## *Hurons*

Here are echoes from Sleepy Hollow,  
Cries from old Detroit and years gone by,  
Yells from the stadium and court follow,  
These are the sounds of the old Huron try.

Of old, the Hurons fought the Iroquois.  
With Tecumseh, they massacred the white,  
Were defeated at Thamesville by Hank's boys.  
Still the Hurons have the lust and fight.

We hear again the call of graduates gone  
From the campus in Ypsi, and remind  
Ourselves, one and all, to shout out loud and long  
The old Huron Fight Song for those to find  
Their many ways back to a college  
Settled firmly on a foundation of tradition and knowledge.

*President John M. Munson*

# Dedication

John M. Munson, Ph.B., M.Ed., D.Ed. L.L.D.

*W*e of the class of 1948 feel that President John M. Munson especially belongs to us because at the end of the year he, too, will sever active relationship with Michigan State Normal College.

For more than a half century Dr. Munson has rendered conscientious and constructive educational service to the State of Michigan. His record of consistent progress is an inspiration to us all. Beginning as a teacher in a one-room school in Northern Michigan, he became, in succession, superintendent of schools in several localities, deputy superintendent of public instruction and director of Michigan's fifty county normals, acting superintendent of public instruction, director of teacher training and placement at Central Michigan Normal School, president of Northern Michigan Normal for ten years, and during the past fifteen years he has been president of his and our alma mater. He was a member of the State Board of Education Advisory Commission for eleven years from its incipiency. He served several years as editor of Michigan Moderator Topics, the immediate predecessor of the Michigan Education Journal. He was one of the first members of the Michigan Teachers' Retirement Fund Board, and a member of many other important Michigan and national educational committees and commissions.

Throughout his distinguished career, his record has been one of educational statesmanship of a high order and withal a strong stabilizing influence in the educational affairs of Michigan.

President Munson's contribution to the Michigan State Normal College has been notable. Replacement of old buildings, remodeling of other buildings, addition of equipment, and modernizing the curricula during his regime will always mark an outstanding achievement in the history of our College.

The many kindnesses President Munson has extended to us in his unostentatious manner whenever we were in need of sound advice and assistance will linger long and gratefully in our memories.

# Administration

## *Our President*

President John M. Munson

For fifteen years, President Munson's practice has been to follow those policies which proved to be beneficial to the students. Through his efforts the Normal has also secured both new buildings and equipment. Now, at his retirement, the students of M.S.N.C. extend to President Munson their thanks and good wishes.

# Classes

*Class of 1948*

# *Senior Class History*

Our senior activities were under the capable leadership of officers Joseph Dowdy, president, Stanley Schook, vice-president, Richard Tarolli, treasurer, and Donald Hossler, secretary. The Senior Class got this year's activity under way by the entry of a float in the Homecoming Parade. It seemed odd to think that next year we would be a part of the alumni instead of the student body. Next on the list was the Senior Class Sing which was bigger and better this year. The Seniors had plenty of Christmas cheer and class spirit. Of course we didn't miss the big semi-formals during our last year. The Yule Log Drag, the J-Hop, the Soph Swirl — we turned out for all of them. The senior vets, however, thought the Kresge much more fun—for financial reasons. These dances, the sports, the stroll around the campus in spring, and even the studies will all be a part of our college memories next year.

We planned eagerly for our Senior Class Day. The Senior Flag Walk gave us a chance to say good-bye to all the college buildings and also gave under-grads an opportunity to admire us in all our glory. The Senior Ball, our last big social event was one of the loveliest dances of the year. But it soon faded into the past, yielding the spotlight to the unforgettable Commencement Day that made us a part of M.S.N.C.'s alumni.

We hope the college can struggle along without our remarkable talents, but don't shed too many tears, because we'll be seeing you next fall at Homecoming.

# Junior Class History

Dear Mother,

We Juniors had a rather successful time of it this year, really we did. But of course, what can one expect? What I mean to say is that we were really good. Our judgment was, as usual, perfectly infallible. Anyone, and I mean just anyone at all, could see this. Positive flesh and blood examples are our class officers. Scholarly, distinguished, alert, ingenious, every one of them. (The preceding statement was a paid advertisement.) President Donald Streat, vice-president Chester Borysewicz, secretary Janet Thompson, and treasurer Richard Guregian, are all destined to go far. Just how far and in what direction is still a puzzling question.

Of course we won first prize with our float in the Homecoming Parade, but naturally we had expected this all along.

Among our many, many, outstanding achievements, the J-Hop ranks first. On Friday, February 19, McKenny Hall was filled with couples dancing to the music of Phil Brestoff and his vocalist Dee Parks. The dance centered around a Star-lite Ball theme and the decorations featured a large star and a silhouetted dancing couple.

Well, mother, I simply must close this letter as I have so much studying to do tonight. I intend to observe the habits of night insects in Sleepy Hollow.

Your daughter,

Agnes

*Class of 1950*

# *Sophomore Class History*

*W*e came back to the old stamping grounds with a feeling of great self-confidence. After all, we had survived our first year and were now upper-classmen.

We promptly put the current crop of Frosh in their place by winning the class games. They put up quite a struggle, but our sophomore "men of steel" were too much for them. In fact, president Louis Pacioni seemed to be very much at home swinging atop the greased pole. Because of our victory in the class games, a greater part of the year was enlivened by harassing the freshmen.

The class elected officers Louis Pacioni, president, Lloyd Keller, vice-president, Marion Runkle, secretary, and Carol Wells, treasurer, to lead us in our activities.

We showed the college what we could do when we put on the Soph Swirl, March 19. McKenny Hall was packed by college couples dancing to the easy rhythms of Dick Gregory and his band. Feature of the decorations was a large silhouette of a couple dancing.

It was some dance, but wait until you see what we can do with the J-Hop next year!

*Class of 1951*

# *Freshman Class History*

We started our first year at M.S.N.C. by attending the Freshman Tea where we got our first glimpse of the faculty. At that time we thought they were very sociable and easy going. Little did we know! The freshman coeds were guided around the campus by their Campus Sisters, who also answered all questions that were forthcoming.

After the first excitement of enrollment, we buckled down to studies. But we still had time to participate in the Homecoming celebrations. It seems that the sophomores always win the class games. However, we know why. Someone, perhaps these same sophomores, scheduled a freshman football game for the purpose of disabling all our biggest men. We shed a lot of blood and tears around the greased pole, but the only event we won was the obstacle race. Oh well, green is a lovely color.

We have 717 members who enrolled last September, 155 who arrived in February, and lost 225 to the sophomores in February.

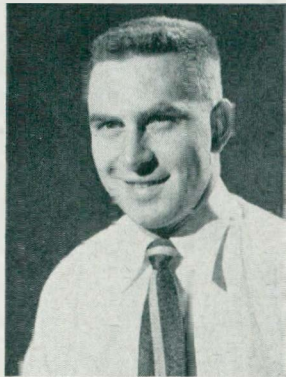

Two members, Margaret LaFleur and William Wilcox, were appointed class leaders. They arranged for the mixer on February 18 which turned out to be one of the best ever held. It was unique in that we had an orchestra led by our own Dick Peters. A piano and voice solo were given by two freshmen, Marian Alchin and Jerry Connolly, respectively. The ballroom was crowded by 300 persons getting properly mixed.

March 19, we held our class elections. Charles Newton was chosen president, and Lawrence Smith as vice-president. Margaret LaFleur was elected secretary and Donna Henry as treasurer.

## Varsity Football

The Hurons opened the season against the Scots of Alma College on September 26. Playing under the lights before a capacity crowd that had come to witness the twenty-fifth meeting of the two teams, the Huron eleven got off to what looked like goal-bound drive. This initial offense was stopped by the Scots five yards short of pay dirt. The rest of the first half was marked by fumbles and intercepted passes. The Scots, however, crashed through the scoring column on a ten-yard off tackle run by the Scot left halfback, Rex Roseman. The kick was wide for the conversion and the score at the end of the third quarter stood at 6-0. The Scots put over another tally as Roseman again bucked his way into pay dirt. The final score Alma 12 MSNC 0.

The Huron eleven opened their home stand at Briggs Field against Illinois Normal before well over two thousand fans. The first 57 minutes of play were hard fought by both teams with

**Bill Adams, Barney Dyer, E. J. Ryneerson, W. R. Crouch**

neither able to score. It was during the last three minutes of play that brought gloom to the Huron fans, as the Illini right end, Roosevelt Banks intercepted a flat pass and romped 60 yards for the only score of the game. The attempted conversion failed as the final gun ended the contest. Final score Illinois Normal 6 MSNC 0.

Normal journeyed to DeKalb, Illinois for the third game with hopes of upsetting the Huskies in their homecoming game. The Huron hopes were not realized as Northern Illinois ace quarter back, Don Fortunato passed his team to a decisive 21-6 victory. This game produced the first Huron score of the season as Corky Foster, right half, went over for the touchdown. Clare Ebersole's attempted conversion was blocked. The final score Northern Illinois 21 MSNC 6.

With the slogan "Ninety-Eight Years And Still Normal" the Huron Homecoming festivities got under way as three thousand loyal fans braved inclement weather to witness the game. The Dutchmen of Hope College furnished the Huron opposition on a rain soaked field. Normal drew first blood as half-back Jim Martin intercepted a pass in the second quarter and scampered forty-five yards to score.

The Huron line stood off the determined Dutchmen in the first half to keep on the long end of a 7-0 score at half time. It wasn't till the last quarter that signs of victory began to fade as the passing of quarter back Nick Yonkers sparked the Dutchmen to two touchdowns. Both of the touchdowns were scored by Bob Emery, Hope full back. Bright spots of the game were Dale Alderson's quick kicking, and an improved Huron eleven. The final score Hope College 12 MSNC 7.

The fifth game was played at Briggs Field against Hillsdale. Although the Huron eleven showed signs of improvement it was not enough to overcome the strong Dale squad. It was during the second half of this game that captain, Charles Lane suffered a dislocated shoulder. The scoring consisted of two safeties and two touchdowns by the Dale half back, Tom Ward. Final score Hillsdale 15 MSNC 2.

The Normal eleven met their sixth straight defeat at the hands of Central Michigan. The Huron's furnished the competition for the Chips homecoming. The Green and White showed some sparks of life in the contest as Van Riper broke through the Chip line for a 40 yard run but was stopped short of the goal line and Syl Wojcecki returned a Central Michigan kickoff 91 yards to the Chips nine yard line but half time ran out after one uncompleted pass attempt. The final score Central Michigan 33 MSNC 0.

The only victory of the season came in the last game against a highly favored Ball State eleven at Briggs Field. This not only broke the Huron six game losing streak but handed the

Cardinals the first defeat of the season. It was hard blocking and tackling by the whole Huron squad that brought about the much sought after victory. Outstanding was the kicking of Dale Alderson, tackling of Larry Soldan, running of Syl Wojcecki and Jack Van Wagner, and the all around play of Clare Ebersole. Wojcecki scored the first Huron touchdown on a line buck with

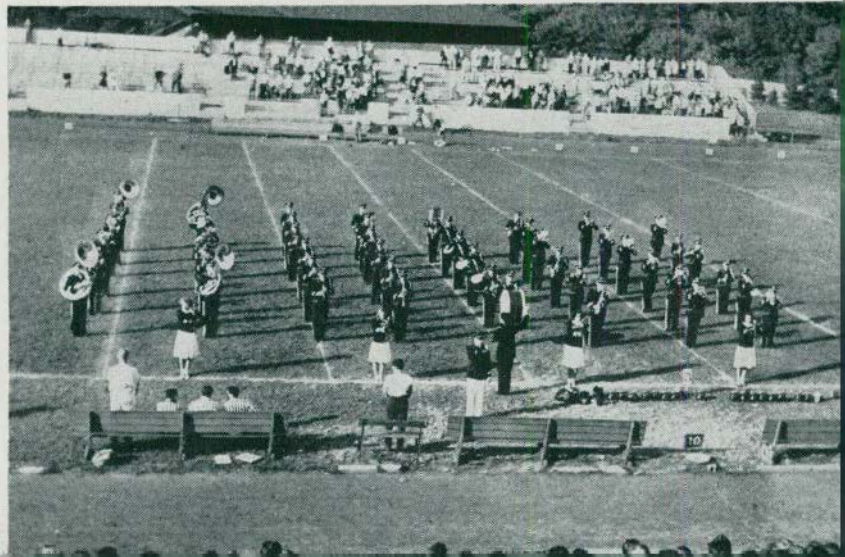

the help of Van Wagner. The winning touchdown was scored by Van Wagner on a ten yard off tackle play early in the second half. The lone Ball State tally was made by the Cardinal right half, Gene Dance in the first half. The final score Ball State 7 MSNC 14.

## *Varsity Basketball*

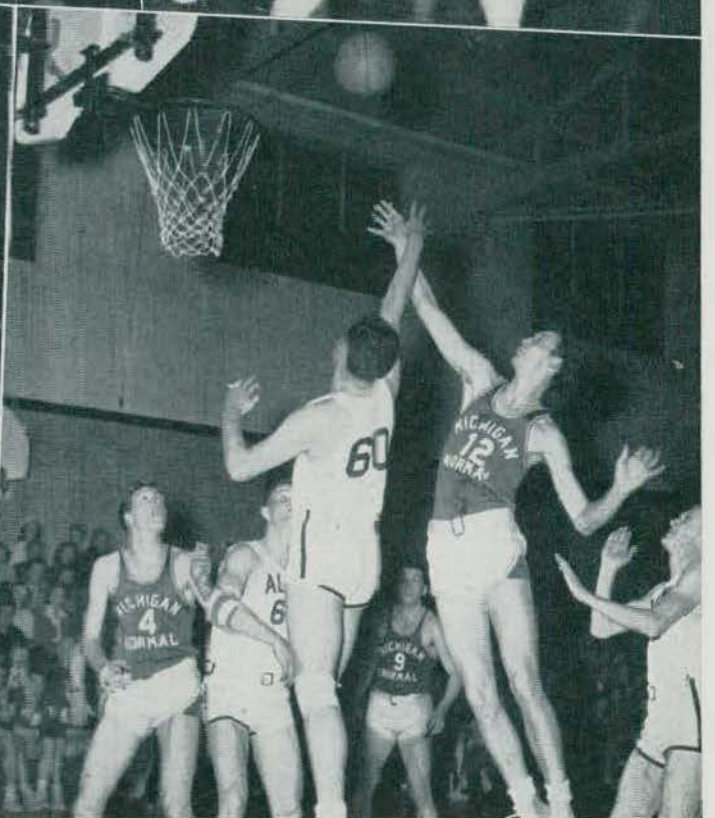

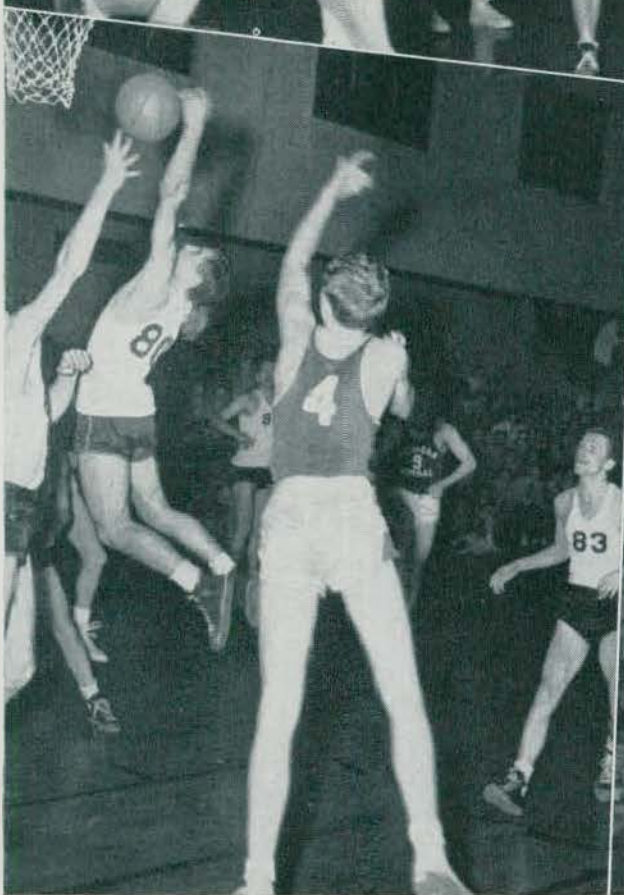

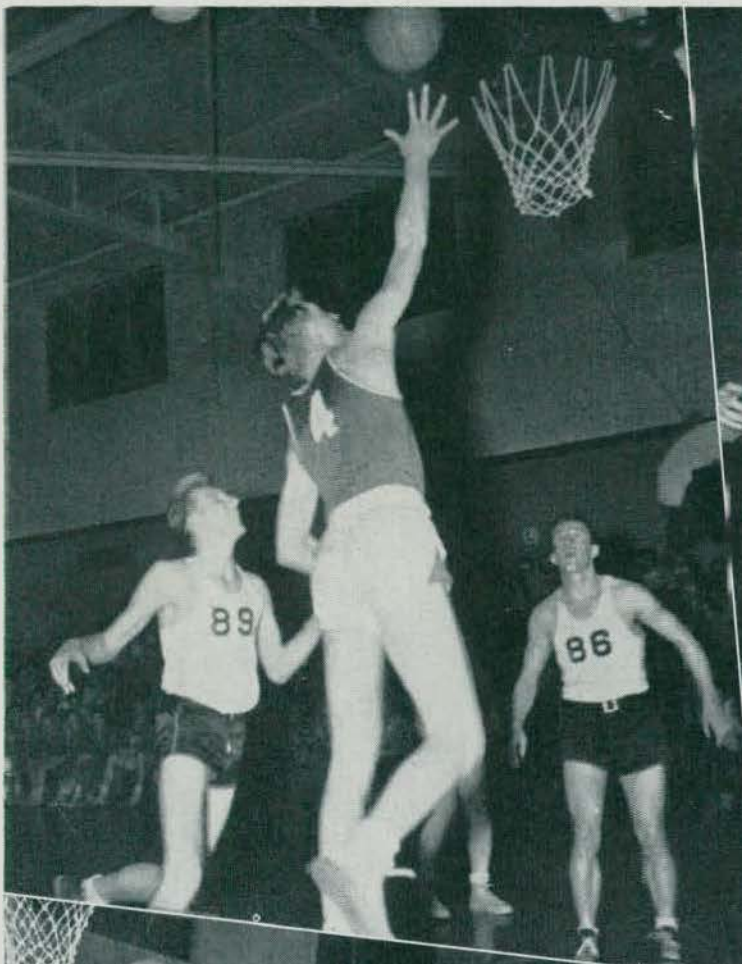

The Hurons opened the 1947-'48 cage schedule with a new mentor in the person of Bill Crouch. The Normalites were not too successful, dropping thirteen of their scheduled eighteen contests.

Len Sweet, a junior from Flint, Captained the cagers throughout the season and held down one of the regular guard positions.

The Green and White squad used a semi-fast break offense for most of the season and for the first time in twelve years defeated the Titans of The University of Detroit.

Captain Len Sweet, Leo Turner, Dale Sawicki, Jim Miller, Jim Martin, Roy Weir, Dick Guenther, Gil Dalrymple, Lloyd Keller, Reinard Heiningner, and Art Harper received varsity letters in the sport.

Back Row: Kraft, Tarolli, Lintner, Smith, Hossler, Edwards, Smith, Coach Marshall

### RESULTS

Michigan Normal won all the dual meets on the schedule and placed Sixth in the Loyola Invitational; Fourth in the National Juniors; Fourteenth in the National Collegiates.

Michigan Normal	24	Ohio Wesleyan	33
Michigan Normal	25	Ball State	30
Michigan Normal	20	Bowling Green	40
Michigan Normal	25	Central Michigan	32

Low score in cross country is the winner. Places are scored as the position a man finishes. For example Michigan Normal runners come in first, third, fifth, sixth, and tenth their score would be the sum of 1, 3, 5, 6, 10 or 25.

Back Row: Smith, Hossler, Harrower, Nederlanden, Johnson, Dart, Weiss, Edwards.  
 Middle Row: Coach Marshall, Naveaux, McMillian, Rasmvich, Fedraw, Dickerson, Spencer, M. Duszynski, Coach Hershey.  
 Front Row: S. Duszynski, Lintner, Robinson, Gundrum, Capt. Hollosy, Campbell, Pingel, Marx, Brodie.

## Varsity Track

Rated by a usually conservative New York Times as the best college team in the nation last year, the Michigan Normal track-clads will, with basically the same squad, endeavor to retain that rating this year.

Last year's team captained by Bill Cave won the college title in the famed Illinois Tech Relays; lost the Purdue Relays to Baldwin-Wallace and the flu by three-fourths of a point; won the Elmhurst Invitationals; the State Intercollegiate; and the Michigan AAU Championships.

This year's team captained by Charles Hollosy again places the greater share of its winning burden upon the sturdy dusky shoulders of Garion Campbell, sprinter, hurdler, and broad-jumper. Al Pingel, nationally rated distance man, heads all others in the distance events. Forrest Naveaux, pole-vaulter; Jim Brodie, high-jumper and hurdler, Keith Gundrum hurdler; and Jack Weiss, shot-putter, are other highly rated performers. Supplying able support to these men star performers are such men as Ron Fedraw, Bill Nederlanden, Art Marx, Don Smith, Don Hossler, and Jack Edwards, middle distance men; Ben Donaghy and John Harrower, pole-vaulters; Mike and Sam Duszynski, distance men; and Tony Rasmovich and Stan Johnston, weight men. Other promising performers are such men as Bob Robinson and Bill Lintner, middle distance men, and Dick Lee, shot-putter.

## *Frat and Dorm Intramural Managers*

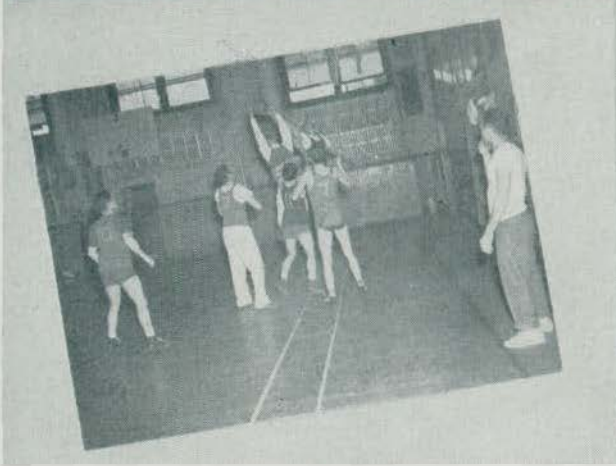

Dr. L. W. Olds  
 Head of the Intramural Department

Harry McKittrick, Fred Wiegman  
 Jr. and Sr. Managers

The Intramural Department this year sponsored an overall sports program which included football, basketball, softball, tennis, swimming, ping pong, volleyball, badminton and golf, and track tryouts for Sigma Psi, an honorary athletic organization.

Again this year, two divisions were included in the major sports. One division included the Independents, McKenny Hall, Munson Hall, and both of the housing units. The other bracket was composed of the fraternities.

Completing a program of extensive participation and comprehensive planning on the part of the student directors, managers and Dr. Olds, everyone looks forward to an even better program next year.

## Women's Recreation Association

The Women's Recreation Association is a program of intramural sports for women and offered to all women on campus. One season in any activity offered entitles the participant to become an active member, and this is maintained by participating for one season each college year. An Executive Board is elected each April by the active members of the organization to supervise the activities. They elect the General Board which consists of the Officers, The Sports' Managers, The Publicity Managers, League Representative, Social Chairman, and any other special office. The main highlights of this organization are the Co-educational Sports Nights, W. R. A. Camp, and The W. R. A. Banquet, at which time the "M" pin award is presented to the outstanding Junior or Senior member of the organization. One other highlight is the naming of an honorary team after each sport is closed. The names of the girls making the honorary team are posted on the W. R. A. Bulletin Board.

## Hockey Team

Back Row: Spork, Nagy, Cramer, Boyle, Schelowski, Acker, Spencer, Moore, Restamus, Sitchel, Smith.  
 Front Row: Bartlett, Everett, Siterlet, Gray, Overleaf, Hornshaw, Clements, Vetal.

## W.R.A. Swimming

Through the haze of chlorine water we found the members of Swimming Club working hard on mastering the porpoise, the dolphin, and the kip, until their heads swam. Their work was well worth the effort, as shown in the fine water pageant they presented in April.

## Volleyball

The 1947-48 volleyball season was termed quite a success by its approximately 100 participants.

Because 10 teams signed up, two leagues were organized. A round robin tournament was played in each league with two games a night scheduled every Tuesday and Thursday. After the winners of each league were determined the two teams met for the final championship game. A large and enthusiastic crowd watched the team of Pat Can; and Jo Kinginger emerge victorious.

## *W.R.A. Basketball*

Basketball is the most popular of the W. R. A. sports. Eleven teams participated in a round robin tournament. Two leagues were formed and the winners of each league played for the championship. Physical Education majors were limited for each team; making playing ability more equal. Some excellent games were played with everyone enjoying herself.

## *W.R.A. Field Hockey*

The girl's Field Hockey team had a successful season in the fall of 1947. Two competition games were staged with the University of Michigan and Albion. Normal defeated Michigan 3-0, and Albion 3-0. Other games between dormitories were played when scheduled meets were not being played. Emerging as the victor between dormitories was the Goodison Hall team. Rivalry between Gloria Moore, King Captain; and Rosemary Nagy, Goodison Captain ended when an all star team was formed from both teams to play Michigan and Albion.

## *Industrial Arts Club*

The Industrial Arts Club, organized on the Michigan State Normal Campus thirty-six years ago, is an active body in College life. Members of the club cooperate to improve the teaching of industrial arts subjects and develop new methods of instruction.

Each year is climaxed with the annual Industrial Arts Club alumni banquet, and a picnic.

The objectives of the Industrial Arts Club are; to promote good fellowship, to encourage scholarship, to afford opportunity for members to become acquainted with leaders in the State, and to stimulate interest in progressive educational ideas in the field of Industrial Arts.

## *Physical Education Club*

After several inactive war years, the Physical Education Club of '47-'48 presented interesting programs which integrated education with recreation. Such speakers as Jay B. Nash of New York University; Charles Forsythe, the director of Michigan High School athletics; and R. C. Kooi, director of the Ford Motor Company Recreation Department were presented. Supplementing these were panel discussions and fun nights.

The Inter-Fraternity Council resumed its duties September 1947. Its chief aims are to supervise pledging, act as a mediator between inter-fraternity groups, and to form the fraternities of the campus into a closely-knit group.

To help achieve some of these aims, the Council sponsored, very successfully, the "Spring Thaw."

Through the Inter-Fraternity Council the fraternities are maintaining the importance on the campus which they deserve.

## *Zeta Chi Sigma — Sigma Tau Gamma*

The fraternal year for Zeta Chi Sigma was an active and eventful year. At the beginning of the fall semester the Fraternity house at 404 Ballard Street was reopened, and was the scene of many social activities.

The outstanding event of the year was the decision of Zeta Chi Sigma to join Sigma Tau Gamma, a National Social-Professional Education Fraternity. On March 20, at a formal banquet held at McKenny Hall, Zeta Chi Sigma was installed as Alpha Theta Chapter of Sigma Tau Gamma.

One of the highlights of the year was the annual "Spring Cruise" which is rated high among the dances sponsored by groups on the campus. The Cruise as always was a huge success. Other social activities in which Zeta Chi took part were the Homecoming festivities and the annual Christmas Sing.

The Fraternity contributes greatly to the college spirit of sportsmanship and good will. To keep in touch with its more than two-hundred alumni members Zeta Chi Sigma publishes a bulletin called the "Zeta Cry" which keeps them in touch with each other, and informs them of all major campus and Fraternity activities.

## *Phi Sigma Epsilon*

The year of 1947-48 was a busy one for the members of Lambda Chapter of Phi Sigma Epsilon. Eighteen new men now wear the badge of P. S. E. bringing the total membership to some forty active members.

In the fall, work was begun on re-furnishing the chapter house and as this book goes to press the work is in its final stages.

A valentines party featured the spring social events for the men of Lambda Chapter as over thirty-five couples dined and danced at the chapter house.

The Sigs have been active on the national level also. Early in February a delegation was sent to Ball State Teachers College in Muncie, Indiana to help initiate a new chapter into the national organization.

## Phi Delta Pi

Since its inception 56 years ago the Phi Delta opened what was to be one of its most successful years. During the year the fraternity started to work on locating a house. Seventeen men were pledged in the fall and two new sponsors were added in the persons of Mr. Gilday and Mr. Vartanian.

One of the best Washingtonians in the memory of the fraternity was held February 21. Along with this there were several smaller parties to make the year a social success. An Alumni Directory was published and distributed by the fraternity.

## *Kappa Phi Alpha*

The Active Chapter of Kappa Phi Alpha 1947-48 under the guidance of our Patron, Dr. Gerald D. Sanders, and the worthy leadership of our President, Joseph Dowdy had a most successful year.

On the night of January 17, the ballroom of McKenny Hall was the scene of the annual Kappa Phi Winter Banquet. A hundred and thirteen members from the alumni and active ranks gathered for an evening of entertainment which each Kappa Phi regards as the big event of the winter social activities.

In Inter-Fraternity sport, Kappa Phi Alpha ranked high, taking first place in Football and Volleyball, tying for first place in tennis and placing third in golf.

The two new Kappa Phi's who did homage to Hercules this year were Burton Dickerson and Frederic Blanchard.

## *Normal College Band*

The fifty piece Normal College Band in striking new green and white uniforms made a colorful addition to the football festivities, rallies, and parades. The marching band was under the direction of William D. Fitch, who was assisted by George Benjamin, drum major and Maurice Riley, member of the music department.

The concert band gave three concerts on the campus and two concerts out of town. This fine organization is a definite asset to the College. Organization officers are James England, president; John Diefenbaker, vice-president; Luke Wegienka, secretary-treasurer; Dave Leith and Constance Burnham are the other members of the council.

The officers in the Orchestra Council are Paul Mason, president; Luke Wagienska, vice-president; Roseland Purcell, secretary-treasurer.

## *Normal College Choir*

The choir, conducted by Mr. Morgan, presented its annual Christmas, Palm Sunday, and Spring concerts. It also provided choral music for Baccalaureate and Commencement exercises. From the choir the Madrigal Club was chosen, and this group sang for many programs in and around the college and surrounding municipalities.

The marching band, under the direction of Mr. Fitch, assisted by Mr. Riley, attired in their newly acquired uniforms with increased membership, added greatly to the spirit of the home football games and the Normal homecoming. The concert band was enthusiastically received by large audiences on numerous occasions during the year.

The orchestra, under the direction of Mr. Fitch, assisted by Mr. Riley, has had a very successful year, having performed at numerous concerts, alone, and with the college choir. They admirably accompanied the all-state high school chorus at the mid-winter conference of Music Educators at the University of Michigan.

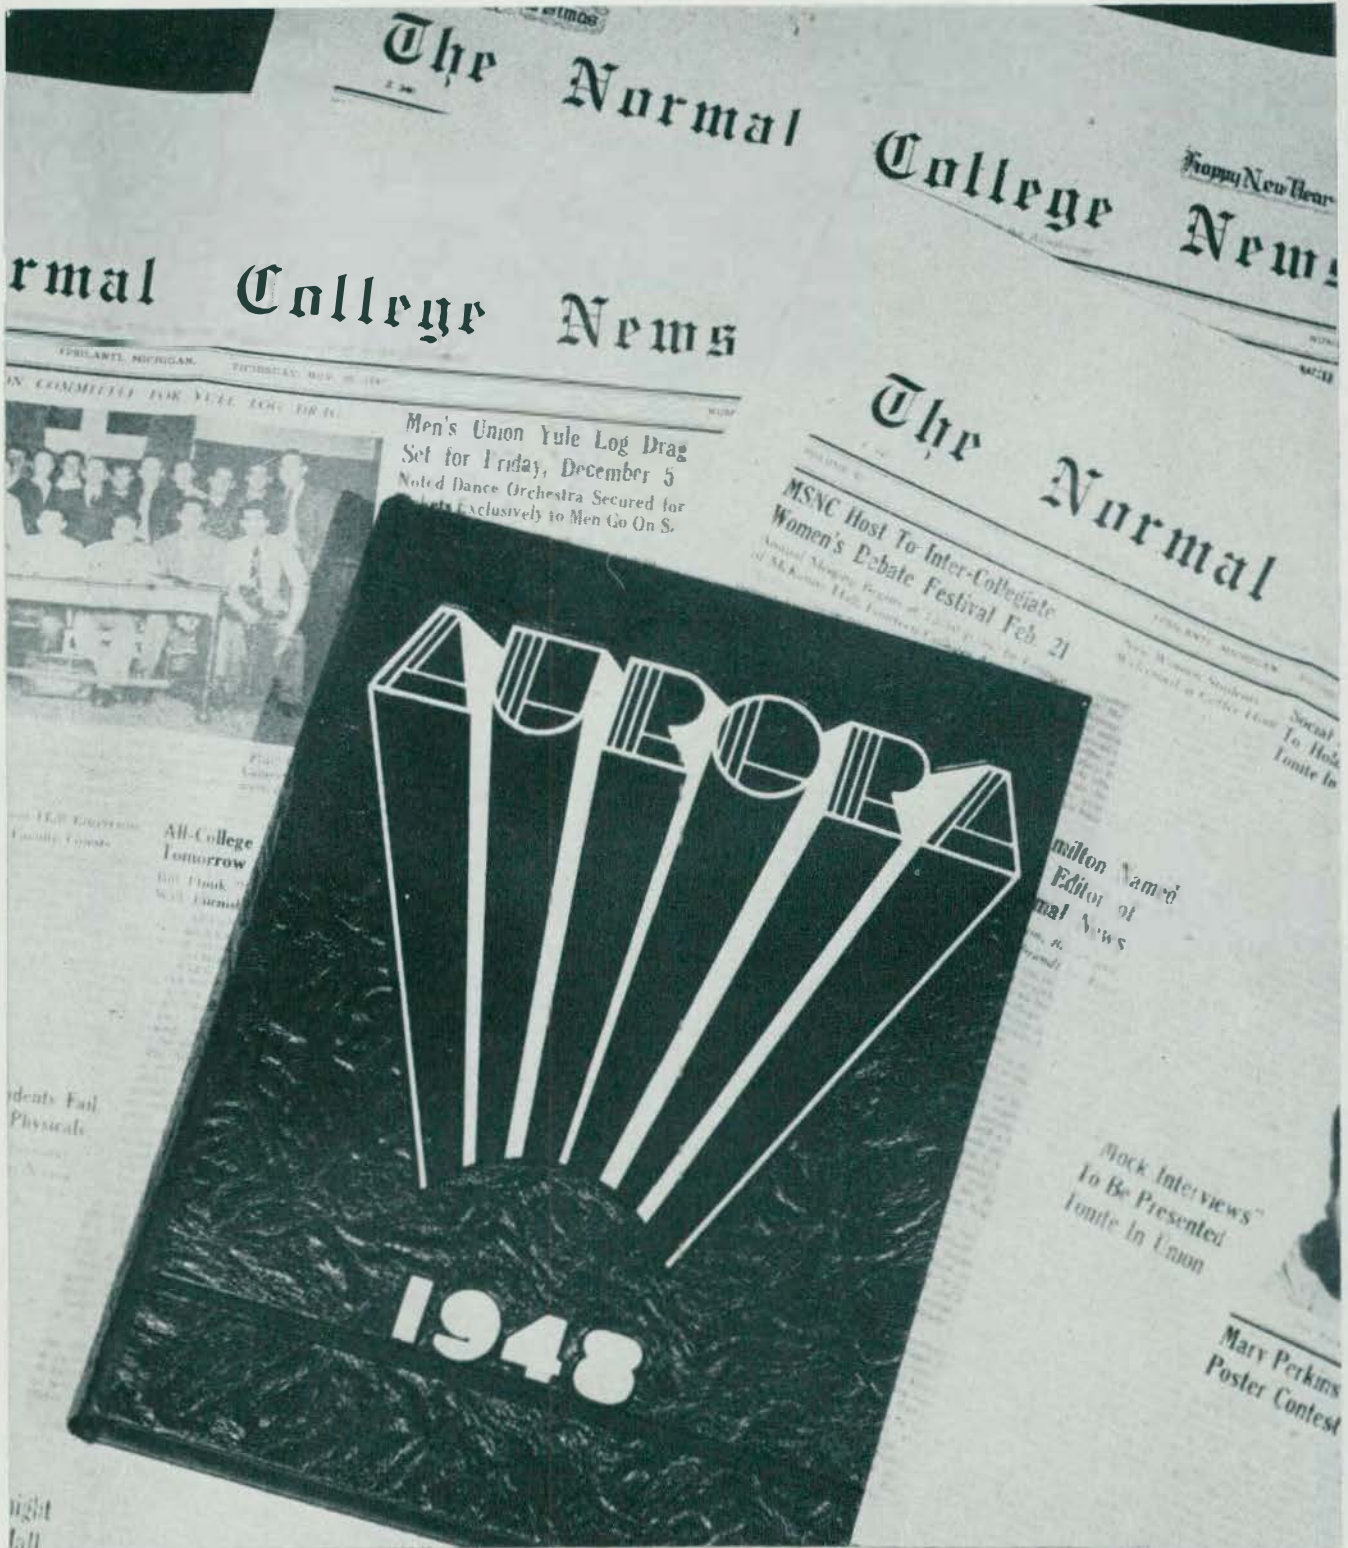

## *Normal College Orchestra*

The Normal College Orchestra continues its tradition of fine music capably played. The orchestra presented several programs and assisted the choir in three joint programs. Christie Hallerand, Hershah Pyle have appeared as soloists. The orchestra played three out of town concerts, one of which was the Mid-Winter Conference at Ann Arbor. Representative works performed this year included Schubert Symphony No. 5, Lalo, Symphonie Espagnole, Schumann, Piano Concerto, and Mozart Don Giovanni Overture.

The officers in the Orchestra Council are Paul Mason, president; Luke Wagienka, vice-president; Roseland Purcell, secretary-treasurer.

# Aurora

The 1948 Aurora staff has been one of "firsts." This year a new plan was approved by the faculty board which calls for a line of succession in the staff so that permanent members will be either editor or business manager—paid positions—during their senior year. A system of awards was also established in which each member of the staff receives a pin for service.

This year's Aurora was in the hands of two editors, Mabel Rowlson, who graduated in February, and Herb Humbert, who will be with us next semester, and the business manager, Betty Adams. Many long hours of work were spent in the office in Pierce Hall to place the Aurora in your hands before the end of the semester.

But all is not work for staff members. Several staff meetings were held which we tried to make both social and educational, and refreshments were served afterwards. The first annual dinner was held at McKenny Hall May 25. Future visits to the printer and engraver are also being considered. We all had lots of fun in bringing you this yearbook.

It is more and more becoming the work of the school to teach morality. It would behoove us all to study the teachings of Christ—the greatest teacher of all times. We need but to emulate the teaching methods of Christ to be a success in the teaching field.

*Speech*

1. The elimination of the artificial social barriers to permit free movement of persons, ideas, and goods throughout the whole territory of Germany.
2. The relinquishment of the occupying powers of Germany of the right to introduce a new and sound currency for a Germany.
3. A definite reduction of the burden of the economic burdens which Germany would be called upon to bear in the future.
4. An overall export-import plan for all of Germany.

When these basic measures had been put into effect by the occupying powers, then the establishment under proper safeguards of a provisional government for all Germany should be undertaken.

## *Gavel and Rostrum*

Instead of addressing the sea with pebbles in their mouths as Demosthenes did, aspiring orators of Normal College are addressing fellow members of the speech club. It is the only organization on campus where one can practice all types of speaking such as after dinner, impromptu, extemporaneous interpretation, debate, and discussion. This club was started as the result of a chance remark. One of a group of students returning from a debate in Kalamazoo said, 'We could have done much better with more practice.' Dr. Sattler accepted the challenge and suggested that a group meet every week to gain proficiency. Out of this weekly session grew the Gavel and Rostrum Club.

First Semester officers were Frank Pruss president; Gloria Walton, secretary-treasurer; Bob Chacwick, program chairman; Don Bodley, publicity.

Second semester officers were Don Bodley, president Fay Fredericks, secretary-treasurer; Frank Wyoming, Program chairman; Bob McDugal, publicity. The faculty sponsor was Doctor Sattler.

Panhellenic was very busy this year with two big rushing seasons. One rushing season was in October and the other was in March. Both began with the Panhellenic Education Hour to acquaint the rushees with the sororities on campus.

This year the Panhellenic group was in charge of the Keno playing at the All College Christmas Party.

The highlight of the year for Panhellenic, however, was the Panhellenic Dance. This was a semi-formal, car-bid dance held on January 24, in which girls from all of the sororities participated.

To put an appropriate ending to the year the Panhellenic Dessert was held in May. The sorority girls with the highest scholarships were announced. The new officers of Panhellenic for next year were also announced at this time.

## *Alpha Sigma Tau*

Homecoming once again brought the Alpha Sigs out in full force for the parade in spite of the weather. The theme "Mardi Gras" was represented by colorful balloons and paper streamers with girls dressed in masquerade costume.

November 1 was the day of our annual Founder's Day Luncheon. Miss Doris Milliman was guest speaker of the day. A Christmas party was given at Dr. Francis Lord's home by the pledges.

Discarded clothing was gathered and sent to the Pine Mountain Settlement School in Kentucky. For several years the sorority has helped the school with their clothing problem.

During the spring semester many activities took place—such as a hayride in March, a week-end at Wampler's Lake in April, a picnic in May, and in June a Senior party.

## Delta Sigma Epsilon

The Delta Sigs spent a year busy with classes, parties—and more parties. Our homecoming float theme was "Go Atom Boys" and after the game we welcomed our returning alumnae at Miss Todd's home. There were the rushing seasons, the Pankellenic dance, the musicale at Mrs. Breakey's, the Christmas party, and the alumnae luncheon at Dearborn Hills Country Club. There was also our annual Mother's Day celebration, and as the days grew fairer—lots of "hollow" picnics. Our final thing was a week-end party at Nancy Overturf's summer home in Algonac.

On the national side—two of our girls attended the province meeting at Muncie, Indiana, and we are looking forward to August when we will attend the national convave in Biloxi, Mississippi.

## *Kappa Mu Delta*

Kappa Mu Delta started off the fall semester with a social evening at the home of one of the Ypsilanti Alumni. We were also invited to two benefit parties given by the Alumni Chapter during the first semester. For Christmas we joined the alumnae in a "Christmas package wrapping" party for the needy family "adopted" in Kappa Mu Delta.

The annual Spring Breakfast given by the Detroit Alumnae Chapter on May 12 was one big event of the spring semester. To conclude the social events of the year our farewell senior dessert was given for our two seniors, Bonnie Branstetter and Joyce McIntyre, at the home of Miss Janet Myers, our sorority advisor.

## *Sigma Mu Phi*

Sigma Nu Phi had an active and successful year. In spite of the weather at Homecoming, the members built their float and won the trophy in the sorority division.

On February 28 the sorority held its Annual "Sweetheart Ball" in McKenny Hall. Many of the alumnae came back.

Also included in the year's activity was a picnic for the parents of Sigma Nu members, a hayride, and a senior week-end.

## *Sigma Sigma Sigma*

This year Sigma Sigma Sigma has been observing the 50<sup>th</sup> Anniversary of its founding. Our national convention was held at Williamsburg, Virginia from July 13-18. Miss Stinson, faculty advisor, and Ardath Franklin, president were official delegates. Many new social service projects and contacts with other chapters have kept us busy during the year.

Omicron chapter, in collaboration with our alumnae chapter has been working on plans for a local celebration to climax our 50<sup>th</sup> year. We are looking forward to a visit from one of our national officers on that day and also a reunion of all our alumnae.

## *Theta Lambda Sigma*

This year was again a great success in the lives of the Theta girls. Many evenings were spent in social get-to-gethers among the girls. Theatre parties, splash parties, entertainment by the alums and other parties as "La Theta Fiesta" and "The Mad Hatters Tea" will long be remembered by the girls of Theta Lambda Sigma.

Our annual homecoming party was held at the home of Mrs. Budd in Ypsilanti where the active members renewed old acquaintances and reminisced with the alums.

The sorority carried on their service program with contributions to the W.S.S.F., Interfaith Council, and Roosevelt gift house.

This year, too, found the sorority with a new advisor in the personality of Miss Beatrice Norton, who teaches in the Rackham School of Special Education.

Pi Kappa Sigma sponsored its first dance in nine years in October, 1947. This was immediately followed by a visit from Mrs. Marion Reed; their national representative, who aided them in the selection of Miss Marie Walters to fill the vacancy of advisor recently made by the retirement of Miss Virginia Wielandy.

Other activities of the year consisted of a series of informal coffee hours, a hay-ride, a dinner and theater party in Detroit and the annual week-end vacation at Wampplers Lake.

## *Men's Union*

The purpose of the Men's Union this year, as in the past, has been to perpetuate college traditions and to establish new customs, especially as they affect the men students of the college. This organization has carried out these duties to the best of its ability.

Our Men's Union has done excellent work in promoting the homecoming and Class Games. It has also done a fine job in sponsoring the Yule Log Drag, which was one of the most successful dances of the year. Charles Reule and Robert Chamberlain were the Co-chairmen of this dance. Fine assemblies, featuring outstanding celebrities were also presented by the Men's Union.

Al Freden, Charles Reule, Bill Adams, Vern Krebsbach

## *Men's Union Officers*

Dean James "Bingo" Brown is the Advisor for the Union. Bill Adams served as president for the first semester and was succeeded by Vern Krebsbach for the remainder of the year. Herbert Schaefer replaced Vern Krebsbach as Vice-President. Charles Reule served as Secretary and Al Freden served as Treasurer.

Standing: Stanley Schook, Dean Cook.  
Seated: Hero Schaefer, Chuck Lafayette, Flip Lamiman, Chuck Lane.

## *Men's Union Executive Board*

The Union Executive Board, which has the task of enforcing the traditional "green pct." tries to be fair with all of the freshmen reprimanded.

Each class is represented on the Executive Board by two members. Stanley Schook and Charles Lane represented the Seniors; Charles Lafayette and Floyd Lamiman the Juniors; Jack Van Wagner Sophomores; and the Freshmen, Dean Cook.

## *Munson Executive Committee*

The Munson Hall Council is comprised of a President, Vice-President and Secretary-Treasurer. These offices are held by Howard A. Simons, Robert Ingersoll and Thomas Doenges, respectively. Officers serve for a period of one year. Due to the withdrawal of Don Higgins and Ray Cousineau, the offices of Vice-President and Secretary-Treasurer were vacated at the end of the first semester. The results of a special election, called by President Simons named Robert Ingersoll and Thomas Doenges to fill the vacated posts. Mr. Maurice Richards, Head Resident of the dormitory, serves in the capacity of advisor to the Council in cooperation with the faculty advisor, Dr. Hayward Pearce.

Munson Hall Council is the executive panel of the Munson Hall Club of which all residents of the dormitory are members. The principle objectives of the Council are to give guidance to all men in their campus problems and to help foster interest of the men in campus social activities.

During the past year the Munson Hall Club has successfully undertaken a variety of activities which include; sponsoring two Male Faculty-and-Mer-of-Munson-Hall socials, giving a dinner for the winning basketball team of Munson Hall, entering a float in the Homecoming Parade which, under the able guidance of Walker Marko, Munson Hall Float Chairman, won second place in organization floats and actively participating in the annual Christmas Sing. The Munson Hall Club has also been very active in the Intramural Sports Program.

## *Social Committee*

In an attempt to meet the needs and wishes of the students at M.S.N.C. for recreation and relaxation the All College Student Social Committee tried to arrange an interesting '47-'48 program. Cooperating with the Social Director, Miss Adelyn Hollis were the following members: Marguerite Ballagh, Mary Chipman, Carol Climer (2nd sem.), Burt Dickerson, Lawrence Fox, Russell Loesell and Jeanne Seeger (1st sem.).

The traditional Wednesday evening Kresge dances were attended first semester by about 3,900 students. The alumni of long ago, and you who were here during the war years have probably been pleasantly surprised to see the number of extra men who attended these dances.

The Cabaret dances were given sparkle by floor shows made possible by volunteer student talent. The Hocho Hop, Halloween, and others stand out as having been fun and friendly dances.

All College Square Dancing was an innovation to the program this year that proved very popular.

Other activities have been record dances, music appreciation hours, free movie, card parties, an ice skating party, a variety night as well as the ever popular Christmas party made possible by the splendid cooperation of all campus organizations.

## Women's League

In cooperation with the Men's Union, the Women's League planned a very successful Homecoming, a forum series, a reception for men and women transfer students, and conducted the World Student Service Fund Drive.

In addition to the usual activities, the Women's League inaugurated a Personnel committee to record and encourage greater participation in campus activities. A handbook to aid new women students was published.

The executive board is the voice of the women students. It is comprised of the officers, five members elected each spring, a representative from each housing unit, the off campus girls, and the chairmen of the standing committees. Throughout the year, the Executive board strives to meet the needs of a democratic student body.

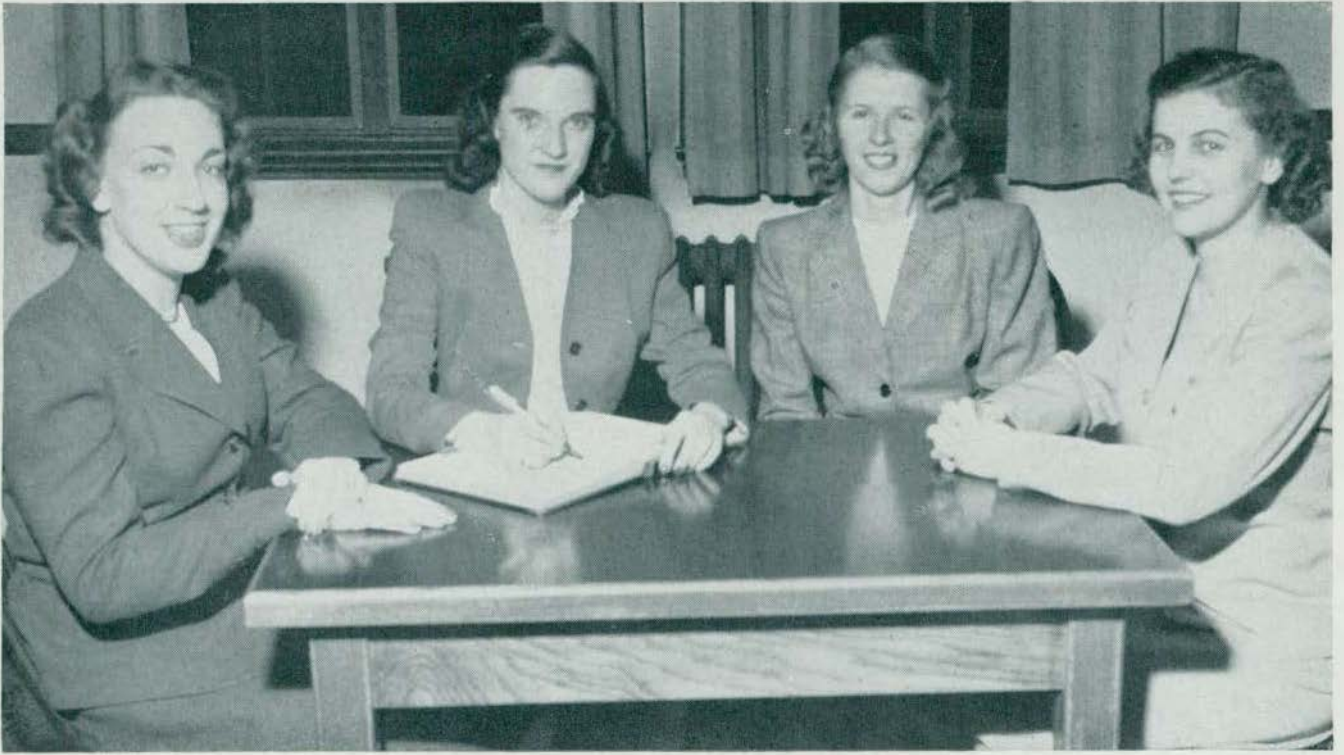

Grace Towar, Janet Austin, Ruth Ann Smith, Mary Jo Baldwin, Helen Nipaako, Nancy Price.  
Seated on floor: Electa Smith, Ruth Ann Kortier.

## *Women's League Advisory Board*

The advisory board is the judicial body of the Women's League. It is comprised of the Vice-President of the League, and nine girls who are elected each spring.

Under the capable guidance of Helen Nipaako, chairman, the board seeks to aid the women students in complying with college rules and regulations. Each week the board meets to council the offenders and determine the necessary action to be taken.

Members elected to the board for this year were Grace Towar, Nancy Price, Joan Coleman, Electa Smith, Mary Jo Baldwin, Ruth Ann Smith, Louise Petersor., Janet Austin and Ruth Ann Kortier.

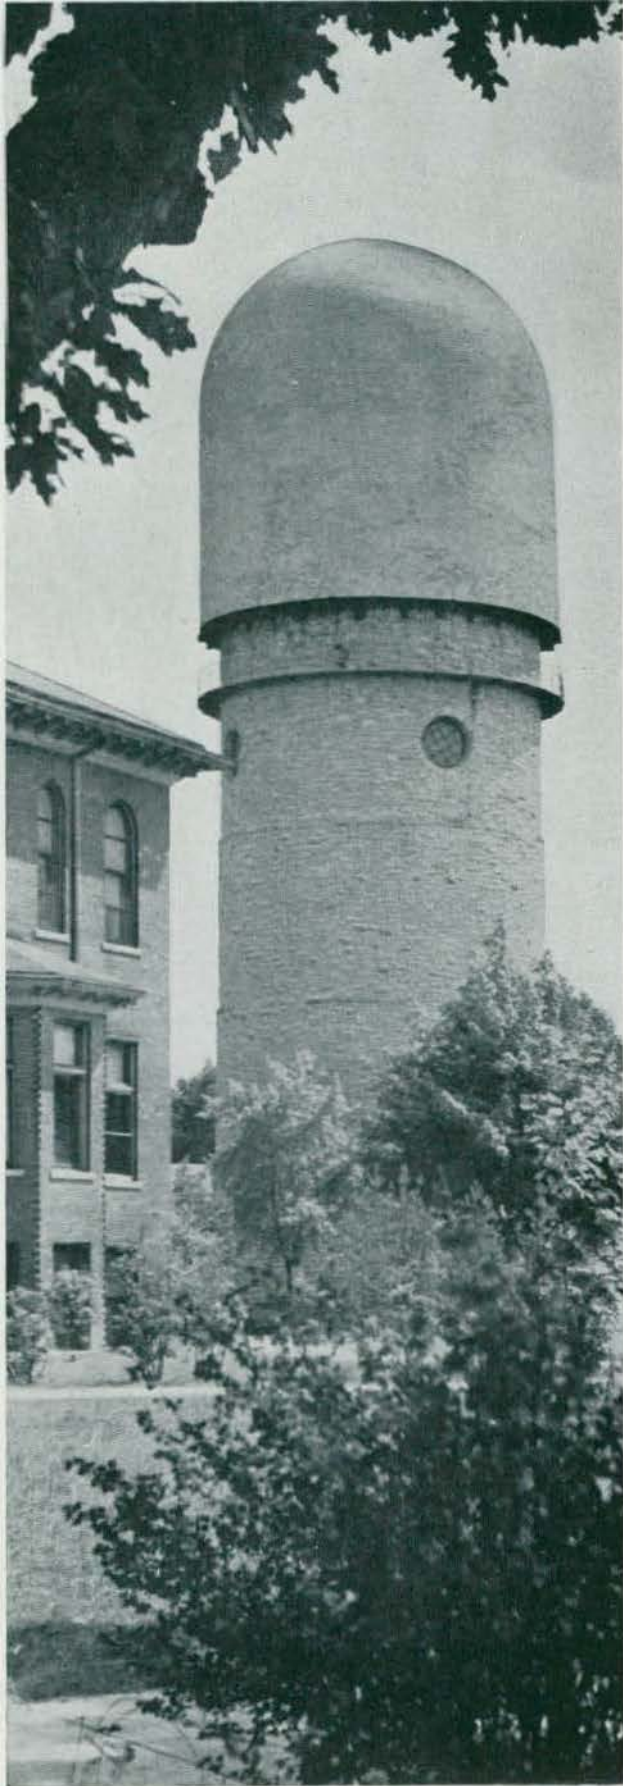

Elizabeth Adams, Elsie Buckberry, Joan House, Helen Niparko

## *Prize Floats*

The winning floats from each section were: Departmental, Industrial Arts, which was a huge Huron's head; Dormitories; Goodison Hall, which was represented with a replica of their hall making all roads lead to it; Sororities, Sigma Nu Phi who carried out an Indian motif; Classes, the Junior Class, featuring the arrival of the Alumni, and Fraternities, Kappa Phi Alpha, who featured parts of Stan Johnston's orchestra and with their stunts questioned the Homecoming Slogan, "Ninety-Eight Years and Still Normal."

## *'98 Years and Still Normal'*

1947's bigger and better Homecoming was started off by the selection of the Homecoming theme '98 Years and Still Normal.' Nevertheless, any casual observer of the classic college version of a Roman Holiday, the Class Games, might have felt a twinge of doubt. The Sophs repelled a bloody Frosh attack to retain their traditional victory. However, no doubt could be felt about the zest and spirit the students displayed at the Pep Rally and Snake Dance. If enthusiasm could win a football game, Hope would have met a disastrous defeat.

The usual drizzle greeted the Homecoming Parade, but nobody cared. The band still managed to sound martial and inspiring, the floats still looked good, and few students missed either the parade or the game.

Even the Hurons 12-7 defeat at the hands of the Dutchmen did not dampen the students' and alumni's spirits. A large crowd turned out for the Homecoming Dance featuring the music of campus favorites Stan Johnson and his band.

After the dance the alumni prepared to depart, convinced that old M.S.N.C. was still the college it was in the good old days. Students will remember 1947's Homecoming celebration as one of the very special occasions in their college life.

Again this year Miss Harris's students presented the Tap Dance Review. While the people donated their ten cents to the March of Dimes and seated themselves in the audience, the nervous dancers went through with that final practice. The results were excellent. Broadway, here come your future stars!

## *Sigma Nu Sweetheart Ball*

The annual Sweetheart Ball presented by Sigma Nu Phi, took place on Saturday, February 28, 1948. The committees were under the capable direction of co-chairmen, Barbara Warner and Carol Climer and worked to make the dance a huge success.

Couples danced to the music of Johnny Oakes in the Fred Green Ballroom of Charles McKenny Hall which was beautifully decorated with hearts and cupids to carry out the sweetheart theme.

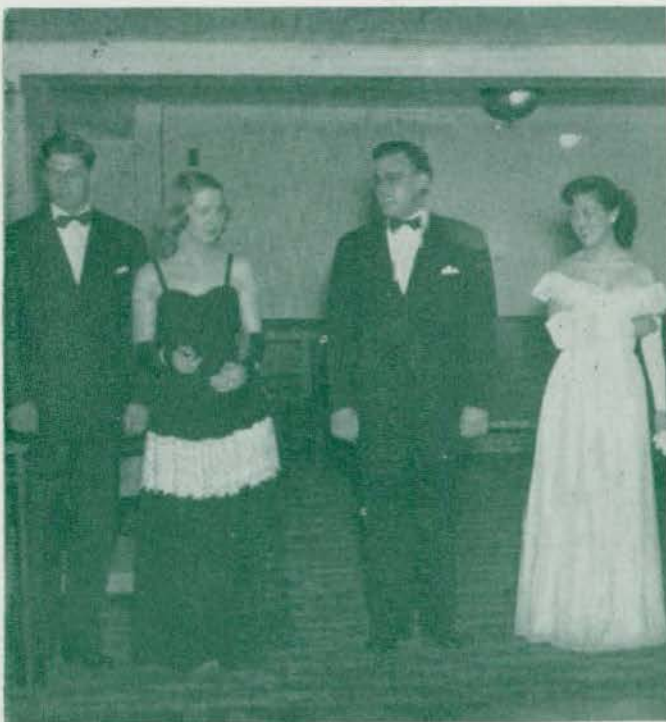

The active chapter of Sigma Nu Phi was happy to entertain their alumni, guests, and representatives from other sororities and fraternities on campus.

## *Inter-Frat Dance*

Saturday, March twenty-first was the date for the annual inter-frat dance. Under the chairmanship of Richard Guregian and Robert Moffet the dance turned out to be a great success. The couples danced to the smooth music of Stan Johnston's fourteen piece orchestra. "Pin dances" were featured during the evening. The robin portrayed on the backdrop helped carry through the theme of "Spring Thaw."
