PRESIDENT ELLIOTT'S HOME

McKENNY UNION

Creating Eastern Michigan University (originally Michigan State Normal School) in 1849, the state Legislature defined the purpose of the school to be, "The instruction of persons, both male and female, in the art of teaching and in all the various branches that pertain to a good common school education. Also to give instruction in the mechanic arts, and in the arts of husbandry and agricultural chemistry, in the fundamental laws of the United States, and in what regards the rights and duties of citizens." The purpose has been changed, and the name of the school altered, but in many respects, Eastern retains the same purposes.

Since its establishment, the University has added programs of instruction in the liberal arts and sciences and various specialized and pre-professional fields. The aims of the educators are to provide a liberal and specialized education to fulfill the wishes of their students. By presenting the chance for a sound education to the students of Eastern, the faculty hopes to produce better citizens. This year the Aurora staff wishes to recognize the efforts and achievements of the administrative officials of Eastern Michigan University.

We begin to appreciate the various clubs on our campus only when we recognize that they serve the entire campus, as well as their members. We, the student body, benefit from their services which are wide in range and include, among many others, tutoring, sponsoring films, and demonstrations, and providing us with the opportunity to hear guest speakers and politicians. By giving us some of the needed supplements to our academic education, they attempt to broaden our college experience. It is with the aid of clubs that we are able to realize the diversified education which college offers.

A club is flexible in its contribution to its members. It has the ability to satisfy the varying individual needs of its members through their participation, while it is held together by a bond of common interest in a particular subject.

Players, under the guidance of Dr. James Gousseff, strives to promote dramatic interest on campus, to encourage participation in dramatic activities, and to transmit the vitality of the theatre through the production of plays. An associate membership can be earned by doing twenty hours of theatre work, but active member status requires one hundred hours of theatre work.

This year the Players have presented *Cyrano de Bergerac*, *The Master Builder*, *An Evening of Absurdities*, and *Look Homeward, Angel*, as well as sponsoring a Children's Theatre Workshop in the spring.

To this end, many outstanding people in this field are called upon to speak to the club.

Among the activities of this organization are its annual Freshman Picnic, which is an orientation day for new freshmen in the department. Other activities include the Christmas Party, Senior Dessert, and Parents Day. Council of Student Religious Organizations

Striving for coordination and communication among the student religious organizations at Eastern Michigan University is the purpose of the Council of Student Religious Organizations.

The C. S. R. O.'s activities have included Seminars in Religion, the Concert-Lecture series, with such honored speakers as Dr. Sylvanus M. Duvall, Dr. Liston Pope, and Hans J. Morgenthau, the Christmas Festival of Lessons and Carols, and an Easter-Lenten Festival.

In addition to their annual lecture and religious activities, the organization is responsible for the coordination of the Research Assistance program, which is an academic service project unique to Eastern's campus.

Today we are students. Tomorrow . . . that is what we are preparing for while we are attending Eastern. Tomorrow we will be teachers, doctors, chemists, lawyers. Today we are students, but we do not merely attend classes. Eastern is only a group of buildings without our enthusiasm. Our spirit makes Eastern come alive. Our new ideas blend with old traditions and create the University that we know; not just the eight o'clock classes, but the Homecoming activities, the dances, the Union, the Greek rock, the concerts and the programs make Eastern the school we know so well. We are preparing for tomorrow in our classes, and we are preparing for tomorrow in our extra activities.

Our success can only be attributed to both students and faculty members who make up Eastern's family. Before class, during class, and after classes are over, still the learning continues. This type of inspiration cannot be hushed. Each of us has our own particular goals, but now we work together toward common goals. What are these goals? There are many. Each play, each dance, each program requires many hours of work and planning. However, the pride and spirit which result belong to us. We are living today; we are planning for tomorrow.

An ideal feature or student life section should capture that intangible pride and spirit which is present. We have tried.

Mourns The Passing

Of A Great Man

"Give me that old Greek Spirit." It cannot be denied that the Greeks at Eastern contribute more than their share to activities, spirit, and work for the campus. You will not only find names of Greeks on the rosters of every campus honorary, but they also hold positions such as President of A. W. S. and Men's Union, Homecoming Queen and Snow Queen.

Extra-curricular activities are practically dominated by Greeks. When there aren't enough planned activities, they invent them. As the school year begins, Greeks bend toward freshmen orientation. The Pan-Hel serenade of freshmen girls was successfully initiated last fall. Greek sponsored open dances and parties also help freshmen to "mix." By homecoming time, everything is in full swing. You will find members of sororities and fraternities busily gathering supplies (and wagons) for their floats, turning in applications for homecoming queen, and planning the alumni festivities for homecoming eve. The annual All-Campus Christmas Party and Christmas Sing are also activities at which Greeks may be found in force. After a short recuperation from finals, it's Snow Carnival time. From Snow Sculpture and tray loading to Ice Hockey and the crowning of the Snow Queen, the Snow Carnival is typically spirited and enjoyed by all. Spring brings rush, pledging, and Dinner Dances — but most important Spring brings Greek Week. Greek Week is a week dedicated to all Greeks; it is a week of competition and unity. We will all fondly remember the Greek Sing, Tug-of-war, Greek Carnival, and exciting Chariot Races. This week is Greek Spirit, enthusiastic and alive.

As the school year comes to a close, we bid our seniors farewell and pass on responsibilities to younger members and pledges. With these responsibilities we also pass on a heritage—what we call Greek Spirit—with the promise that they may carry our torch just a little higher; that it might burn just a little brighter.

Panhellenic Council

Panhellenic Council, the governing body of all sororities on campus, is composed of two representatives from each social sorority.

One of the primary responsibilities of this group is to handle the bi-annual rushing. Rush is begun with the "Panhell" Peek at Greek, and during the three-week rush season, Panhellenic Council handles disputes, sets dates, and passes out rush books.

Panhellenic Council joins with the Interfraternity Council to present several dances throughout the year, and to sponsor the annual Greek Week.

Interfraternity Council

Interfraternity Council is a body governing all social fraternities on campus. Its membership represents every fraternity here at Eastern. The Council handles the mandatory open house which every man rushing must attend. It also maintains the bid box where rushees pick up bids and return their choices. The group also sets up rules for pledging and for the number of bids that may be extended. In cooperation with the Panhellenic Council, the IFC co-sponsors Greek Week in the spring.

Alpha Kappa Alpha

Alpha Kappa Alpha is the oldest Greek-letter sorority in America established by Negro women. It has grown from an idea envisioned in 1906 to one hundred and ninety-one graduate and one hundred and ten undergraduate chapters throughout the United States and in foreign countries. A.K.A. was first established at Howard University, Washington, D.C., in 1908 and the Xi Chapter was established here at Eastern Michigan University in 1930.

Alpha Kappa Alpha is active in campus social functions and civic affairs. The civic activities include volunteer work at Beyer Hospital, Rackham School, and year-round support of a needy family. Their primary social activities are an annual Can Dance to raise food for needy families and their semi-formal spring dance "A.K.A. Baile."

Alpha Omicron Pi

Sporting new red jumpers, the AOPi's started off on another fun-filled year of activity. In the fall they took a fine pledge class in open rush, and as always they provided rough competition for volleyball champions, Sigma Nu.

Their big philanthropy project of the year is the annual "Shamrock Sale," with the proceeds going to charity. Another annual event is the dinner-dance, which last spring was held at the Hawaiian Gardens in Holly, Michigan.

The colors of Alpha Omicron Pi are cardinal red and white, the flower the jacqueminot rose, and the jewel the ruby.

Alpha Sigma Tau

Ypsilanti was the founding place of Alpha Sigma Tau National Sorority on November 4, 1899. Since then the Alpha chapter has served as an outstanding model for other chapters in upholding the standards and fulfilling the purposes of their constitution. This year the Alpha Chapter was awarded the highest efficiency rating of all chapters of Alpha Sigma Tau.

Service projects and social activities are both important aspects in the life of an "A.S.T." Last fall they participated in Homecoming activities and were happy to find they had a winning float and a girl on the Homecoming Court. Other social activities include Founder's Day observations, carolling at Beyer Hospital, and their annual Candlelight Ball held in the spring.

The lasting bond of a "Sisterhood beyond compare" is instilled in the hearts of the girls who wear the quill of Alpha Xi Delta. The sorority colors are double blue and gold, and their flower is the pink Killarney rose.

This year the Alpha Xi's have been enthusiastically engaged in philanthropy work. A Christmas party was given to the women patients at Ypsilanti State Hospital, and for Valentine's Day, favors were sent to Beyer Memorial Hospital. Their national Philanthropy is the support of Howell Neighborhood House, serving Chicago's underprivileged children.

On campus, the Alpha Xi's participate in the many activities with the typical enthusiasm and Greek spirit. In the spring they won second place in the Greek Sing. The excitement of Sno-Carnival Week was climaxed when Nicki Wnuk received the crown of Sno-Queen from her sister Olivia Sample. They also placed first in the Tray-Relays and second in the Sculpture contest.

Delta Zeta

The purpose of Eastern's Gamma Sigma chapter of Delta Zeta is to promote everlasting friendship and growth in sisterhood. The sorority became national at Eastern in 1955. Delta Zeta's colors are pink and green, and their flower is the Killarney rose.

1963-64 was a good year for the D.Z.'s. It saw Pam Goedert receive the crown of homecoming queen from Mary Fitzharris, another Delta Zeta. They also placed first in the sorority competition in the annual Greek Sing.

Delta Zeta's national philanthropy is to aid the deaf and hard of hearing. The Eastern chapter has devoted much time to this project. Spring finds the D.Z.'s busy with their dinner-dance and, of course, the "Most Eligible Bachelor" contest.

A fall retreat, open rush, Homecoming activities, and the annual dinner dance highlighted the fall semester for the Sigma Kappas. Open rush was a success with a pledge class of six. During Homecoming, the Sig Kaps entertained their alumnae at a coffee hour; the sorority float followed the western theme.

The spring semester began with a workshop designed to complete plans for formal rush. Initiation was held in May. Russia was the country chosen for Greek Week.

The major service project of Sigma Kappa is visiting the patients at Washtenaw County Hospital. The members also collected books and old jewelry for hospitals in the area.

Sigma Nu Phi

Traveling through the Greek circles, it doesn't take long to realize the personality of Sigma Nu Phi sorority: a group typically enthusiastic and active on campus. This year the "Sigma Nus" took first place in the Chick Relays and also in the sorority float competition. In addition, they won the President's Award for the best float in overall competition.

Sigma Nu Phi is the only local sorority remaining on Eastern's campus. They were first established on September 30, 1897, and will celebrate their 67th anniversary this year. Their purpose is to enjoy social activities and also to be of service to the community. Sigma Nu's strong alumni groups are proud of the active chapter and offer both encouragement and support.

Their social activities are many and varied, including a Christmas Faculty Tea and an annual all-campus dance with their brothers, the men of Kappa Phi Alpha.

Sigma Sigma Sigma has completed another school year of service and participation in activities at Eastern Michigan University. Last fall found three Tri-Sigas in the top ten finalists for Homecoming Queen and one on the Queen's Court. In addition to participating in many Snow Carnival activities, they also had a girl on the court for Snow Queen.

Tri-Sigas are always an important group where Greek activities are concerned.

The best known of Tri-Sigma's social service projects is the Robbie Page Memorial Fund for polio research. The Omicron Chapter of Sigma Sigma Sigma on our campus shines shoes to raise money for this fund. Sigma Sigma Sigma was founded on April 20, 1898 at Longwood College in Farmville, Virginia.

Zeta Tau Alpha

"To intensify friendship, foster a spirit of love, create such sentiments, perform such deeds, and mold such opinions as will conduce to the building up of a purer and nobler womanhood in the world"—these words explain the purpose of Zeta Tau Alpha which was founded in October of 1898 at Longwood College in Farmville, Virginia. The "Zetas" have now concluded their second year as an active chapter on the Eastern Michigan University campus. From placing in the Chick Relays to having outstanding scholarship, their competitive nature has added its spark to the Greek organization here at E.M.U.

The national colors of Zeta Tau Alpha are turquoise blue and steel grey, and their flower is the white violet. They are very proud of the many members who hold campus offices, and especially of the fact that the presiding President of Panhellenic Council is a Zeta.

Iota Chapter at Eastern Michigan University was founded on June 8, 1948. The men of Alpha Gamma Upsilon share many common interests and activities and are truly brothers. This fraternity offers college fellows a chance and a challenge to become responsible young men.

The Alpha Gam's big social event of the year is the Royal Interlude, which is a semi-formal dance given annually. This year the Alpha Gams have been active in all campus activities, starting with Homecoming. They are very proud of the fine pledge class taken this spring, and continue to enjoy many social events among which are many that include their sisters, the women of Alpha Omicron Pi.

Arm of Honor

The Arm of Honor fraternity was founded at Eastern Michigan University on January 5, 1895 by Doctor Ben Doegy, and is the oldest fraternity on campus. Always a leader, the Arms this year so far have won titles in football, basketball, table tennis, and bowling. The all-sports trophy is again resting on the mantle of the Arm House for the twentieth time.

The Hammerheads are involved in many social activities during the school year, the two most important being the Ball of Honor in January, and the dinner dance in May. Other campus events that the Arms take part in are Homecoming, Greek Weekend, and the Snow Carnival. In the Snow Carnival this year, the Arms won their second straight ice soccer championship.

Proud of their tradition of brotherhood and fellowship, the men of the Arm of Honor have always held to their motto, "Arm and Arm and bound by Honor".

The men of Delta Sigma Phi are proud to be the first national fraternity founded on Eastern's campus. They have a long tradition of excellence which they have been living up to this past year.

To start the year out right, the Delt Sigs won the trophy for the best entry in the fraternity float division at Homecoming. Once again the president of Delta Sigma Phi presented a trophy to the Homecoming Queen, Miss Pamela Goedert, between the halves of the Homecoming game.

Always active in campus affairs, the Delt Sigs participated in the Christmas Sing, the Snow Carnival, and Greek Week. The brothers were especially proud of their spring pledge class which numbered twenty-four.

One sad note to the fraternity's fine year was the burning of their house this winter. The house is located at 607 Washtenaw.

Kappa Phi Alpha

The aim of Kappa Phi Alpha is to establish good scholarship, good fellowship, and good sportsmanship among its members. Kappa Phi is a local fraternity founded here at Eastern in 1902. The patron saint and symbol of the fraternity is Hercules. The colors are royal purple and gold, and the flower is the American Beauty Rose.

Always active in fraternity sports, the Kappas walked off with the volleyball championship this year, and are in strong contention for the All Sports Trophy.

Heading the list of social events for the Kappas is their Red Rose Ball in December. It is a semi-formal dance for members and guests. Another social event is the spring banquet. Other activities include parties and get-togethers often with their sisters the girls of Sigma Nu Phi.

One of the larger fraternities on campus, Theta Chi is active in both social and athletic activities. Members of Theta Chi participate in all intramural sports: Greek carnival and sing, Homecoming activities, and other Greek and campus functions.

The Epsilon Mu Chapter of Theta Chi was established on Eastern's campus in May of 1960 when Zeta Chi Sigma, a local fraternity, went national. The founders of Theta Chi based their beliefs in their fraternity by establishing their ideals in the primacy of the Alma Mater, in the usefulness of their fraternity, and in its influence and accomplishments. Through perpetuating the ideals of Theta Chi, members serve their country and fellow man.

Theta Chi

Sigma Pi was organized in 1897 at Vincennes University. E.M.U.'s Gamma Beta Chapter was formed in May, 1961. Their purpose is the perpetuation of brotherhood among the members.

The Sigma Pi's participated in many activities last year. They entered Homecoming competition by building a float, and at Christmas, they sang at the Christmas Sing. The fraternity also entered intramural sports.

The highlight of the spring semester was their semi-formal dance, the Orchid Ball. This dance was enjoyed by all.

The Sigma Tau Gamma fraternity has been in existence nationally since 1920, with the chapter at Eastern Michigan being founded in 1948. The Alpha Theta Chapter as it is referred to often, works closely with their sister sorority, the Alpha Sigma Taus. An example of this is the sponsoring of the first dance of each new year.

The Sig Taus are also responsible for the annual Christmas Program held at Ypsilanti State Hospital. The fraternity has been active in many civic improvements, most recent of which was the moving of the Ypsilanti Public Library to new quarters. Socially the brothers of Sig Tau once again plan to hold their White Rose Ball in the spring.

Sigma Tau Gamma

The Delta Pi Chapter of Tau Kappa Epsilon was founded on campus in 1955, and quickly became a leader in campus activities. TKE is the largest international fraternity in existence, and the Tekes at Eastern represent the Hurons in athletics as well as other campus organizations.

Always involved in interfraternity athletics, the Tekes also host their brother chapters from all over the state of Michigan in an annual TKE sports day. Two other annual events sponsored by Tau Kappa Epsilon are the Chick Relays and the Washingtonian, the annual dinner dance.

Phi Sigma Epsilon

The Lambda Chapter of Phi Sigma Epsilon was founded on Eastern's campus in 1934, and since that date has been striving to advance the spirit of brotherhood by following the ideals of fraternalism and the traditions of Phi Sigma Epsilon.

The most well known of the Phi Sig's activities is the Phi Sig Slave Sale held every fall. At this sale, the members of the fraternity are auctioned off to the highest female bidder and they become the girls' slaves for the next day.

In addition to a full social calendar, the Phi Sigs also sponsor certain charitable activities such as the underprivileged children's Christmas party.

A highlight of the year is their spring dinner-dance which will this year be held at the Whittier Hotel in Detroit.

The Purpose of Psi Kappa Alpha is to enable the members to better equip themselves for business careers by sponsoring speakers, field trips, and films on a variety of business aspects. The spirit of brotherhood which is a very fundamental part of Psi Kappa Alpha is evident both in meetings and in their many activities. Its brothers remain friends long after graduation and often return to meetings and social functions to renew old acquaintances and share experiences.

The fraternity is also active in campus activities and various service projects. In the past they have managed the football concessions for home games. Highlighting the year are the annual dinner-dance, banquet, and picnic. Through their fraternity the members of Psi Kappa Alpha enjoy both social and professional activities.

Mu Phi Epsilon is a National Music Sorority in the professional field. Its purposes are the advancement of music in America, the promotion of musicianship and scholarship, loyalty to the Alma Mater, and the development of a true sisterhood.

Mu Phi Epsilon was founded at the Metropolitan College of Music in Cincinnati, Ohio, on November 13, 1903. Eastern Michigan University's chapter, Epsilon Lambda, was installed on April 13, 1950.

Mu Phi is required to present two concerts each year in addition to ushering at community concerts. They also co-sponsor the annual all-campus Christmas Sing with their brother fraternity, Phi Mu Epsilon.

Besides their regular meetings, the sorority holds two open houses, for the faculty and students respectively. Because of their high standards and sincere interest in campus activities, they are a very respected group here at Eastern.

Phi Mu Alpha Sinfonia

The Delta Xi Chapter of Phi Mu Alpha Sinfonia was founded on June 24, 1948, on the Eastern Michigan University campus. Since their founding they have striven to add significantly to the cultural enrichment of campus activities. Among their many activities are sponsorship of the annual all-campus Christmas Sing with their sister sorority, Mu Phi Epsilon; an American Music concert, an annual quartet sing and a music scholarship. They also assist in ushering at community concerts.

Membership is granted selectively to men who have been affiliated with a school-sponsored musical organization.

The organizations on our campus represent the highest level of student leadership. The results of the campus elections held in the spring determine who the members of the various organizations will be. These members are our, the student body's, chosen representatives for much of the governing and planning of campus activities and operations.

The primary objective of the organizations is to be of service to us. It is through them that we are able to voice our opinions and, in a greater sense, create the quality of campus that we desire. The organizations are constantly striving to maintain our high standard of student leadership. Even more important, they are consistently working toward acquiring the changes which are needed to make ours a progressive campus.

Student Council is in its fifteenth year of organization, formed in 1948. It is the main representative group of all the students at Eastern. It is the students' voice in university affairs. The council is composed of one representative for each hundred students. Representatives are elected from residence halls and from off-campus students.

A.W.S.

Advisory

Board

A.W.S. is the governing body of the women on this campus. It exists to better the college lives of Eastern's women students. Any problem that is of concern to the women as a whole is the concern of A.W.S.

The major accomplishment of A.W.S. this year has been its work on the E.M.U. Honor Code affecting the women students. The optional hour's program for seniors and women over twenty-one years of age has successfully been initiated; many other schools are now looking toward Eastern for guidance in establishing such programs for their own schools.

Associated Women Students

The Associated Women Students Advisory Board is comprised of nine members elected from the sophomore, junior, and senior classes. These students review all latenesses and infractions of a social nature involving the women of Eastern.

Honore Francois is chairman of the board, and Beth Monteith serves as secretary. Meetings to review cases are held on Wednesday nights at 7:30.

Men's Union

Men's Union is an organization composed of all men at Eastern. Its purpose is to assist in the adjustment of students to the traditions, aims, and ideals of the campus. It also hopes to encourage outstanding achievement in scholarship, and to stimulate character and school loyalty.

The major activity of Men's Union is its Sno-Carnival. This annual event was held on February 20-22. Niki Wnuk was elected Sno-Queen at the Sno-Ball which closed the carnival activities.

Dwight DuRocher, Mike Washburn, Wayne Schultz (Chief Justice), Carol Henderson (Secretary), Paul Kraus, Ted Hughes.

Student Court

The Student Court consists of five members plus a recorder. It is the highest student judicial body on campus and tries violations of university policy, submitting recommendations to the administration for action and approval.

The court will hold a convention this spring to which other schools will be invited. The purpose of this convention will be to compare judicial systems and talk over common problems. The court will also travel to other campuses to observe their judicial bodies in action.

The court, always a leading student organization, has set an excellent example for Eastern's other governing organizations.

Hospitality Committee

Organized in 1956, the Hospitality Committee has grown from a few students to one of the largest organizations currently serving Eastern. The advisor is Dean Ralph F. Gilden, and Lenore Swan is the 1963-64 chairman.

The committee serves the many high school students, parents, faculty, alumni, and guests who visit the campus. The members provide information about Eastern, as well as being a guide, and extend to all the traditional spirit and hospitality of this school.

Future Teachers Clubs, prospective students, Future Teacher's Day, Principal Freshman Conference, Guidance and Testing Refreshments, and College nights are a few of this group's activities. The committee is open to students who are willing to spend a few hours toward some of many activities.

All-University Social Committee

The All-University Social Committee is made up of three members from the Student Council, three from Men's Union, and three from A.W.S. The Social Committee strives to supplement the activities sponsored by other campus organizations, making sure that there is some kind of social event each weekend.

The activities sponsored by the Social Committee include casual and semi-formal dances, concerts, and movies. An additional activity, presented this year for the first time, was a literary discussion of books. The major attraction planned and presented each year by the Social Committee is the J-Hop.

Student Advisory Committee

The Student Advisory Council to the College of Arts and Sciences was formed by Dean Albert W. Brown in May, 1961, for the purpose of making recommendations on how the college can be improved as well as a means of airing students' grievances within the college. It is designed to bring communication and understanding between students and faculty.

The structure of S.A.C. is set up with one representative from each of the 11 departments in the College of Arts and Sciences. Adahi, Stoics, and The Eastern Echo are also represented due to their close association with the College.

Officers elected for 1963-1964 are: Thomas Dobbelstein, Chairman; James Schropp, Assistant Chairman; Leona Castiglione, Secretary; Marilyn Fangboner, Reference Secretary; and Marcie Marwil, Historian.

ROW 1: Claudia Platt, Ann Muir (President), Barb Witzke, Jackie Mongelli; ROW 2: Audrey Weatherhead, Barb Taylor, Diane Brooks, Jeannine Martolock, Judy Cline, Susie Quayle, Leona Castiglioni, Judy Lehr, Bonnie Wilhoite; ROW 3: Pat Rix, Lassie Slusher, Donna Harris, Jan Galbraith, Nancy Rumpf, Mary Campbell, Barb Ramasocky.

Adahi

Senior women excelling in leadership, scholarship, and service are honored with membership in Adahi, a senior women's honorary organized in 1957. Suggested by the Indian word, "Adahi" stands for the highest of ideals which its members are constantly striving for.

Some of the projects of this honorary organization are ushering at plays and concerts, an annual Homecoming Tea, and the sponsorship of Preparation Day. Adahi meets each Sunday evening in Starkweather.

Adahi is fashioned after National Mortar Board, and new members are tapped in an annual tapping ceremony held on the steps in front of the library each spring.

Stoic Society

The Stoic Society, the oldest honor society on Eastern's campus, encourages scholarship, leadership, moral responsibility, and initiative. Members are chosen from the sophomore class on the basis of scholarship, leadership, character, and participation in school activities.

Activities of the Stoics include an annual White Elephant sale, outside speakers, a banquet at which new members receive their pins, and a May breakfast.

Graduate members of Stoics are serving in positions of honor and responsibility both in this country and abroad.

ROW 1: Mr. James L. Mitchell (President), Alice Gretzler, (Secretary); ROW 2: Mr. David Averill, Mr. Cecil McLeod, Mr. O. Ivan Schreiber.

Board of Student Publications

The Board in Control of Student Publications is composed of eight members—four faculty members and four students appointed from Student Council. Founded in 1955, this organization governs the general policies of the Aurora, Concepts, and The Eastern Echo.

The Board holds monthly meetings in McKenny Union at which time business and progress reports are made from each of the student publications. Any problems or changes in policy are discussed. In October, the Board sent four students and the Director of Student Publications, Mr. David Averill, to the American Collegiate Press Convention in New York City. Needless to say, the convention trip was well worth it.

Eastern Echo

Serving the Eastern Michigan campus for sixty-two years, Eastern Echo changes, innovates, modifies, and eliminates ideas and policies with the annual turnover in editors and staff.

And generally speaking, so it was for the Echo this year. The paper switched from a six-column page to tabloid size, making it possible to print more eight and twelve page papers than ever before. Color spots were added to the front and back pages during the first semester to highlight activities of interest. Thanks to a monkey named Homer, the use of personal ads was incorporated weekly.

Editorially, the staff employed Ralph Waldo Emerson for what was perhaps one of the shortest editorials in a long time and placed a long dissertation on the Huron Roundtable across the bottom of the front page.

Other changes included three printers in the span of one semester and the resignation of Thomas DeLoach in February. Timothy Hayes, formerly feature editor, replaced DeLoach as editor-in-chief.

Higher education is the first concern of Eastern Michigan University. The religious communions share this concern. Shared also is the University's goal of "excellence" in matters academic. Serving to give concrete shape to these educational priorities is the University's Office of Religious Affairs and the student religious organizations on campus.

Educational programs are regularly offered by these groups. These programs are marked by a variety which includes fireside chats in faculty homes, small group "special interest" discussions, lectures by speakers of consequence, dorm Bible studies, social action programs, weekend study retreats, and field trips.

On Eastern's campus many different religions are represented. Different ideas of how to worship God have brought about the diversity of these many religions, but a belief in this common God has enabled Christian and Jew, Moslem and Buddhist to work together and develop religious tolerance through understanding.

Newman Club

The Newman Club meets on Tuesday nights with the purpose of guiding the Catholic student on a secular campus through a balanced program of religious, intellectual, and social activities.

These activities include a dinner-dance at the beginning of each semester, a hayride, a ski trip, and carolling at Christmas. They also sponsor an all-campus dance.

There are more than 50,000 Catholic college students today in Newman Clubs throughout the country. Eastern's group is joined with the others in the National Newman Club Federation.

Plans are now underway for the construction of a beautiful Newman Center to be erected across the street from the President's home.

Gamma

Delta

The purpose of Gamma Delta is to conserve and develop Christian faith and to encourage Christian action among college students. This aim is furthered through lectures, discussions, and movies at their Wednesday night meetings.

Eastern's chapter, previously a part of U. of M.'s Tau chapter, received its own charter as Zeta Mu last spring, becoming a sister chapter to over one hundred and fifty others in the United States.

The Greek letters "Gamma Delta" stand for the words "gnosis," meaning Christian knowledge, and "diahonia," which means Christian service, thereby representing the goals of the organization.

The purpose of the United Church Fellowship is to provide fellowship and a study of the Christian faith to its members. The activities of the organization include a retreat, an annual fall dinner, regular weekly meetings which are held at the Church Parsonage, a spring trip, and a spring dinner.

Christian Science

The purpose of the Christian Science Student Organization is to help meet the particular needs of students' interests in Christian Science during their attendance at Eastern Michigan University. Students making a conscientious study and practice of the teachings of Christian Science are welcome as members to the organization.

The primary function of the organization is their weekly worship services. The major event of the year is the annual Christian Science lecture which is provided by The First Church of Christ Scientist, Boston, Massachusetts.

Eastern Fellowship Christian

Through speakers, discussions, Bible study, and films, the Eastern Christian Fellowship presents the relevance of Jesus Christ to college students, stressing the maintenance of growth in Christian discipleship and considering the Christian responsibility in world evangelism.

Eastern's chapter of this non-denominational group, along with the University of Michigan's, was one of the first chapters of inter-varsity Christian Fellowship in the United States. It was founded in 1942.

Membership in Eastern Christian Fellowship is open to all students. Activities of the organization include a once-a-month social function plus a spring banquet and a Christmas party.

Eastern's residence halls are designed to provide a pleasant and safe place to live and study, and residents are encouraged to take initiative in self-government and in social and recreational activities. A well-qualified, experienced staff, under the supervision of the Director of Housing, lives in each hall.

Customs which are based on courtesy, good taste, and University traditions and regulation, which provide a systematic guide for conduct and action, are essential elements of cooperative living. The regulations necessary for harmonious living in residence units are formulated and administered by the students living in the halls through their elected representatives, who work cooperatively with the Head Residents and Deans. Elected hall officers conduct hall and corridor meetings as needed and assist residents and staff in planning hall social and cultural activities in which everyone is encouraged to participate.

Upperclassmen also serve as counselors of new students in both the men's and women's halls. These student counselors assist new students in feeling at home quickly in their new surroundings and in organizing their study schedules. They are ready to lend a helping hand whenever it should be needed throughout the school year.

All conveniently located on the campus, residence halls for women include Brown, Downing, Goddard, Goodison, Jones, and King; residence halls for men are Munson and Buell, Wise Hall, a new hall presently under construction, will become a part of the existing Buell-Downing complex.

Eastern also operates two separate projects for married students: Pine Grove Terrace and Cornell Courts. They provide a total of two hundred fifty-nine apartments, one hundred eighty-eight of which are one-bedroom units and seventy-one, two-bedroom units. These apartments are modern, pleasant, and comfortable. All apartments are completely furnished.

Dorm Life

In this era of academic achievement and excellence the sound body must not lose its place as complement to the sound mind. The spirit of competition, the satisfaction of a fine performance, the thrill of victory provide the fulfillment of man's physical powers and accentuate the employment of his mental potential.

Eastern Michigan provides both varsity and intramural programs. There is varsity competition in baseball, basketball, cross-country, football, golf, gymnastics, tennis, track, and wrestling. Among the numerous intramural sports offered, one finds basketball, football, softball, table tennis, and track.

Our accommodations for these activities are expanding and improving as evidenced by the new \$1,600,000 Joseph Warner Gymnasium. Included in the gym complex will be three handball courts; a 75-ft. by 45-ft. pool with one and three meter diving boards; utility gyms for dancing, gymnastics, and wrestling; one massive gymnasium divisible into three by folding doors; classrooms; offices, and locker rooms.

With such facilities as these, and under the able leadership of Dr. Keith Bowen, new head of the Department of Physical Education, we may look forward to even broader, more fulfilling programs in physical education, varsity competition, and intramural activities.

Football

The Hurons go into action, as seen by the spectators.

Practice

Practice is as hard-fought as the real game.

The dummies really get a workout as the Hurons prepare for the 1963 football season.

D'Arcy carries the leather for substantial yardage.

The sandwich act was put on Jim Zoltowski.

The year 1963 produced a marked improvement in the gridders of E.M.U. The Hurons broke the long winning streak of Kalamazoo College and defeated Adrian decisively. Plagued by an injury the first string fullback, Cyril Nichols, the offense had difficulty in getting started on the ground. However, Eastern's air game was much more effective, with the receiving of co-captain Terry Hurley, Jim D'Arcy, and newcomer Jim Zoltowski. Now that our young linemen have received a solid year of experience, big things are expected of the Huron gridders of 1964.

John Lane is plowed under by Albion gridders.

Gerald Scharphorn, Dick Anstine, Don Sleeman, J. Jr. Anderson, George Mascn, Bob Coleman, Jimmy Nelson, George Marshall (Coach).

Randy Presson heads for the finish line.

Cross Country

Joe Casley and Coach George Marshall talk with Ted Haydon, Coach of the University of Chicago team.

Terry Norman gasps for breath just across the finish line.

Left to right, Sanford Herman, Lawrence Adams, Terry Norman, Ray Boisvenue, Jack Addington, and Randy Presson, members of the freshman squad.

Don Sleeman and Dick Anstine start out for Eastern at the University of Chicago meet.

ROW 1: Bud Wienert, Todd Elliott, Jess Shook, Rusty Lyke, Bill Abraham, Gary Davis, Bill Barr; ROW 2: Steve DeMar, Wayne Jackson, Gary Clark, Mike Gouin, Ed Gallup, Al Potratz, Chuck Turner, Dick Adams (Coach).

1963-64 was Eastern's first year in the Presidents' Athletic Conference. With a mainstay of seniors, our basketball team did a very creditable job. Although finishing fourth in the conference with a nine won and nine lost record, we have a good chance of placing Ed Gallup and Gary Clark in the All-Conference team. It is significant to note that eight of the games we lost were by four points or less, which illustrates the fact that this year's team had great potential.

Bill Abraham and Ed Gallup were elected team captains for the season. Gallup had an exceptional season, leading the conference in scoring and placing third in rebounding.

Next year, Dick Adams, the 1962-63 Michigan N.A.I.A. Coach of the Year, has much rebuilding to do from a team whose first seven men were seniors. Thus we can look forward to a young and inexperienced team.

Basketball

Gallup edges Albion in a jump ball.

Ready to shoot is Bud Wienert.

Who has the ball?

Ed Gallup vies for a jump ball against Albion.

Chuck Turner adds to the Eastern score as Hillsdale watches.

Eastern's number three hopes for two.

Gary Clark hopes for two points on his jump shot.

Jess Shook tries a one-handed shot.

Steve DeMar shoots against Albion.

Ed Gallup puts one in against the Scots of Alma.

ROW 1: Hugh Parker, Don Whitman, Tom McEvoy, Jim Copp (Captain); ROW 2: Tom Reddick, George Pio, Matt Brady, Norm

Parker, Jim Hadley, Rick Weston, Louie Owens; ROW 3: Eliehue Brunson, Jim Martin, Maurice Fitzgerald, Wes Winn, Tom Buckalew, Jim Laure, Berry Rubin, Larry Hamilton, George Lambrinos.

Dick Ylasak, left, vies with Hugh Parker.

Wrestling

ROW 1: Dwight Hinds, Jack Addington, George Mason, Joe Grasley, Roger Mead (Captain), Mike Coltman, Hildred Lewis, Chuck Thomas, Don Sleeman, Gerald Scharphorn; ROW 2: George Marshall (Coach), Jim Nelson, Terry Norman, Ed Fritz, Bruce Campbell, Al Potratz, John Gingrich, Bob Coleman, Larry Andrews, Jim Fox (Assistant Coach).

Track

The Track team under coaches Marshall and Fox was undefeated in indoor meets. While competing at Drake University at the Drake Relays, the Eastern relay team was filmed in action for the television show "Wide World of Sports."

The team included several outstanding members. George Mason now holds the indoor and outdoor records in the 880. Joe Grasley was also cited for his work.

Al Potretz, high jump record holder, eases over the bar.

Jack Addington

Mike Colman

Larry Andrews takes one of many firsts in the 440 for Eastern.

Don Sleeman

Joe Grasley and Roger Mead take first and third against Bowling Green in the low hurdles.

On the day of graduation, the door of the future opens to seniors. The roads to success and accomplishments are there to choose, and only the graduate, himself, can select the path to follow. The educated hold a great responsibility, not only to themselves but also to society, because they will be the teachers, the leaders, and the decision makers.

The senior long awaits his diploma and the real chance to prove himself. After years of study and preparation, it is not easy to leave the life of a student and to face the unknown, the future. The senior also finds leaving difficult when he realizes that in leaving he will depart from the friends, the classes, the social life, and the atmosphere of the college campus. The Aurora staff hopes that this yearbook serves the graduating senior class as a reminder of their life at Eastern Michigan University.
