

1958 aurora

dedication

The 1958 Aurora is dedicated to the memory of Mr. Carl M. Erikson of the Department of Mathematics.

During his many years at Eastern as a popular teacher of mathematics and as an advisor to student organizations, the intellectual and moral development of his students was his primary concern.

As a student he was an editor of the college paper and during his entire teaching career he maintained his close interest in student publications.

He will be remembered with fondness and respect by all who knew him.

home economics

Students majoring in Home Economics receive an excellent program which prepares them for managing a home successfully or as a Home Economics teacher. Classes in family health, meal planning and preparation, home management and clothing construction are offered. The study of textiles, costume designing, and the economic problems of the consumer are also provided.

A realistic approach is given to the majors in their senior year when they can live in the Ellen Richards House next to the Health Center.

Special recipes are also tackled in the kitchen
Here a class is making French bread.

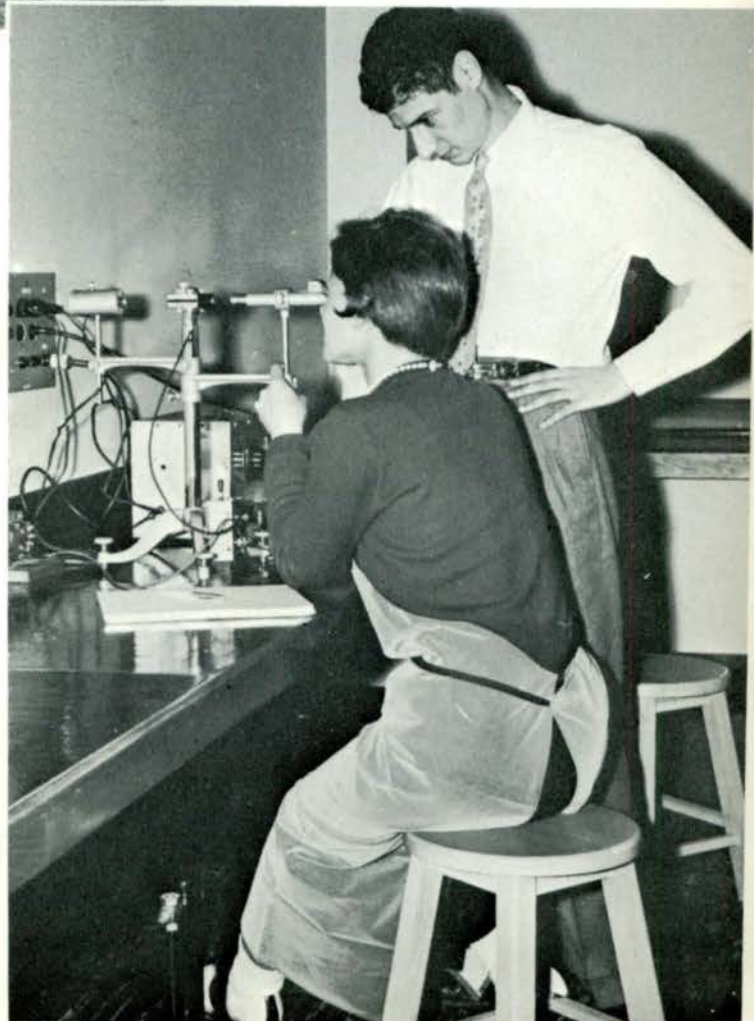

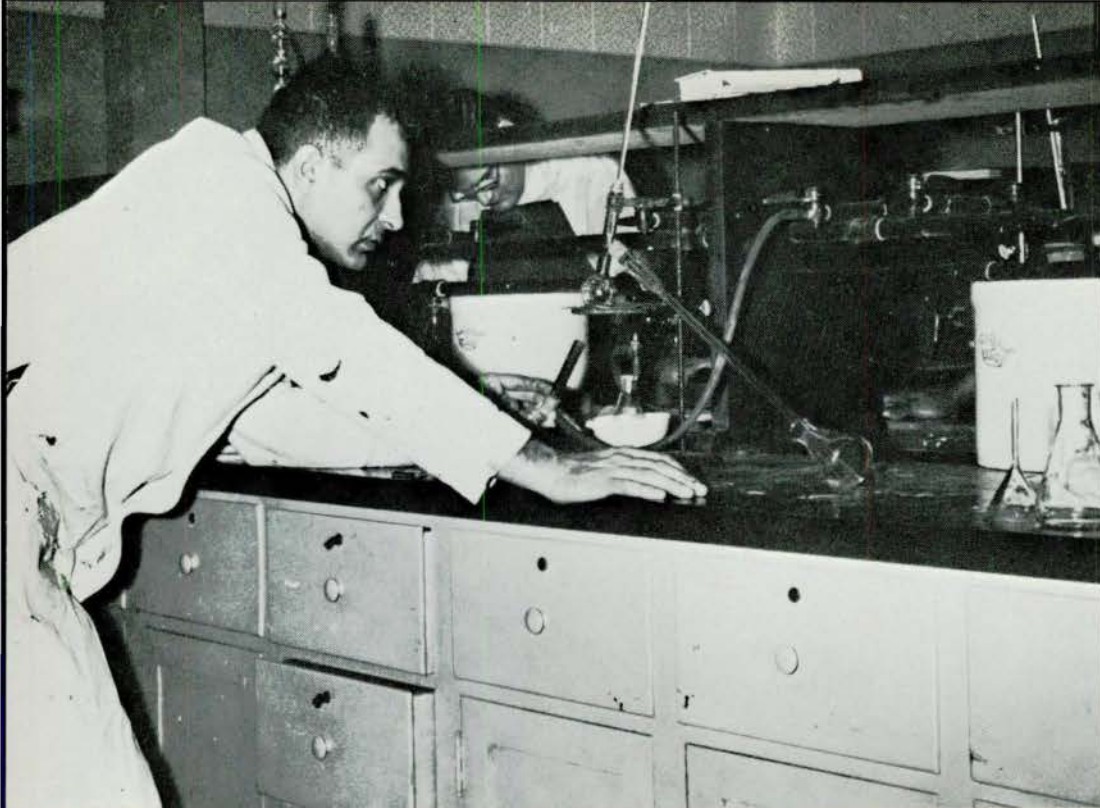

Everything goes under the microscope in the biology laboratory.

The Women's League was formed in 1919 in order that all women students on campus would have an opportunity to participate in student government, membership in group activities, and to have a definite standard for maintaining high standards in college life.

The college year is filled with the senior dessert, senior breakfast, Harvest Hop, League Lark, Orientation, and forums.

Since its beginning, the League has been a member of the National Association of Women Students. Every woman on campus belongs to the Women's League. The Dean of Women, Susan B. Hill, and Associate Dean of Women, Helen Rudin are its advisors.

OFFICERS

Women's League is an extensive organization which includes all women on campus. Its officers are Carol Krump, Sally Reeves, Ann Waldo, and Helen Southgate.

Like the Women's League the Men's Union has an important place in the campus life at Eastern. It has been the source of many of the school's traditions and of much of its spirit.

Comprised of all men on campus the Union strives to improve the social life of its members. Active participation in school activities is encouraged. Each year the Men's Union sponsors the Mad Man Marathon, the annual push car race. The women are also represented but given a somewhat safer vehicle, the bicycle. Tau Kappa Epsilon fraternity won in the push car division while the Women's Physical Education club won the bicycle race.

The organization also sponsors the Yule Log Drag and participates in the Christmas party, Homecoming, and the freshmen games.

Each year the men elect an executive board whose job it is to plan the various activities for the year. James Brown, Dean of Men and William Crane, Associate Dean of Men, are the advisors.

adahi

Adahi is the new senior women's honorary founded on our campus in the Spring of 1957. The idea for Adahi originated in a Women's League committee which worked two and a half years before it became a reality. Adahi is patterned after Mortar Board and hopes to become a part of this national senior women's honorary in the future.

The objects of the honorary are to promote leadership, scholarship and service to the campus. Some of Adahi's activities this year have been ushering at the June and January graduation exercises, being hostesses at the reception for Mrs. Eleanor Roosevelt, making programs for the All-Campus Christmas Party, and holding a Homecoming reception for founders and members of the faculty who belong to Mortar Board.

Each spring a tapping ceremony is held. At this time Adahi members for the coming year are made known. The girls are chosen for scholarship, leadership, and service.

Hurons Win Homecoming

One fall weekend is special to all Hurons—a time of excitement for the student body and nostalgic memories for the alumni. Homecoming means hammers and chicken wire, parties, building floats — the night before, and football on a sunny afternoon.

(Above and right). Too close for comfort? Not this Homecoming game as the Hurons launched the pigskin Sputnik to conquer the Salukis of Southern Illinois, 21-7.

Game 21-7

Queen Gail Ponte reigned over the Queen's Assembly with her court of four: Marge Zizzi, Barbara Youngerman, Shirley Sampier and Sara Symington. The cheerleaders with their spirited "Hurons, Hurons" and the Delta Zetas with their prize-winning float contributed to the general festivity.

Queen Gail Ponte is presented to the football spectators at half time ceremonies.

The climax of the Homecoming celebration comes after a fun-packed day at the traditional dance held in McKenny Hall.

Coach Trosko's 1957 Hurons won their first I. I. A. C. Football Championship. The season started as the Hurons defeated Illinois Normal 33-14, and continued as they then moved to wallop Eastern Illinois, Southern Illinois, Northern Illinois University, Central Michigan, and Western Illinois.

For their outstanding play on the gridiron three players received first team honors in the all - I. I. A. C. Team. They are: Kerry Keating, the state's leading scorer, Charles Shonta, and Carl Elliott.

Mathews, Gerald Brown, and Tom McCormick received positions on the second team. Also Christensen, Klukach, and Malone received honorable mention.

The Associated Press "Dream Team" also selected Kerry Keating and honorable mention was given to Gerald Brown, Alex Klukach and Bill Ameel.

Chosen by sports writers and announcers, the team represents the Michigan All-Star Small College Team.

Charles Shonta was elected the 1958 team captain replacing graduating Gerald Brown. Other graduating seniors are Kerry Keating, Dale Nicholas, Tom McCormick and Bill Ameel.

Congratulations 1957 Hurons!

INTRAMURAL

During the past few years the Intramural department has sponsored leagues for both fraternity and dorm men.

The activities are many and include football, soccer, bowling, basketball, swimming, table tennis, volleyball, softball, and even horse shoes.

Front row: left to right, A. Robertson, D. Carroll, J. Butk, J. Zitney, Captain D. Schultz, G. Beach, B. Ford, H. Reindel, T. Campbell.
 Second row: Assistant coach R. Stenger, D. McCluskey, J. Bezyak, D. Perry, R. Cochran, Coach G. Marshall.

CROSS COUNTRY

Captain Dave Schultz has led the cross country team for two consecutive years. A senior from Wyandotte, Dave has been on the team since a freshman.

Eastern Michigan's reign over the IAC cross country title came to an end—temporarily. Since 1949 the EMC harriers have always finished in first place. This year, however, Northern Illinois pushed to the top leaving Eastern Michigan in fourth place.

The 1957 season was rather dismal for the cross country team as they lost a dual meet to Central Michigan, defeated the University of Chicago, finished fourth in the Michigan AAU meet and finished at the bottom of a triangular meet with Miami University of Ohio and the University of Kentucky.

First row: left to right, E. Berrington, R. Hutchison, Treais, Greene, Ward, M. Karhu, E. Manley, E. Bearup.

Second row: Mackenzie, F. Ireland, J. Davidson, C. Crickmore, W. Shelton, R. Schakel, Lewis, D. Mack, Coach Skala.

BASKETBALL

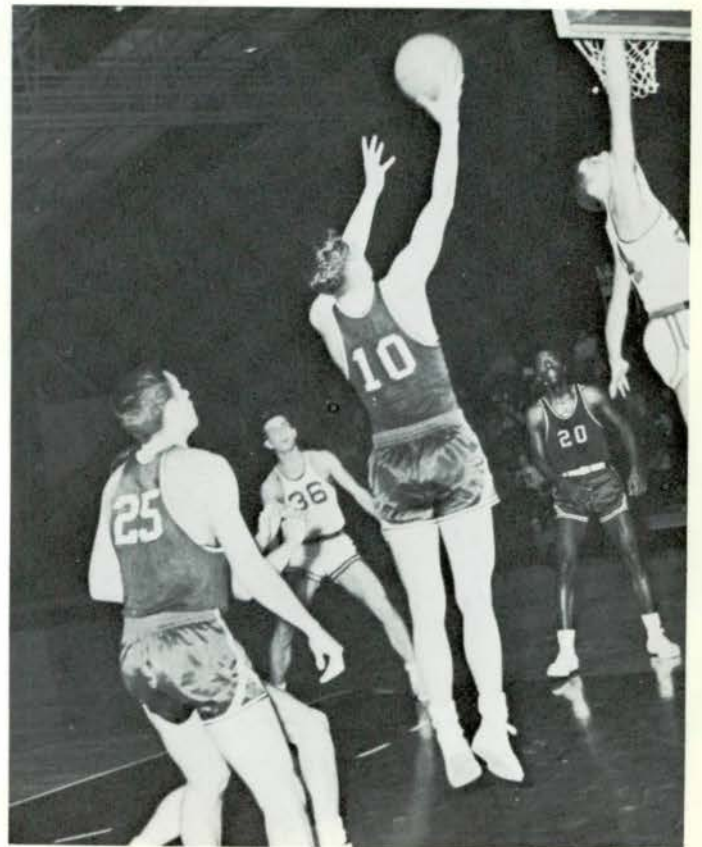

The Eastern basketball team had a disappointing season this year ending up last in the I.I.A.C.

Coach Jim Skala can look forward to next year as he has all of the lettermen returning.

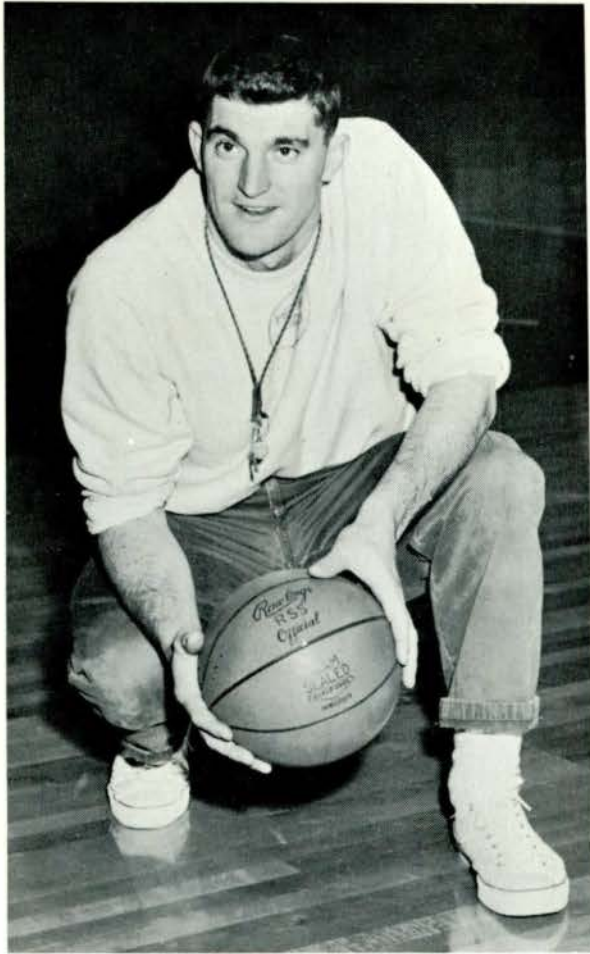

Here I am . . .

WRESTLING

team

The Huron matmen have been very encouraging this season. Due to inexperienced men, the team was not a serious contender for the conference title. But as Coach Russell Bush will not lose a single man next season, and the team will have the needed experience, the Hurons may be able to move up in the conference standings.

tennis

After finishing a very successful season, the Huron tennis team finished a disappointing third place in conference competition. They had won 9 out of their 11 pre-conference games and were predicted to win the IIAC conference title. However, bad luck followed the team through the meet. Forced inside play due to bad weather and injury to the top player held them down in the ranking. The Eastern team was conference champions of 1956.

Led by Robert Perry, the tennis team had a successful year until the IIAC conference meet. Lt. Robert Sullivan has been coach for two years.

TRACK

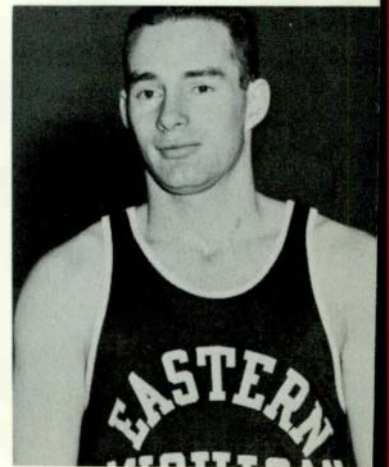

With the bulk of last year's team back, the Hurons led by the sensational Hayes Jones will be out to repeat as I.I.A.C. champs. This year indoors the Hurons are undefeated in their five meets. They have defeated Marquette, Central Michigan, Chicago, and Indiana, defending Big Ten champs. They also defeated Wayne, University of Detroit, and Bowling Green in a four-way meet. With Jones being the main attraction, the men of George Marshall are also very strong in the other events. Other returning veterans are: Jim Allen and Bob MacMacken in the shot; Kerry Keating, Levi Simpson, and Carl Krieger in the quarter mile; Doug Carroll and Nelson Ryan in the half; Dave Schultz in the mile; Gurney Beach and Howard Reindel in the two mile; Dean Sloan and Loman Gardner in the sprints; Jim Robinson in the pole vault; Paul Jones in the Hurdles; and Dean Sloan in the broad jump.

Coach Marshall has come up with one outstanding freshman in the person of Mauri Jormakka who hails from Finland. Jormakka performs in the half mile which he has run in 1:55.1 and the mile which he has run in 4:15.5.

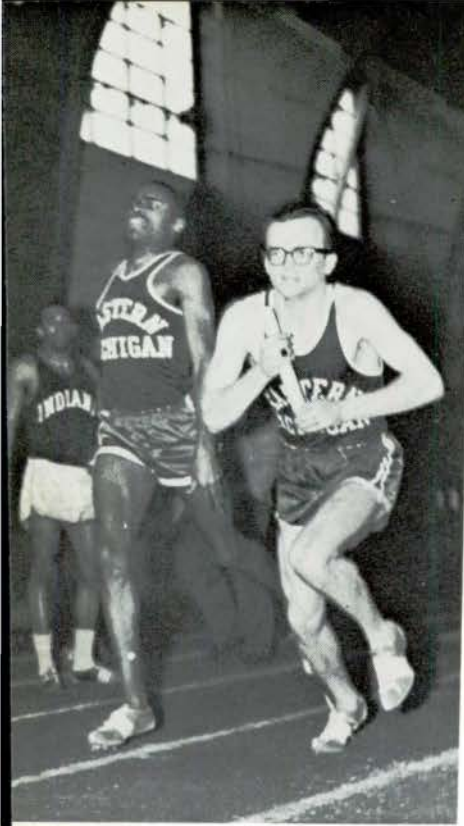

The finest performer on the team is the very personable Hayes Jones from Pontiac. Jones has been to New York twice this year and has returned twice victorious. On his first trip he won the National AAU, 60-yard high hurdle championship setting a new meet record, and on his second trip has won the Knights of Columbus 60-yard high hurdle championship, also setting a new record. At the Chicago Daily News relays, Hayes set a new world record for the 60-yard high hurdles, running seven seconds flat.

Portrait of Edwin A. Strong which appears in the lobby of the science building.

Dr. Harold C. Urey

Strong has quiet room for study and conferences.

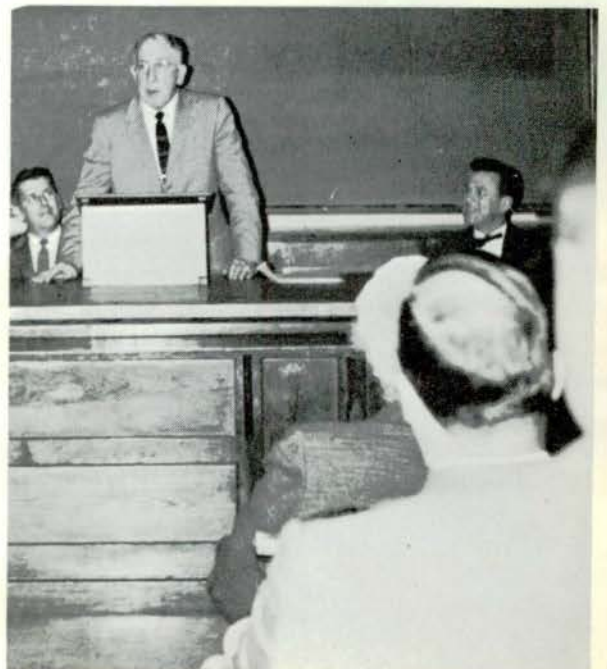

A large, modern lobby offers an attractive entrance to the building.

Brief ceremonies marked the formal acceptance of the Edwin A. Strong Physical Science Building.

Exhibits by the departments of Chemistry, Physics, and Geography were presented. Here students view a geological rock collection.

President Eugene Elliott participated in the ceremony which officially made the old science building Sherzer Hall.
