities, was selected. As his right-hand "man", vice-president, Bernice McConalogue. As secretary Ruth Dana; and as "keeper of the Revenue" Bob LaRue. Even the hardest of critics would agree that the Class of '42 showed excellent judgment in the selection of their officers. Throughout the year the Freshmen were exuberantly active in many diversified campus activities with many of them excelling in their fields.

Well represented in the fields of Sports, Music, Public Speaking and other organized activities — both social and honorary—the spirit of '42 still thrives after a very successful year.

Kappa Delta Pi is one of the largest honorary fraternities ever organized. The group is formed especially for juniors and seniors and graduates renowned in the field of education. The purpose of the society is to keep the members informed and interested in new developments in this field. In accordance with their lofty aims, the Kadelpians, together with Dr. Turner, faculty advisor, and right-hand assistant, Miss Martha Best, managed to work in a record-breaking Initiation Banquet on April 15, and an Honors Tea in May recognizing students from all classes who received high scholarship, also an Alumni Banquet in June.

Among the social events of the year was a lecture on the "Isle for Men" by Dr. Cowin of Ann Arbor, who showed the group moving pictures of the island. Officers who were responsible for this successful year of Kappa Delta Pi are Theo Turnbull, president; Ardath Johnson, vice-president; Ivah Lewis, recording secretary; Evelyn Dutcher, corresponding secretary; and Milt Werbin, treasurer.

STOICS

Founded "way back when" as a small group of scholars, by J. Stuart Lathers, the Stoic Society has grown and gained proportions until it is now an honorary society open only to sophomores. Lofty aims of the club are two—first, to recognize scholarship, and establish scholarships; and second, to promote friendship. At present Stoics is offering five different scholarships every year to worthy students.

With the unfailing aid of Dean Hover, and Miss Best, the club manages several social events a year, not the least of which are the annual winter banquet, at which scholarships are awarded; the traditional "White Elephant" sale in Starkweather Hall; the informal wiener roasts; and the May morning breakfast at the home of Mr. Lathers, faculty patron. At this breakfast new officers for the next year were announced.

Officers for this year were Jean Morden, president; and Walter Gale, secretary-treasurer.

The national honorary forensic society, Pi Kappa Delta, closed its activities a year ago with a membership, the largest in its history, totalling twenty-eight members, and the unique distinction of ranking first among the one hundred and fifty-five chapters of the country in the amount extended for keys and fees. After fifteen years of persistent work, a scholarship of \$1000 was completed and named for the society patron.

The society sponsors all speech activities on campus. This year's highlights included the fiftieth anniversary of oratory in our college which was celebrated at the annual oration contest. The first orator ever to represent M. S. N. C., Mr. William N. Lister, presided over the fete. In April a full delegation competed for honors in the biennial Pi Kappa Delta Province of the Lakes Tournament at Kent State University in Ohio. The season closed with the nineteenth annual dinner and the awarding of memberships and promotions to this year's debaters, orators and extemporaneous speakers.

SIGMA DELTA PSI

Standing—Morningstar, Squires, Miller.
Seated—Marshall, Todt, Stites.

Sigma Delta Psi, the only national honorary society for athletes, was founded at Indiana University in 1910. As outlined in the constitution of the organization "the object of the society shall be the encouragement of moral, physical, and mental development and training among college students.

Standards for membership are high. A certain scholastic status is required as well as a long list of requirements demonstrating physical superiority.

The local Chapter, one of eighty in the United States, participates each spring in a joint banquet with the University of Michigan and Michigan State College.

PI KAPPA DELTA

Started by two chapters in 1913, the national honorary forensic society, Pi Kappa Delta, now consists of 150 chapters in the United States, and a membership of more than 19,500 students. The society is composed of all students who have done outstanding work in the field of speech. The purpose of the organization is to sponsor all public speaking activities on campus.

An exceptional event in the club's activities this year was the celebration of the fiftieth annual contest in this college with Mr. William Lister, the first orator to represent M. S. N. C., presiding. Faculty advisor of Pi Kappa Delta is Dr. Frederick B. McKay.

PI KAPPA DELTA OFFICERS

All campus public speaking activities have for some years been carried on under the sponsorship of the local chapter of this national forensic society. Its officers are: James J. Lieberman, president; Elsin R. Goodrich, women's vice-president; Jean C. Sprecher, secretary; and Albert A. Riddering, treasurer. Dr. Frederick B. McKay is patron and Professor Harry T. Wood, associate patron.

For the twenty-fourth year, Wodeso Club, the women's debating society carried on its activities on campus. Under the direction of Elsin Goodrich, president; and Dr. F. B. McKay, critic, the organization has had the largest number of actual inter-collegiate participants in its history, fifteen speakers. Twelve of these members spoke in the state debate tournament and tied for highest honors with Wayne, Albion, and Kalamazoo.

Activities during the year included twelve debates with other colleges, round table discussions, and stump speeches. A new feature this year was the radio debate with University of Michigan women. The program was broadcast over Station WJR, on March 17, with Misses Sprecher and Goodrich participating.

At the annual banquet held in May, Pi Kappa Delta keys were awarded to the following new members; Martha Walsh, Winnifred Sayre, Dorothy Hearn, June Perryman, Ernestine Hemboden, and Max Weinlander. The degree of honor was awarded to Norma Luder. William Lister was made an honorary member at this banquet. Recipients of the diamond key for special distinction were Jean Sprecher, Elsin Goodrich, William Waugh, and Gordon Kennedy.

Back Row—Holt, Lowe, Porter, Chapman, Brooks, Weinlander.
Middle Row—Riddering, Hubbard, Granger, Lund, Oliver, Davids.
Front Row—Kennady, Leiberman, Dickerson, Carrington, Wolfe, Kott.

The 1938-39 debate season started in November with an International Debate with the University of Western Ontario on the "Anglo-American Alliance" question. In February another debate was held with the Canadians from MacMaster University on the same question.

The other debates of the year were on the Pi Kappa Delta question, "Resolved that the United States should cease to use public funds for the purpose of stimulating business". At the beginning of the year the debate squad numbered twenty-four men, twelve being members of Pi Kappa Delta. Participation in three debate tournaments gave opportunity for competition with twenty-one colleges. On February tenth the Michigan Intercollegiate Speech League Tournament was held at Michigan State College. In the League debates, our representatives won two and lost two, while in the Tournament Debates the victories numbered three and the losses nine.

The debate season closed with the Pi Kappa Delta Province of the Lakes tournament at Kent State University, Kent, Ohio, April seventh and eighth. Nineteen men's teams competed in the tournament and forty-five debates were held. Our teams were represented in ten debates and won five and lost five.

During the year sixty-six debates were held with twenty-three different colleges. Of the forty-three judged debates, M. S. N. C. won fifteen and lost twenty-eight.

INTERPRETATIVE READING

At the seventh interpretative reading contest-festival, sponsored by the Michigan Intercollegiate Speech League and held this year at Kalamazoo College, Michigan State Normal College was represented by Theo Turnbull and Alvin Bohms. Miss Turnbull placed first in the Women's Division reading Robert Frost's "Birches" and Elizabeth Barrett Browning's "If Thou Must Love Me." At the festival in the evening she read "Ulysses" by Alfred Lord Tennyson. Mr. Bohms read Carl Sandburg's "Chicago" and William Wordsworth "The World Is Too Much With Us."

The Normal College representatives at the Annual State Extemporaneous Speaking Contest, which was held at Western State Teacher's College, November 22, were Jean C. Sprecher and William D. Waugh.

GENERAL ORATORY

The fiftieth annual oratorical contest was won December 8, by June Perryman, whose theme was "My Greatest Love", and Maxwell Brown, who spoke on "Bread and Men."

The two winners entered the keen competition of the state contests at Calvin College, March third, and comported themselves in a praiseworthy fashion.

PEACE ORATORY

Miss Martha Walsh represented Michigan State Normal College in the annual state peace oratory contest held April 18. Miss Walsh spoke on "Towards the Dawn" in the final contest at Central State Teacher's College in Mt. Pleasant.

ORCHESTRA

The Normal College Symphony Orchestra, whose quality and amazing ability has been acclaimed by critics everywhere, is a comparatively new organization on campus. The orchestra first came into being in 1931. Since that year, its fame has been steadily rising and spreading. Under President Munson the group succeeded in gaining new equipment, music stands, and a really remarkable library.

For nine of the twelve Sundays of winter term, the orchestra entertains large audiences in Pease auditorium at 4:00 P. M. and gives three concerts during Commencement activities. Beginning with thirty-one members in 1931, the organization now numbers more than fifty-eight. It is through the efforts of Marius Fossenkemper, conductor, and these musical students that good music is made familiar to our college students.

B A N D

"I love a parade," and the whole campus beams when the Normal College Band marches across the football field. Not only is the band one of the best-equipped in the country, having a library of over 4000 selections, but it is also one of the best-dressed. The regular uniforms of black broadcloth have been rejuvenated with a "Sam Brown" belt, dispensing with the green and white satin capes which were so long a part of the uniform.

The band is open to all students. Scholastic credit and awards are given for the time spent in rehearsal and public performance. Headed by Carlton Kissner, flashy drum major, the band was lead in performances which thrilled many an enthusiastic audience at Homecoming and football games; Directed by D. Chester Ryan, the band gave a public concert early in the Spring term. This group add a part to campus activities of which the college is justly proud.

CHOIR

The Choir of Michigan State Normal College is among the very first choirs in the country. Under the able leadership of Frederick Alexander the music it renders has been brought to a proud place of national repute. In any company, in music centers far-removed from Michigan, the choir may be mentioned and will receive prompt and hearty recognition.

The annual Christmas concert held in Pease Auditorium brought a capacity audience. The Christmas concert held each year in Detroit and broadcast over the air is looked forward to by thousands.

The Bach Festival this year was among the best ever presented. The performances of the choir are always exceptionally well done and well received.

The busy cabinet members of the "Y" that will lead the organization into new and novel plans next fall are: Beth Reid, president; Edith Crowl, treasurer; Ila Shick, Janet Prey Bettemae Outley, Bernadine Smith, Dorothy Merrick, Barbara Geddis, Lois Cromwell, and Thyrsa Lester.

Mr. Orlo Gill is faculty advisor of the club, and with the assistance of Miss Elinor Strafer, present head of the art department, and Miss Helen Swete, also of the art faculty, the organization has an active year studying outstanding people in today's field of art, hearing elevating lectures on modern paintings, and many other things. Alpha Mu Sigma numbers among the oldest sororities on campus. From the time of its origin in 1900 as the Harmonious Mystics it has been active on campus. Their float in the Homecoming parade depicted a harp with the sorority colors, cerise and white.

During winter term a formal party was held at Plank Road Tavern. The initiation for the term was held at the home of Mrs. Amy Wilcox following a dinner given by the patronesses. Another activity of the term was a closed party at the home of an alumna, Mrs. H. B. Britton.

Spring term rushing brought an Oriental Party to the Alpha Mu house. But the great event of the term was the spring formal held Saturday evening, May 27 at Charles McKenny Hall.

A reunion of active members, pledges, and alums was held in Detroit in May. At this meeting all the alumni chapters merged into one chapter having its headquarters at Detroit.

In 1898 Sigma Sigma Sigma sorority was founded and it was in 1917 that Omicron chapter was established on this campus.

At the beginning of summer school, the sorority moved into its new house where many get-togethers were held. Sunday fireside teas for the members and friends, bi-monthly dinners, and slumber parties were some of the social doings.

On April twentieth, Tri Sigmas celebrated their forty-first birthday and invitations were sent out to the mothers to join the alumnae and the active members at a banquet.

May twentieth the annual formal party was held in the ballroom of Charles McKenny Hall.

Jane Allen was president, Margaret Rawson, vice-president, Gertrude Ylitalo, recording secretary, Jane Dempster, secretary, and Charlotte Payne, treasurer.

Laura Nichols

Initiating a new chapter, Tau chapter in Farmville, Virginia, this spring made Theta Sigma Upsilon a national sorority from coast to coast. The Beta chapter began its social year in the fall with a Mexican Dinner at Miss Case's home. Its Court of Minerva float won the electric clock in the Home-coming Parade. The formal dance in the spring term climaxed a very successful year on campus.

In August the Beta Chapter will be hostess at the National convention on Mackinac Island. Officers for the year were Donna Ball, president, Betty Jellis, vice-president, Doris MacKellar, secretary, and Eleanor Corbin, treasurer.

PANHellenic

Heidger, Ford, McAvoy, Jellis.

Panhellenic as an organization of sororities worked on the development of social amenities in this year's meetings. This society is representative of each sorority on the campus, both local and national. All-sorority meetings are held to promote good fellowship, to present cultural programs, and to encourage the best sorority ideals.

A Panhellenic handbook which contains the rules and regulations of the organization was issued. Books of special interest to sorority girls are owned by Panhellenic and kept on file in the office of the Dean of Women. Every year Panhellenic sponsors sorority teas for all freshman women. In the spring term there was an all-sorority dinner at which books were awarded to the three sorority girls maintaining the highest scholastic record of the three preceding terms.

The offices are filled by a system of rotation, and the officers of Panhellenic with the Assistant Dean of Women constitute the Executive Board, which appoints all standing committees. These committees are Constitution, Education, Library, Rushing Rules, Social, and Social Usage.

This year's officers were Eunice McAvoy, president, Muriel Heidger, recording secretary, Pauline Ford, corresponding secretary, and Betty Jellis, treasurer.

INTERFRATERNITY COUNCIL

The Interfraternity Council has done much to unify the Greek Letter societies on our campus. Through its endeavors, fraternities have solved problems of mutual interest to all. Much of the old antagonism towards fraternities from those outside and the antagonisms between fraternities themselves has been removed largely as a result of the spirit of cooperation which has been fostered by the Council. Membership in the Council is a real honor and entails a great deal of labor. The men who make up the Council have always been men of high integrity. This accounts for the success it has made in all the lines of its endeavors.

Its greatest contribution this year, to the college was its work in securing the passage of the "C average" rule by which all prospective members of fraternities are obliged to attain a scholastic average of C before they can join a fraternity. By doing this they recognized the primary purpose of attending college and have shown at the same time their loyalty and love for their Alma Mater. They have helped to make a difficult task just a little easier, and that task was to keep the high scholastic average of the college where it belongs. In this way they have truly contributed something permanent and worthwhile.

In 1929, the Iota Chapter of Sigma Mu Sigma was established on our campus. It is the youngest fraternity; but its ten years of existence has seen great progress. Starting humbly and with few members, it has grown to be one of the best fraternities on campus.

Sigma Mu Sigma limits its memberships to Masons, DeMolay, or sons or brothers of Masons. Only these are permitted to join it. This year, Sigma Mu Sigma took another step forward—Congress passed an incorporation act which makes Sigma Mu an International Fraternity as well as National.

The fraternity has taken an active part in campus social activities. Yearly it entertains its fellow Greek Letter societies at a dance party. Its members are active in all campus affairs both academic and social.

Lambda Chapter of Phi Sigma Epsilon was founded at Michigan State Normal College in 1934, with the combining of Chi Delta and Mu Sigma Chi Fraternities. From this beginning it has grown to its present position on the campus.

The national organization of Phi Sigma Epsilon is the second largest national teacher's college fraternity in the United States. Phi Sigma Epsilon is a charter member of the National Association of Teacher's College Fraternities.

The officers of Lambda Chapter this year are President, Ray LaBounty; Vice-President, William Waugh; Secretary, William Lamiman; Treasurer, Richard Ferman; Athletic Manager, Ellsworth Anderson; Pledgemaster, Joseph Morris; Sergeant-at-Arms, John Evans; Interfraternity Delegates, Ray LaBounty and Richard Ferman.

Lambda Chapter of Phi Sigma Epsilon has truly been a credit to the national organization. Her men have been conspicuous in all phases of campus activity. Their abilities have been extended in all directions. In athletics, they have been keen rivals, and in scholarship they have consistently maintained a high scholastic standard.

Zeta Chi Sigma Fraternity was founded in 1928 and incorporated in 1931. From the time of its founding, Zeta Chi has grown until it has reached a position of the highest prominence on the campus. Zeta Chi has been, since its founding, a top-notch in all campus affairs. Its men have held the most important offices on the campus and have fulfilled their duty in an enviable manner.

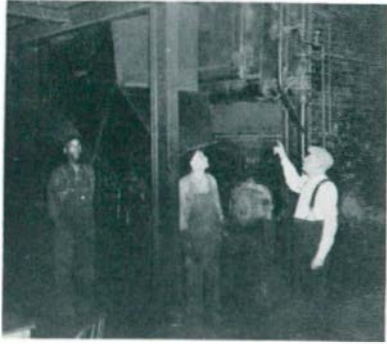

The Zeta Chis, while they do not confine their membership to music students, still have a large number of accomplished musicians. No college musicale could be a success without their participation. In all of the musical events on campus, Zeta Chi has taken an active part. In the All-College Song Contest three of its men entered original compositions, one of which was written by Ferris Mutter and took second place.

We think of fraternities usually in three terms: first, their social activities; secondly, their athletic activity; and thirdly, their scholarship. In all three of these Zeta Chi takes second place to none. It has for the past three years led in scholarship and has many members active in all of the campus honoraries. Socially, it has taken part also, for the annual "Zeta Chi Cruise" is looked forward to with keen anticipation by all who have ever attended one in the past. In athletics, Zeta Chi has been a keen competitor. Its teams have been tough to beat and have, in every case, proven their mettle.

MR. IRA SCOGIN

" 'Mike' Scogin has left much to perpetuate his memory. In a material way we are reminded of him by the many beauty spots on the campus which owe their existence to his love for the beautiful—a love which he helped others to acquire. Of greater importance is the constructive influence of his strong and upright personality which will continue to live."

September

"The stage is set; the breezes sing of it!" We raise the curtain on another year. Greenies pink with anticipation over-run the stage while upperclass representatives of the League and Union keep the first scene lively. Behind the backdrop, chief stage manager Marjorie Scott speeds assistants Hartung, Boyden, and Walsh on last minute touches to the Campus Sister set-up, while Bill Bryson's "Mugs" corner the first-year male contingent. The famous Faculty Tea takes the stage center and new students are impressed with lots of tea, lots of profs, lots of little cakes.

Then comes the traditional week of relentless activity. The campus tours

THIS our new Special Ed building! Not a Special Ed major? Too bad, chum. And Briggs Field, entering into its second official year. That landmark in the center of the field is this year's pigskin material; good stuff, too.

On the whole, however, accepted by both student and faculty alike with approval.

OUR PLEDGE

Music by Ed Bowles, Words by Laurence Randolph

YPSI, sacred Alma Mater, to your name we shall be true,
Ever marching on to victory, we'll stand by to see you through.
Softly floating on the breeze, verdant green with white of snow,
This our banner we will carry in our hearts where e'er we go.

Sing a song for Green and White—of her might and fame.
Through the years and years to come, truth and right shall be her name.
A foster mother she has been, kind to us as our kin.
Let us lift our hearts in praise,—dear old M. N. C.

HURON SONS OF YPSILANTI

Words and Music by Ferris Mutter

Huron Sons of Ypsilanti, battle for thy Green and White—
Show thy valiant courage and display thy might,
Vanquish all thy foes on hill and vale and lea,
Just defend the name of dear M. S. N. C.

Stalwart hurons, brave and fine,
Block that kick and hold that line.
Always honor Grand Old Normal.
Normal, thou alone shall stand—
Thou forever shall remain
The grandest in the land.

THE WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association was organized in the fall of 1925. It still maintains its original purpose—that of offering a sports program so varied as to interest every girl on campus, encouraging each one to take an active part in the sports program and offering individual and team sports that have a definite carry-over value to the participants.

The program consists of both major and minor sports open to class, sorority, and individual clubs. Sports included this year are basketball, baseball, bowling, badminton, volleyball, ping-pong, field hockey, swimming.

Participants in either individual or team sports receive points which accumulate throughout their campus careers. Victors in these contests receive additional points. Any girl who has obtained credit for 500 points is entitled to a W. A. A. bracelet presented at the June banquet. One thousand points entitles the girl to a pin; 2000, to a jacket; and 3000, to a blanket.

MEN'S ATHLETICS

INTRAMURAL

With Dick Pearson, student manager, and George Marshall, faculty director, the Intramural Department enjoyed one of the most successful years in its history. One of the highlights of the year's program was the closely-competed race between the six fraternities for the athletic plaque given annually. Never before has such a closely-contested race continued throughout the year from the first event, tennis, until the tenth, horseshoes, completed the program.

Arm of Honor, Phi Sigma Epsilon, Kappa Phi Alpha, Phi Delta Pi, and Zeta Chi Sigma gained their share of the points to keep the margin of difference between each group very small. The Hammerheads captured the swimming and volleyball championships; Kappa Phi won speedball; the Phi Delts took the basketball title; the Phi Sigs were table tennis champs; and Zeta Chi won handball and golf.

The all-college boxing and wrestling tournaments drew record crowds each night. Winners in the different weights in the fisticuff tourney were John Grant, Chief Greenwood, Andy Newlands, Bob Klein, Os Gaynier, and Bill Bryson. Grapplers that won trophies were Dave Gates, Art Lessel, Ray Schaeffer, Bill Razonowski, Jim Balten, Bruce Baumgartner, and DeWitt Barnard. Other intramural winners included Sy Rothman, handball; George Staudacher, tennis; Max Reynolds, table tennis; Joe Bartolacci, golf; Hamilton Morningstar, football punt; and Walt Turton, basket shooting.

The "Sensations", captained by Bartolacci, won the independent basketball championship. John DePalma's "Swamp Rats" won the touch football league. Several others won intramural charms and trophies during the extensive program which was sponsored by the department. All-campus cross country meets, track meets, and a Handicap meet were held.

Middle Row—Lane, Rynearson, Todt, Corning, A. Newlands, Herlihy, Mayfield, Hathaway, DeWard, Squires, Hornus, Leider, Yeager, Walker, Ross.
Front Row—Marshall, Siera, Valleau, Jaffe, Pokrywka, Miller, Gruber, Starwas, Walsh, Everett, Hutchins.

Rynie's gridders opened the season with an abundance of back-field material and a big powerful line. Displaying a powerful, pile-driving, running attack, the Huron eleven downed Indiana State Teachers, 37 to 0; Alma, 20 to 0; Illinois Normal U., 12 to 6; and, before a capacity Homecoming crowd, ripped through Wayne U., 20 to 7. These four successive conquests brought out a new sophomore star in Walt Siera, brilliant halfback from Hamtramck to team with veterans Walsh, Everett, and Walker, hard-running lettermen. Siera scored seven touchdowns during this first half of the season and figured in most of the others by his accurate passing.

But the whole story isn't told with the first half of the season. The Huron gridders traveled to Central State to meet an opponent with an equally impressive record. Though drawing first blood, the Normal team dropped their only game of the season to the Bearcats, 7 to 6, under lights. But the tough luck was not to change. Bowling Green, coached by Harry Ockerman, the former Huron mentor, stopped the Normal aggregation 7 to 7. But in the remaining two games, the Hurons "came back", trouncing Kalamazoo College, former MIAA champions, 39 to 7, and Northern State, 25 to 2.

With backs Siera, Walsh, Walker, Everett, Valleau, Yeager, Yuille, and Andy Newlands parading across the goal line back of the big, tough line including seniors Balten, DeWard, Engle, Mayfield, Hathaway, and co-captains Miller and Gruber, The Team chalked up one of the most impressive seasons seen here in years while retaining Coach Rynearson's record of never having lost more than two games in a season.

Though Walker and Everett will be missed in the backfield, the biggest job facing Rynie is in replacing the graduating linemen. Captain Miller's brilliant pass-catching and defensive work as well as the fine play of the other six is a job no coach likes to face. Yet found in the ranks of the returning men are Captain-elect Pokrywka, Corning, George Newlands, Brundage, Jaffe, Lecznar, Wickett, Shaffer, and several others who, it is expected, will round into another big, strong line.

CROSS COUNTRY

Back Row—Coach Olds, Hughes, Lee, Mackin, Grindle, Cowan.
Front Row—Vartanian, Herman, Osborn, Quinn, Reber.

With sophomore Tommy Quinn leading the pack each time, and sophomore number two, Bob Lee, close behind, Coach L. W. Olds' harriers kept intact the enviable Michigan Normal cross country record. Besides winning their five dual meets, the thinclads also won the Michigan A. A. U., having but one lapse during the season when they took but a third in the State Intercollegiates.

Wayne U, Toledo U, Wisconsin State Teachers, Bowling Green U, and Oberlin College teams all fell by merciless scores to the Huron harriers. Besides Quinn, who placed second in the State A. A. U. and eighth in the National meet, and Lee, who each time followed Quinn's heels, Captain-elect Spike Hughes, sophomore Paul Herman, and former lettermen, Captain Osburn and Bill Mackin were the important cogs in the Olds' undefeated machine. With the first four men back and freshman Duane Zemper and others to fill in as fifth man, Coach Olds eyes the '39 season as one of the best in the history of his great teams.

Front Row—Alfsen, Yeager, Walsh, Siera, Walker, Casella.

Lacking the much needed height, Rynie's cagemen chalked up only five wins during the '39 season while dropping eleven contests. With Normal's wee mite, Captain Jimmy Walsh, again the leading scorer, the Huron quintet pulled plenty of very good games out of the fire, but suffering because of the lack of good tall men failed to come out on top. Winning from Kalamazoo College, MIAA champs, Alma twice, St. Marys, and Northern State, the Ryniemen lost to Bowling Green, St. Marys, and Kalamazoo once each, and twice to Wayne, U. of D., Central State and Hope.

Though final totals for the season depict a rather poor season, the two games with Kalamzoo and the close games with the Wayne quintet, and those won showed a fast, aggressive outfit, capable of playing a good brand of basketball. Season's high points included the steady, dependable Al Anderson whose long shots turned the tide in several games; the clever team play of Walsh, Walker, and Casucci, whose fast, blind passing constantly kept opponents off-balance; Ed Engle's returning to the squad even with his injured arm, which gave trouble all season, to give the team one tall man; the able replacements of Captain-elect Joe Cook, Dick Yeager, Carl Alfsen, Walt Siera, Jess Davis, Danny Casella, and Harry Carlson. With a whole squad of tall men graduating from the freshman class, Rynie views the '40 season with a very favorable outlook though Walsh, Walker, Casucci, Engle, Anderson, and Casella leave the squad.

Second Row—Drusbacky, Todt, Curtes, Scripter, Newlands, Walsh.
First Row—Barnes, Lamiman, Cowan, Gerhardt, Borovich, Siera, Wescott.

One of the finest balanced squads ever to grace a Michigan Normal diamond greeted Coach Ray Stites this spring. Filling in the vacancy left by the immortal Zeke Zachar, Coach Stites found his biggest problem. After several days of workout, the mound duty was divided between senior George Everett, junior John Westcott, and sophomore Ray Dennis.

The other half of the battery duty was again taken over by twice-veteran Al Anderson. Stites divided up relief work between Bill Lamiman, Cass Cassucci, and Orv Barnes. With former first sacker Everett being converted to mound work, the first base job was given over to Joe Borovich and Pat Hefferman. At the keystone sack, Mike Drusbacky drew the first call, but was closely pushed by Ray Wiczynski. At third, Captain Don Todt took over, with sophomore Carl Alfsen as chief competition. Veteran Jimmy Walsh was again named for the shortstop job, while another second-year man, Ed Gerhardt, was chosen as understudy.

The outfield jobs fell between six candidates. Veterans Fran Scripter, Joe Pokrywka, Bill Cowan, and newcomers Joe Cook, Andy Newlands, and Walt Siera fought for these garden spots.

Playing a fifteen-game schedule, the high points included home and home series with University of Michigan and Michigan State, and three games with Toledo U. Other home and home games were played with Wabash and Hillsdale, while single contests were with Bowling Green, Wooster, Oberlin, and Alma.

TRACK

Back Row—Schaeffer, Grafton, Jentis, Simpson, Foster, Brietag, Poy, Packer, Kivo, Hamilton.
Middle Row—Coach Olds, Clark, Lee, McClellan, Quinn, Squires, Cooperman, Hughes, Zemper, Gaynier, Marshall.
Front Row—Osborn, Grindle, High, Balten, Hathaway, Drewyour, Macken, Miller, Morningstar.

Going through the indoor season without a defeat in a dual meet, Coach Lloyd Olds again turned out one of the best thinclad teams in the state. Outdoor season as well saw Coaches Olds and Marshall putting a topnotch outfit on the track and field with prospects high.

Opening the indoor season against the combined forces of Albion and Hillsdale, two of the leading MIAA teams, the Hurons soundly trounced the opponents, $79\frac{1}{2}$ to $15\frac{1}{2}$. With Floyd Hoffman scoring two firsts in the spring events, and Tommy Quinn breaking the tape twice in the half and the mile, the Normal team easily won. Butler U was the next fall to the Normalites. Sweeping the two-mile, shot, pole vault, and high jump, they avenged the defeat of a year before.

Once again Wayne U fell before the Olds squad, $58\frac{1}{2}$ to $45\frac{1}{2}$, when the Huron distance men swept both the mile and two-mile. Piling up 82 points to Ohio Wesleyan's 22, the tracksters won their fourth dual meet. Bowling Green was next in line, suffering an 88 to 16 defeat at the hands of the Hurons. Clark pulled the surprise of the meet by breaking the 220 yard dash record, while Balten for the only time of the season outthrew Captain Hathaway in the shot, an event in which neither of the two were defeated all season. The State relays followed in which once again the weight men scored a first and second.

Floyd Hoffman also carried off first in the 440-yard dash, while Grafton, Frid, and Morningstar tied for a first in the pole vault. Lee also took second in the two-mile. The relay teams also turned in good performances.

GOLF

GOLF SQUAD

Coach Olds, Sarnes, Stadtmiller, Sutton, Yeager, Wenger.

The Huron linksmen opened the season with but one veteran available. Captain Dick Yeager, junior, was the only returning golfer around which the team was moulded. Along with Yeager, playoffs resulted in positions being won by Mike Sarnes, Julian Sutton, and Bernard Stadtmiller. Lou Wenger, captain of the 1938 team assisted Coach Lloyd Olds in managing the foursome.

Twelve matches were arranged, with the home and home series with University of Detroit, Wayne U. Toledo University, Alma College, Grand Rapids, Junior College, and DeSales College in Ohio. Wash-tenaw Country Club was the scene of the Huron's home matches.

Prospects for the '40 season were much brighter with the fact that Fred Kurz letterman, would probably return to the squad and freshman Roy Lawrence would be eligible. Only Sutton and Stadtmiller will not return next year.

TENNIS

TENNIS SQUAD

Top Row—Gordon, Weinlander, Chapman.

Bottom Row—Schwartz, Howard, Goodsmán, Frogner.

With former co-captains Ed Howard and Red Goodsmán returning to lead the squad again, Coach Pop Sampson met a squad with better balance than any in previous years. Besides veterans Howard Goodsmán returning, lettermen Max Weinlander and Seymour Gordon were again back. Along with last year's quartet, sophomores Chuck Frogner and Harold Schwartz made up the squad.

The netters faced one of the toughest schedules ever arranged for a Huron court team. Matches were scheduled with the tough Kalamazoo College team, University of Michigan, Michigan State, Wayne University, University of Detroit, Albion, and Lawrence Tech.

While losing only Howard and Goodsmán for the 1940 season, the racqueteers will gain one of the finest netmen ever to grace one of Pop's teams in Vic Mastromarco.

FRESHMAN FOOTBALL

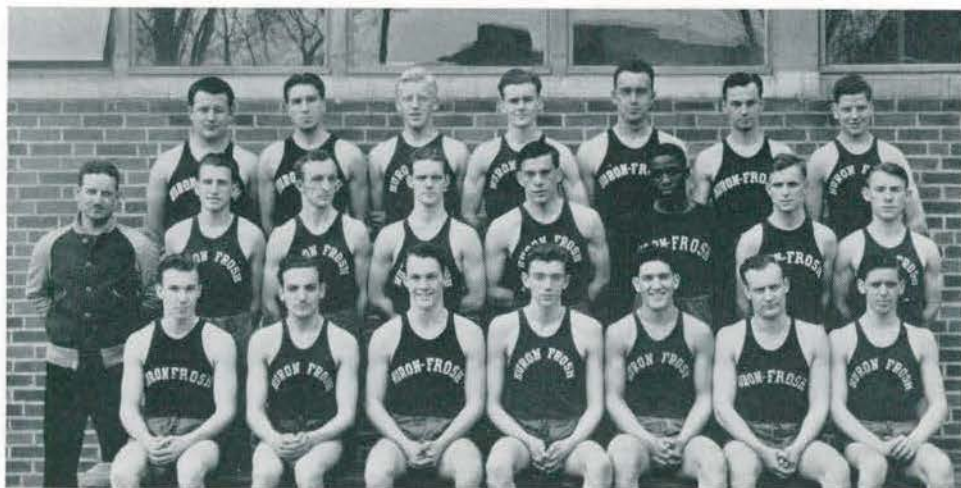

After battling the Michigan State frosh on an even basis for a half and tying the U. of D. first-year men for three quarters, superior man power on both the Spartan and Titan squads proved too much for the Huron Papooses defeating them in their only two games. These two losses, however, do not tell the entire story for the frosh eleven actually uncovered plenty of material which foretells of another great year for the Huron varsity unless eligibility rules take their toll. Outstanding men on the squad with graduates to the tutelage of Coach Ryneason this coming fall are Sid Gretzner, Bob Wing, Barney Dyer, Dick Gilles, Bern Faucher, Bill Wales, Bob Blumenshine, Ken Cleary, Art Maschke, and Dave Gates.

FRESHMAN BASKETBALL

Coach Ray Stites' frosh basketball call brought forth a squad which averaged well over six-foot, one of the largest which has ever graced Normal's hardwoods. Though burdened by losses due to injuries throughout the season, the squad came through in good fashion which predicted Rynie would inherit a wealth of material for the varsity next year. The original Stites quintet included all six-footers or better. Ed Kontrymowicz, a Hamtramck product; Ken Hendy and Fritz Bennetts, former Lansing Eastern stars; Burn Misener, graduate from Port Huron J. C. five; and Chuck Oxley, a Pontiac High School product. With "Kontry", Hendy, and Misener out at various times throughout the season with injuries, the vacancies were ably filled by Bill Ladd, Roy Lawrence, Dave Gates, and Ed Anzicek. Victories over Albion frosh, Fordson J. C., U. of D. yearlings twice, and Saginaw YMCA offset the losses to Wayne and one to Fordson J. C.

FRESHMEN TRACK

Lacking only weight men, the 1939 frosh track team unearthed one of the finest first year aggregations ever seen here. Varsity Coach Lloyd Olds smiled happily in anticipation of greater things to come in the next three years as great performances were shown in each meet. In the varsities weakest spot, the hurdle events, the frosh call brought forth two of the best prospects in years in the persons of "Cotton" Hlad and Sterling Paris, each of whom set new indoor records. Equally adept in the 440, Paris joined Ralph Guildenstern and Louis Kagen as brilliant white hopes. In the dashes, little Davey Conway set the pace. Brezinski, Johnson, Burnie, and Richardson combined their talents in the distance events. Pole-vaulters who matched the varsity jumpers included Cleary, Stein, and Webb. Tony Razmovich tossing of the javelin assures many points in future state meets. Several other yearlings gave Coaches Olds and Marshall promises of greater years ahead.

FRESHMAN TRACK

Top Row—Bloomer, Rosmovich, Hlad, Perry, Kosley, Guildenstern, Hansma.
Middle Row—Coach Marshall, Durham, Burne, Pfeiffer, Brezinski, Paris, Puvogel, Conway.
Bottom Row—Thomas, Kagen, Webb, Summerfield, Johnson, Cleary, Richardson.

FRESHMAN CROSS COUNTRY

With Duane Zemper as pace maker, the Huron frosh harriers lost only to the Wayne yearlings, which they twice avenged before the season was completed. Coaches Marshall and Olds visioned a spectacular season for 1939 when Zemper, Johnson, and several of the other first year men would be teamed up with Quinn, Hughes, Lee, and others of the varsity returning. The yearling leader from Flint, besides setting a new record in the last Wayne meet, also captured the annual Turkey Day Run in Buffalo.

ACKNOWLEDGMENT

The end-product of months of work is before you. Myriads of plans and campaigns, weeks of composing, typing, proof-reading, hours of photography and engraving and printing were all integrated to make this book an art gallery of campus life.

So many have lent valuable assistance in publishing this book. We want to express our gratitude to all these:

To the members of the staff who cooperated, offering brain, brawn, and energy to the completion of the work;

To members of the faculty and student body who supported our campaigns and encouraged us to try new schemes and plans;

To administration to made possible the publication of this book and its distribution to every student on campus;

To Service Engraving Company, Rogers Printing Company, Smith-Molloy Company, and Millers' Photography Studio for the work that speaks for itself and for courtesies proffered.

To all of you are we indebted.

OUR THANKS TO YOU.
